ADULT EDUCATION - Visit of schools by officers of other Depts. -
Instructions issued.

From the D.P.I., Rc.No. 7.SE-2/50 dated 2-6-50.

ORDER/MS. NO. 2180 EDN., DATED 3-8-50

With a view to liquidating the prevailing illiteracy in the country as quickly as possible, Govt. have sanctioned a scheme of Adult Edn. and the opening and maintenance of a large number of schools for adults. These schools are all held late in the evening and ^{are} usually manned by one single teacher. The D.P.I. has suggested that the subordinate officers of the Revenue, Agriculture, Industries, Co-operative, Public Health and Animal Husbandry Depts. may be instructed to co-operate with the officers of the Education Dept. in the working of the scheme, by visiting the schools as often as possible in the course of their tours and by giving short talks to the adult-pupils on their own departmental subjects and activities. The Govt. accept the Director's suggestion; and consider that such visits and talks by the officials of the different Govt. departments will be very useful. The liquidation of illiteracy must be the concern of the whole administration in all its departments and not merely the duty of the officials of the Education department alone. The Board of Revenue, the Director of Agriculture, the Director of Industries, the Registrar of Co-operative Societies, the Director of Public Health, and the Director of Animal Husbandry, are requested to issue suitable instructions that the officials of their respective departments should visit and give talks in these adult education schools as often as possible during their tours.

Sub: Adult Social Edn. - Adult literacy schools
Instructions to other Depts. to visit
adult literacy schools.

Ref: From the D.P.I., Rc.No.7.SE-2/50,
Dated 2-6-50.

The D.P.I. suggests that ~~the~~ Subordinate officers
of other depts. should be asked to visit adult literacy
schools in the course of their tours and give short talk
to adults.

At present only a small no. of adult schools are
functioning in the Province and these are scattered through-
out the Presidency. Under this scheme to utilise the
grant sanctioned by the Govt. of India for the expansion of
adult edn., ~~Adult~~ literacy schools in large ^{number} will be started.
Perhaps the question of securing the co-operation of
officers of other Depts. of Govt. for visiting adult
schools may be taken up after a sufficiently large no. of
adult schools are estd. For orders ^{whether} (the proposal of the
D.P.I. may be deferred for the present.

no.
S maybe taken up now.
The suggestion must be
accepted. When adult schools can
work successfully only if ^{appraisal} all departments
take an interest in them. The liquidation of
literacy must be the concern of the whole
Govt. in all its departments (not the duty of
the officials of the Edn. department alone).
