In their orders quoted above, Government sanctioned the
opening in 1949-50 of the additional sections specified against
each of the following Government Training Schools:--

S.No.	Name of the Training School	No. and Grade of School

17.	Government Secondary and Training School for Women, Rajahmundry.	..	1
18.	Lady Amphill Government Secondary and Training School for Women, Masulipatam	..	1x

2. Out of the Schools mentioned above, it is not proposed
to make fresh admissions during 1950-51 to the Higher Elementary
Training Sections in the following schools:--

1. Government Training School for Masters, Bhemunipatnam
2. Government Training School for Masters, Chittoor
3. -do- Nellore
4. Government Secondary and Training School for Women, Narasapur.
- and 5. -do- Masulipatnam.

The Government Training Schools for Masters, Palghat and
Rajahmundry have now been converted into Basic Training Schools,
and the question of making fresh admissions to the additional classes
in these schools will be dealt with separately. Excepting these,
there is need for making fresh admissions during 1950-51 in all the
sections referred to in para one above, as there is still need for
a large number of trained teachers.

PTO

3. During 1948-49, sanction was accorded in G.O.Ms.No.3198, Education, dated 15-12-48, for the opening of one additional section in each of the Higher Elementary and Secondary Grade Training Sections in the Government Training School for Masters, Tanjore and one Secondary Grade Training Section in each of the Government Training School for Masters, Tirunelveli and Anantapur. No admissions were, however, made during 1949-50 into these sections and the students admitted in 1948-49 have completed their course. There is now need for making fresh admissions to these sections during 1950-51.

4. The Divisional Inspector, Coimbatore has recommended the opening of a Secondary Grade training section during 1950-51 in the Government Training School for Masters, Tiruchirapalli, as there is need for a large number of Secondary grade teachers. Similarly the Inspectress of Girls' Schools, I Circle has recommended the opening of an additional Higher Elementary grade training section in the Queen Mary Government Secondary and Training School for Women, Visakhapatnam during 1950-51. The Secondary grade training section in the Government Training School for Masters, Tiruchi will be in lieu of one of the temporary Higher Elementary Grade Training Sections. No fresh admission will be made during 1950-51 to the Higher Elementary Grade Training Section in the School, the continuance of which was sanctioned in G.O.Ms.No.1907, Education, dated 10-6-49 (Vide Annexure I)

5. Thus sanction may be accorded:--

(i) for the admission of a fresh batch of students in the additional sections in the following Training Schools and for the employment of the additional staff required therefor, as shown below for a period of two years from 1950-51.

S.No.	Name of the Training School	No. and Grade of Section to be opened	Additional staff required
		Secon- Ele- dary mentary

3.	-do- Kurnool	1	Two L.T. Assistants

and (ii) for the opening of a Secondary grade training section in the Government Training School for Masters, Tiruchi and a Higher Elementary Grade Training Section in the Queen Mary Secondary and Training School for Women and the employment of one L.T. Assistant for each for a period of two years from the school year 1950-51.

6. In this connection I may also point out, that most of the additional staff for which now sanction is being requested have

4
S/PSCF
already been in existence since 1948-49. The sanction accorded in G.O.Ms.No.1563, Education, dated 16-5-49 for the continuance of these posts expired by the end of the school year 1949-50 and the sanction now sought for is inaway for the continuance of these posts and not for the employment of any new additional staff.

7. In anticipation of the sanction of Government, I am instructing the Divisional Inspectors and Inspectresses to proceed with the admission of a fresh batch of students in the Sections referred to above. To avoid dislocation of work, I am also permitting the continuance of 13 out of the sixteen posts of school Assistants sanctioned in G.O.No.Ms.1563, Education, dated 16-5-49 for the additional sections under reference. I request that my action may kindly be approved and very urgent orders issued in the matter.

8. I may also be permitted as was done in the previous years to utilise the provisions of Sections and staff, in other Government Training Schools, if after the re-opening of these Schools, it is found that the additional sections in any of these schools do not have economic strength.

Yours faithfully,

A. S. K.

from the school year 1949-50 of the staff sanctioned for the

Training School for Masters, Palghat (Serial No.5), the Government
Training School for Women, Ramanad (Serial No.13), and the Government
Training School for Women, Tanjore (Serial No.16) have since been
converted into Basic Training Schools. The question of making
fresh admissions during 1950-51 in these schools will be dealt with
separately. No fresh admission is proposed to be made during the
school year 1950-51, to the additional classes (Higher Elementary
grade) in the Government Training School for Masters, Tiruchirapally,
Cannanore and Kozhikode (Serial Nos.4, 7 and 8). The posts of one
Secondary Grade Assistant sanctioned for each of these three schools,
will become superfluous during 1950-51 and will, therefore, be
held in abeyance with effect from the school year 1950-51. Admissions

Dindigul (Serial No.12) are made in alternate years and since admissions were made into that Section during 1949-50, the question of making fresh admissions during 1950-51 does not arise.

3. Barring the seven schools mentioned in para 2 above, it is proposed to admit a fresh batch of students during 1950-51 to the additional sections in the remaining nine schools (Viz):--

1. Government Training School for Masters, Chicacole (Higher Ele. Grade)
2. -do- Parvatipur (---do---)

4. I request that Government may kindly accord their approval to the same and issue early orders in the matter. The sanction accorded for the continuance of the staff for the above sections will expire only by the end of the school year 1950-51 and hence no sanction is required in this regard now.

R.O.C.No. 211 K3/50 dated 30-6-1950

Sir,

SUBJECT: Schools--Government Training Schools--
temporary additional sections--Admission
of a fresh batch of students during 1950-51
Govt. Training schools, Beemunipatnam
and Nellore--Sanction--Requesting.

REF: My letter R.O.C.No. 211 K3/50 dated 3-6-50

The District Educational Officers, Visakhapatnam South and Nellore report that a large number of qualified candidates have applied for admission to the Higher Elementary Grade training in their districts this year. Originally they did not propose to open additional Higher Elementary Grade training sections during the current school year in the Govt. Training schools Beemunipatnam and Nellore and hence proposals were not submitted to Government for the same. Vide para 2 of my letter quoted above. In view of the large number of qualified applicants for admission to the Higher Elementary Grade training and in view of the fact that there is still very great demand for trained teachers, the District Educational Officers request that sanction may be accorded for opening one additional Higher Elementary Grade training section in each of the Govt. Training school for Masters, Beemunipatnam and Nellore during the current year. As only a limited number of students are being admitted to the Government Basic Training schools in these districts, I agree with the District Educational Officers that there is need for opening an additional Higher Elementary grade training section in each of the Government Training schools at Beemunipatnam and Nellore. I therefore request that Government may be pleased to accord necessary sanction for the same and also for the employment of one L.T., Assistant for each, for a period of two years from the school year 1950-51.

2. As it is already late in the year, I am permitting the District Educational Officers in anticipation of Government Sanction, to make admissions to the additional sections under reference. I request that my action may kindly be approved and very early orders issued in the matter.

Yours faithfully,

The proposals in the file are:-

- (1) to continue the 16 posts of L.T. Assistants originally sanctioned in G.O. 3198 Edn. dated 15-12-48 and continued last in G.O. 1563 Edn. dated 16-5-49 for a period of two years from the school year 1950-51; and the 21st assistant sanctioned in G.O. 1062 Edn. 10/6/49 and G.O. 3431 Edn. 9/6/49.
- (2) to sanction two addl. L.T. Assistants for a period of two years from the school year 1950-51 for the opening of a secondary grade training section in the Govt. Training School for Masters, Tiruchirapalli, and a higher elementary grade training section in the Queen Mary Secondary and Training School for Women, Visakhapatnam during 1950-51.

Education have agreed to the proposals. The additional cost to Govt. on account of the above will come to Rs 4,300 roundly per annum recurring.

The wording of para 1 of the draft order on p.1 above gives the impression that the staff sanctioned there is to be sanctioned afresh. It is seen that the staff will be employed afresh. The proposal is only to continue the addl. sections and addl. staff already sanctioned.

In the circumstances, Finance may agree to the above proposals and accept the draft order, subject to the following remarks:-

- (i) that para 1 of the draft on p.1 above may be suitably amended, so as to indicate that it is only a continuance of the staff already sanctioned and not the employment of fresh staff; ^{in view of G.O. 3431 Edn. 8-11-49 item 19 in para 1 above may be omitted}
- (ii) that the sanction for continuance and ^{now proposed} sanction for addl. staff may be limited to one year from the school year 1950-51, ^{as is normally done in similar cases} instead of two years proposed.
- (iii) the case may be circulated to H.M(Fin) also before issue of orders, as the cost ^{involved} in the proposal relating to addl. staff exceeds Rs 3,000 recurring.
