REF:-

G.O.No.112 Education dated 16th January 1950.

In the G.O. referred to above, Government have permitted the levy of fees for belated issue of "Record Sheets" and for the issue of duplicate "Record Sheets". I presume that the permission accorded in the G.O. may be made applicable to Elementary Schools in non-compulsory areas also, as 'Record Sheets' are issued in such schools also.

2. I request to be informed if the above presumption is correct.

Yours faithfully,

Under the scheme of compulsory elementary education the local authorities should ensure that all children of school-age in ^a locality are brought to schools & are also retained in schools till they complete the Elementary school course. To find out whether a child was really enrolled in a school and whether it is receiving instruction in the school, a form called "Record sheet" was prescribed in the Rules framed under the E.E. Act. Record sheets will contain all particulars regarding the education of the child at school and will be maintained by the school authorities. It will be issued to ~~the~~ a child when it leaves the school finally.

2. Though this form of Record sheet is primarily intended for children in schools in compulsory areas, the maintenance of such sheets for children in schools in non-compulsory areas ^{is} also enforced by the Edu. Deptt to secure better attendance of children in schools. In January last the Govt. amended the rules framed under the E.E. Act to provide for the following:-

- 1) Levy of fees for issue of "Record sheets" to children in compulsory areas who apply for it one year after ~~the~~ leaving the school.

rule 5 of the rules
under rule 44
P. 4 of rules
pamphlet.

2) Levy of fees for the issue of a duplicate Record sheet for children in schools in compulsory areas.

3. The Director suggests that the system of levy of fees for the issue of Record sheets in compulsory areas may also be made applicable to schools in non-compulsory areas also. The suggestion may be accepted. A draft order is submitted for approval.
