MADRAS.

Through

The Proper Channel.

Sir,

1 We, the signatories to the petition learn that Sri Brahadambal High School, Pudukkottai, and H.H.The Ranee's Girls' High School, Pudukkottai are to be handed over to the Local Board consequent on the merger of the State with the Indian Dominion.

2 We would urge that such a step is not desirable for the reasons given below:--

3 The Brahadambal High School has been run as a Government Institution for over 60 years now. It formed part of H.H.The Raja's College till recently. In 1946 when the College was raised to the status of a First Grade College, the High School became a separate institution. The Madras Government have made arrangements to run the College as a Government Institution, but not the High School. This is hardly fair to the teachers in the High School who have put in several years of servic To deny the teachers of the High School the benefit of Government Service to the end of their Service, is not proper.

4 The Institution having been run as a Government School so long, the public would like it to be continued as a Government School in the new set-up and would not like it to be handed over to the Local Board. Such a transfer will cause great disappointment to the public ~~would offend their sentiments~~. The School has built up in rich traditions and we are afraid that such rich and useful traditions would be lost by the transfer of control.

5 There are 18 divisions of about 40 students each in the three High School classes. It will not involve any appreciable financial burden upon the Government to run the School; at the most, a few thousands of rupees (about Rs. 5,000) will be the net cost involved in running the School as a Government Institution. The School is well-equipped and can boast of the necessary furniture, appliances and charts. The laboratories are also well-equipped. The Government will not have to spend any sum by way of equipment or initial outlay.

6 Another noteworthy feature is that several persons have made handsome endowments amounting to Rs.20,000 by way of scholarships and prizes on the distinct understanding hat the School will continue to be run as a Government chool. It behoves the Government to run it as a Government Institution and so respect the wishes of the donors.

7 We venture to suggest that a Training College aching students for the B.T.Degree Examination of the dras University may be opened in this Town and the hadambal High School be attached to it as a Government School to serve as the Model School. There is no ning College in the Southern Districts, the one at inopoly was abolished years ago. There is a real

---

A ~~401~~ 4 3

demand for a Training College in the Tamil Nad area; the need for a Training College in the Southern Districts cannot be over emphasised. Pudukkottai is centrally situated and there can be no better or more convenient place to locate a Training College. We would therefore suggest that Pudukkottai may be made the centre of a Training College offering instruction in B.T.Degree and the State High School be made into a Government High School.

8 H.H.The Ranee's Girls' High School in the Town is as hoary and old as the High School for boys.

9 We pray that the two Schools may be continued to run as Government Schools for the reasons set-forth above.

Yours faithfully,

Rao Sahib V. V.

R.O.C.No.823 K2/48 dated 22nd Oct. 1949.

Sir,

Sub:- Pudukottai - Sri Brihadambal High School,
Retention under Government Management.

Ref:- Government Memorandum No.777 A/49-1 Edn.,
dated 19-1-1949.

84250

I have the honour to state that I have since examined the details of the endowment available in the Sri Brihadambal High School, Pudukottai. All the endowments are in the nature of Prizes and Scholarships and that there is nothing to show that the endowments are tenable so long as it is continued under Government management. I enclose for the information of Government a statement showing details of these endowments and also some original papers of the ex-Durbar accepting some of the endowments. Of course the present position of the state could not have been thought of when these endowments were made by the Donors. The former Special Officer of the State had pointed out that the public have more than a sentimental interest in the institution, that it was the desire of His Highness that they should have a share in the building of the High School and that a considerable part of the contributions from the public has been utilised in the construction of the new building. The recommendation made in my letter Roc.823 K2/48 dated 18-4-48 was in accordance with the existing policy of Government of not maintaining secondary schools except for girls.

Mpl-4(S)

2. In connection with the Part II of the Budget Estimate for 1950-51 I have submitted a proposal for the establishment of at least one Government High School for Boys in each district. The acceptance of this proposal will mean a departure from the existing policy of Government of not maintaining Government Secondary Schools except for girls. If the above proposal is accepted, I recommend that Sri Brihadambal High School may be retained under Government Management.

Sir,

Sub: Pudukottai - Education Department - Scales of pay for the teaching staff in State Secondary Schools.

(Pp3-4 Cf in the linked file)

Ref: Government Memorandum No.91009-B1/49-1 Education dated 7.12.'49 and Reminder Dated 7.2.1950.

...

I have the honour to state that the District Educational Officer Tiruchi has since submitted statements showing the pay fixed for the teachers employed in the State Secondary Schools in Pudukottai and these are being examined. I presume that in fixing the pay of these teachers in the Revised Scales of pay applicable to Local Body Teachers, the procedure outlined in para 5 of Government Order No.855 Public (Political) Department dated 26.3.1949 should be followed and that the teachers should be allowed this pay from 1.1.1949. This may be confirmed. The petition from Sri M. Venkatarama Iyer, Secondary Grade Teacher forwarded with the above memorandum is resubmitted. (A)

Action taken separately (vide linked file)
Pts linked and sent to Pub (Poll) and Finance

2. In para 3 of Memorandum No.99715-A/49-6 Education dated 24.2.1950 the Government have observed that that there are two state Secondary Schools - the Brihadambal High School and the Ranis High School for girls - and that their future management has still to be considdred. In addition to the above two High Schools, there are 9 Government Middle Schools and one High School. They are the following:--

1. Government High School, Arimalam
2. Government Middle School, Viralimalai
3. -do- -do- Kiranur
4. -do- -do- Annavasal
5. -do- -do- Karambakkudi
6. -do- -do- Alangudi
7. -do- -do- Tirugokarnam
8. -do- -do- South 2nd Street Pudukottai
9. -do- -do- Ghandinagar, Pudukottai
10. -do- -do- Tirumayam.

A
13/3/50

In continuation of Government Memo No. 64387-BI/49-2 Education dated the 11th January 1950, the Director of Public Instruction is requested to consult the Municipal Council, Pudukottai, whether it is agreeable to take over the management of the ~~two~~ Government Middle Schools, within the municipal limits (~~at~~ South, 2nd Street and Gandhinagar) ~~Pudukottai~~, in addition to the Brihadambal High School for boys & Rani's High School for girls. As it is likely that the municipal Council may not be in a position to undertake the addl. recurring liability involved and to avoid delay, the District Board Tiruchirapalli may simultaneously be consulted

pp 12-13 G

p 14 g

17

whether it is willing to take over the secondary schools within the municipal limits also under its management in the event of the municipal Council declining to take up the management of those schools. The transfer of the schools to the management of the municipal Council Pudukkottai or the District Board Tiruchirapalli cannot be ordered without examining the financial position of the local bodies concerned to undertake the additional liability and without settling the conditions of transfer. The conditions relating to the absorption of the staff in the service of the Dt Bd should be communicated to the Dt Bd & a resolution of the local bodies concerned should be obtained agreeing to take over the management of the schools subject to the conditions that may be specified. The Director is requested to furnish an estimate of the extra cost to Govt involved if the schools are transferred to the managements of the local bodies & local bodies' scales of pay are adopted, or Govt scales of pay are allowed to the staff in these schools as a special case in view of the fact ~~that~~ they were State schools. The cost to Govt if they are run as Govt schools should also be furnished. The Director is requested to make his final & specific recommendations in regard to the institutions which might be continued under Govt management.

KM
11/3

Dear Mr. Madhava Menon,

In reply to my question on the 6th instant, in regard to Schools in merged States, you were pleased to inform me that orders would be issued in regard to the absorption of the State Secondary Schools in Pudukkotai and Sandur as soon as a decision was reached on the question of their future management. Would you mind considering the desirability of keeping the High Schools for Girls under the Government management? I feel it would be conducive to efficiency as the local bodies have no experience of management of such schools. Moreover, they may not possess the necessary finance to run them efficiently. I am particularly anxious that the Ranee's High School, Pudukkotai, as in the case of the Raja's College should continue to be a Government institution.

Thanking you,

Yours sincerely,

R. Suryanarayana Rao

EDUCATION DEPARTMENT

EDUCATION DEPARTMENT
SECRETARY
22 MAR 1950

To

The Hon'ble Mr.Madhava Menon,
Minister for Education,
Government of Madras,
Madras.

Sir,

Education -- Female Education --
Rani's High School for Girls, Pudukkottai --
Proposal to hand over to the Municipality --
Representation against.

.....

1. I understand that there is a proposal to hand over the Rani's High School for Girls, Pudukkottai, which is now run as a Government institution, to the Pudukkottai Municipality.

2. In the interests of the public and as the parent of four of my daughters who are studying in the school, I desire to make the following representations for the careful consideration of the Government. The public of Pudukkottai feel that the proposal is not a desirable one, if the Government have any interest in Education, especially female education. The people of Pudukkottai were expecting that the merger of the State in the Indian Union would improve the various amenities of the people. They have already begun to feel

that the merger has imposed on them additional burdens in various ways. It appears that the time when they will be deprived of some of their amenities one by one, is fast approaching. One such thing is the proposal to deprive them of the advantages of having a Government Girls' High School in this area.

3. There is only one Government Girls' High School for the Pudukkottai area. There are a good number of students on its rolls. The Government spend huge sums of money in the cause of education. But in the interests of economy, they have left elementary education in the hands of aided private institutions. It is not in my humble opinion desirable to treat Secondary education similarly. Secondary education schools must be run as Government institutions. Even if this is found not possible, there is no reason to divest themselves of their responsibility in regard to High Schools. So far as Girls' High Schools are concerned, the Government's responsibility is greater and such Girls' Schools must at all costs be run as Government institutions. If the Government decide to take no responsibility even in regard to higher female education, the prestige of the Government will surely suffer. Cannot the Government

run even one Girls' High School for this area in the cause of female education?

4.No one can deny that these Girls' Schools are not self-supporting, financially. This is one strong reason why the Girls' School in question should not be handed over to the Municipality. The Municipality cannot afford to run a school which is not self-supporting. Even if the school is forcibly thrust on the Municipality, a time will come sooner or later, when they will have to decide to close the school altogether. If the Municipality decides to levy heavy school fees, the strength of the school will soon decline. Female education will suffer. This is not very creditable to the Government.

5. It is the duty of every progressive Government to do all in its power for the advancement of education and much more so in regard to female education. Though it may not be quite relevant to do so, it may be mentioned here that the U.P.Government run all grades of education as Government institutions.

6. I therefore request that the Hon'ble The Minister for Education may be pleased to consider the position carefully and drop the proposal, if any, to hand over the Rani's

High School for Girls at Pudukkottai to the Municipality. Even if the institution is not self-supporting, any progressive Government should not mind spending money on it.

Yours faithfully,
S.K.R. Karuppan Chetti

Sir,

Sub: STATES - Merger - Pudukkottai - Roads and Schools - Transfer to the control of the District Board, Tiruchi- Provision of funds to cover the deficit in income- Allotment by way of special grant - Request.

--x--

A meeting consisting of the President, District Board Tiruchi, the State Engineer Pudukkottai and the Special Officer for Education Pudukkottai, the Health Officer Tiruchirappalli and the Divisional Engineer (Highways) was convened by me on 26-3-50 to discuss the present position of the roads and schools in Pudukkottai merged area and to concert measures for their early transfer to the control of the District Board Tiruchi. As a result of the general discussion, I am writing this report so that the Government may be pleased to expedite the issue of necessary orders on the points furnished below, so as to enable the District Board to take on the roads and schools under its control.

ROADS: As per orders in G.O.Ms.No.4161 P.W.D. dated 10-11-49 all the public roads in Pudukottai merged area, with the exception of those detailed in the appendix to the said G.O. and those to be taken over by the Municipal Council, are to be vested in the District Board and the District Board is to attend to their maintenance from its funds. The total length of the roads to be thus taken over by the District Board is approximately 370 miles, whereas a length of 171 miles has to be taken over by the Highways Department. The present condition of the roads is horrid. No tar or cement concreting has been undertaken in any area. As Pudukkottai happens to be a central place, a great number of bus services run in diverse directions and the traffic is very heavy. Presumably the State Engineer being in charge of varied items of work, could not bestow due attention to the roads so far. It is, therefore, absolutely necessary that urgent steps should be taken to improve the condition of the roads in Pudukkottai area else they will deteriorate further and get beyond repair. As it is, most of the roads are in an abominable state. The President District Board and the State Engineer Pudukkottai estimate that a sum of Rs.2,51,180/- will be required for the year 1950-51 for repairing and maintaining these roads. I understand that this estimate is a modest one and in no way excessive.

SCHOOLS: In G.O.Ms.No.274 Education dated 2-2-50 the Government have ordered that the elementary schools in the merged area of Pudukkottai lying outside Municipal limits should be transferred to the management of the District Board with staff, buildings and equipment etc. It is gathered that there are 165 elementary schools and that 99 of them are in Government buildings three in rented buildings, and the rest are lodged in rent free buildings. Apart from these, there are 3 High Schools -- two in Pudukkottai Town proper and one at Arimalam, 10 Middle Schools in the mufassil and one Sanskrit School (Vedapatasala) in Pudukkottai Town, all of which were run by the ex-Durbar Government. The Government in their Memorandum No.64387 D1/49-2 Education dated 11-1-50 have ordered that the two High Schools in Pudukkottai Town proper should be transferred to the District Board or the Pudukkottai Municipal Council and have asked the Director of Public Instruction to ascertain and report the willingness or otherwise of the District Board and the Municipal Council, Pudukkottai to take over these two schools. No orders have been issued by Government regarding the transfer of the High School at Arimalam, the Sanskrit School and the Middle Schools. Consequently, the transfer of these schools is under suspense. It is not clear to which local body they are to be handed over. The President District Board, informed me that the District Board has no objection to take over all the three High Schools. He has estimated that roughly a sum of two lakhs will be required to run all the schools. This estimate appears to be based on figures of xxx expenditure incurred for running these schools in previous years.

Thus, the District Board will have to meet an expenditure of about 4½ lakhs for the maintenance of the schools and roads in the merged area. As xxxxx against this estimated expenditure the income likely to be derived by the District Board from Pudukkottai area from the various sources as detailed below, will be Rs.2,59,125/- only.

		Rs.
Amount likely to be adjusted on 15-7-50 on account of advance payment of cesses for fasli 1360 I Instalment.	Land cess	25,000/-
	Education tax	33,000/-
Final adjustments for fasli 1358 and fasli 1359 payable on 15-1-51.	Land cess only	65,625/-
Advance payments for fasli 1360 II Instalment	Land cess	25,000/-
	Education tax	33,000/-
Surcharge on stamps etc.		75,000/-
Licence fees on dangerous and offensive trades		2,500/-
Total	Rs.	2,59,125/-

Thus there is likely to be a deficit to the tune of 2 lakhs which has to be met by the District Board. It is also likely that this deficit will become less to the extent of compensation for loss of tolls in Pudukkottai area to be granted to the District Board. Unless this deficit is reimbursed by way of a special grant by the Government, the District Board will find it difficult to run these schools and maintain the roads properly. I have xxxx however instructed the President District Board Tiruchi to take over these roads and schools with effect from 1-4-50 and to maintain them under the existing conditions, pending orders of the Government regarding provision of funds. I request that Government will be pleased to issue a general order to the effect that the amount spent by the District Board in connection with the roads and schools over and above the income derived by the District Board from Pudukkottai area will be made good by a Government grant as a special case at the end of the year. The Government have already ordered in G.O.No.Ms.4161 P.W.D. dated 10-11-49 that separate accounts should be xxxx maintained by the District Board and hence the actual deficit can be easily arrived at the end of the year. The issue of a general order by Government for the necessary appropriation of funds to meet the deficit will facilitate the District Board to take over the roads and schools without further delay and attend to their efficient upkeep and maintenance. The early taking over of these roads and schools is not only expedient but very necessary.

I request early orders.

17th April 1950.

From:

Ramasrinivasan,
President,
District ~~Taluk~~ Congress Committee,
Pudukkottah.

To

The Director of Public Instructions,
'Old College',
Nungambakkam, Madras.

Sir,

With regard to the principles that the Government of Madras have in mind to adopt in the matter of absorption of the educational department of the merged state of Pudukkottai, I request permission to submit the following points for your earnest consideration. They relate particularly to the status and service conditions of the teachers who are working in the various Government Schools in the territory.

(1) As the elementary schools have been ordered to be handed over to the District Board or the Municipality according to the location of the schools, the High Schools, particularly the Sri Brihadambal High School and the Ranee's Girls High School may be retained under Government management.

P.T.O.

(2). Whatever the Madras Government may decide as to the management of these institutions, all the members of the staff of the Government institutions, permanent or temporary, on the date of merger, may be absorbed in the Madras Educational service as Inspectors or teachers in the Government Training Schools or model schools according to their qualification and service.

(3). The elementary school teacher who have to work in the schools taken over by the local boards may be treated as Government servents enjoying the privileges of Government scales of pay, pension, leave rules etc.

(4). In case the teachers of all grades are not treated as Government servants and absorbed into Provincial service wherever possible, the following anomalies will arise.

(a) As the servants of other departments of Pudukkottai State have been absorbed in the corresponding departments of the Madras Government and granted Provincial scales of pay etc., there is an undesirable discrimination against the teachers who were also servants of the same Pudukkottai State.

(b) As the members of the staff of the local College and the Inspectorate are proposed to be absorbed, the teachers of the High Schools and Elementary schools who were also working in the same department - alone are not benefitted by the merger.

(c) The absorption of some members of the High School department of the State on the date of merger and the non-absorption of others of

P.T.O.

---

the same department may lead to yet another invidious distinction among the staff of the same institution.

In conclusion, I have to emphasise the point that absorption of all L.T. and Secondary grade trained teachers into the Provincial service and treatment of all elementary school teachers as Government servants on lent service to the local boards and the grant of Government scales of pay, pension and leave benefits will be the just and satisfactory solution of the problem.

I remain,
Yours faithfully,

No. R.O.C. 80 K3/50 Dated 14-6-1950.

Sir,

Subject:-

Schools- Pudukottai- Secondary Schools- Future management.

Ref:- Government Memo No. 64387 B1/49-2 Education dated 11-1-1950 and my letter R.C. No. 80. K3/50 dated 13-3-1950.

Ⓣ

I have the honour to recommend that Government may kindly retain the Brihadambal Boys High School and Ranees Girls' High School, Pudukottai under their management.

Disposed of in Memo No 23130 B2/48-5
22/6/48

Ⓣ

p 10 ante

2) In the detailed report submitted in my letter R.C. No. 823 K2/48 dated 18-4-1948 I had recommended the retention of the Ranees Girls' High School only under Government management as it was not the policy of Government to maintain Secondary Schools for Boys except those for backward communities. In para 5 of the memo No. 23130 B2/~~50~~/48-5 Education dated 22-6-1948 Government however directed that both the schools might be retained under their management temporarily till a local body was constituted for the area. I would invite attention to my letter R.C. No. 823 K2/48 dated 22-10-1949 in reply to Government Memo 777 A/49-1 Education dated 19-1-1949 suggesting the retention of the Boys High School if the proposal to take over to Local Body High School for Boys was accepted by Government.

N

M

3) The District Board Tiruchirapalli has agreed to take over all the Secondary Schools in Pudukottai including the two High Schools in question and grant to the staff Government scales of pay. The views of the Municipal Council Pudukottai are still awaited. I am however doubtful whether the Municipal Council with its slender finances will be able to run the two High Schools efficiently. In my recent tours representations were made to me for the continuance of the two schools under Government management and that the public were very particular that at least the girls High School should continue as a Government one. Even the Vice-Chairman who interviewed me was personally of the same view. He thinks that the schools may not thrive under Municipal management. I am inclined to agree with the view of the Vice-Chairman. In this connection I may also point out that the public had contributed liberally towards the expenditure on the construction of a new building for the Brihadambal High School -vide- my endorsement R.C. 705 F4/49 dated 31-8-1948 disposed of in Government Order No. 2481 Education dated 28-9-48, and it is but natural that they desire that the school should be continued as a Government institution. I therefore request that Government may kindly issue early orders retaining the two schools under their management. The financial

put up in file sent to Fin

pp 19-24 ante implications of the proposal have been furnished in my letter R.C. 80 K3/50 dated 13-3-1950. The case of the other Secondary Schools may be decided on receipt of the views of the Municipal Council, Pudukottai.

pp 42-43 ante In continuation of my letter Roc.No.80 K3/50 dated 14-6-1950, I have the honour to report that the District Board, Tiruchirapalli is willing to take over the management of all the Government Secondary Schools in the Pudukottai territory including those situated within the Pudukottai Municipal area. I enclose herewith for the information of Government copies of letters Roc.Fl.2724/50 dated 19-3-1950 and 31-3-50 from the President, District Board, Tiruchirapalli. The President, District Board has subsequently intimated his willingness to adopt the Government scales of pay to the staff in the schools as a special case - vide his letter Roc.Fl.No.2724/50 dated 17-5-50 (Copy enclosed). He has also reported that the District Board is agreeable to the conditions relating to the absorption of the staff in the District Board Service referred to in Government Memo 64387 B/49-7 Edn., dated 5-4-50. He has however been requested to obtain and forward a Resolution of the District Board to that effect, and the same will be submitted to Government on receipt.

K

p 33 ante

pp 42-43 ante 2. In the circumstances explained already in my letter Roc.No.80 K3/50 dated 14-6-50, I recommend that the Brihadambal High School and Ranees Girls' High School, Pudukottai, may be retained under Government management, and that all the remaining Government Secondary Schools, including those situated within the Pudukottai Municipal area, may be transferred to the management of the District Board, Tiruchirapalli.

pp 20-24 ante 3. An estimate of the cost involved, in retaining the Brihadambal High School and Ranee's Girls High School under Government management has already been furnished to Governmentwith my letter Roc.No.80 K3/50 dated 13-3-50. An estimate of the cost involved, to Government, if all the Secondary Schools are transferred to the District Board Tiruchirapalli and local body scales of pay are adopted, or Government scales of pay are adopted, as a special case, is furnished in the annexure, as required in the Government Memo dated 13-3-1950.

p 19 ante

p 45 infra

pp 16-17 ante

4. In this connection, I may point out that the members of the staff of the former State Secondary and Elementary schools had enjoyed pensionary rights and their transfer to the Local Board Service will be at a serious disadvantage as service under the District Board or Municipal Council will not entitle them to any pension. I may suggest for the consideration of Government that as a special case the service of these teachers under the local bodies may be counted for pension as in the case of certain Government schools transferred to the local bodies in the past. This may however

p.t.o.

be restricted to such of the teachers who held permanent appointments on the date of the merger.

Yours faithfully,

for Director of Public Instruction.

Enclosure.

Copy of letter Roc.No.C.3-719-50 dated 18th July 1950 from the Municipal Commissioner, Pudukkottai to the Director of Public Instruction,Madras through the Chairman,Municipal Council,Pudukkottai.

Subject:-EDUCATION--Secondary--Pudukkottai territory--Government Secondary schools--Future management.
Refce.:- Your letter Roc.No.80-K3-50 dated 25..3..1950.

The Municipal Council in its Resolution No.465 dated 8.7.1950, copy enclosed, has resolved to take over the management of the two high schools, Brahadambal High School and Rani's Girls' High School, if the Government is willing to accede to the conditions imposed by the Council in its above resolution.

I request you to inform me the decision of the Government on the resolution of the Council for taking necessary further action.

/True Copy/.

II.

Extract from the proceedings of the Municipal Council, Resolution No.465 dated 9..7..1950.

Subject:-
To approve the proceedings of the Committee dated 6.7.50,held at 5 P.M. convened to decide the question of taking over the management of the secondary schools.

Resolution:-
The recommendations of the Committee were read.

P.T.O.

Page 2.

2. The Municipal Council resolves to take over and maintain the two high schools, Sri Brahadambal and Rani's ~~Girls'~~ High Schools within the Municipal area on the following conditions.

1. The building and other places belonging to the two high schoolsand all equipments relating to the school should be handed over to the municipality.

2. The high school building intended for the Brahadambal High School pending construction at the Ananda Bagh grounds must be completed as per the original plan and handed over to the municipality free of cost.

3. The net expenditure on account of conducting these two schools must be paid as grant by the Government to this council (The staff will be paid at the Provincial scale of pay).

4. The staff should be paid leave salary and other arrear claims by the Government.

5. Pension for the school staff should be paid by the Government at the time of granting them pension.

6. If any of the existing staff find it inconvenient when enforcing the above rules and if it is found that any body is superfluous, the Government should absorb them.

7. This Council is not willing to levy any kind of tax on account of maintaining the secondary schools.

ORDER (MS) Edn 2211 DATED 5/8/50

para 3 on pp 42-43 cf and para 2 on p 44 cf

The Govt. approve the proposal of the Director of Public Instruction that the Brihadambal High School for boys and the Rani's High School for girls at Pudukkottai ~~may~~ be retained under Govt. management. ~~is approved.~~ The Director is requested to fix the pay of the staff employed in these schools in the Govt. scales of pay with effect from the date of this Order. He is informed that the teaching and non-teaching staff of the two Schools should be ~~abolished~~ absorbed in Government service with reference to the principles laid down in G.O.No. 855 Public (Poll) dated 26th March 1949, as amended from time to time.

They are now on local body scales of pay vide (T)

(B)

para 2 on p 44 cf

2. The Government also approve the proposal of the Dist. Board, Tiruchirappalli to take over the management of State secondary schools specified in the Annexure to this Order, subject to the following conditions:

Condition (i) on p 27 cf of (2)

(i) that the buildings, playgrounds, furniture and other articles of equipment belonging to the schools shall be transferred to the District Board free of cost and free from all encumbrances;

Condition (ii) on pp 27-28 cf of (2)

(ii) that the staff of the schools should be taken over and absorbed in the District Board service as specified below

(a) All the qualified members of the teaching and non-teaching staff of the schools should be absorbed in the service of the District Board, in their respective grades; their pay should be fixed in the Govt. scales of pay with effect from the date of this Order. They should be allowed to take their rank in the seniority list with reference to the length of service they have put in the service of the State and after its merger up to the date on which the management

(PTO

41

of the schools is to be taken over by the District Board. Members of the permanent staff who had put in more than two years of service should be absorbed as permanent members of the District Board establishment; the other qualified members should be treated as probationers and their rank among the probationers should be fixed with reference to the length of service.

(b) Unqualified members of the teaching and non-teaching staff of the schools may be absorbed in the service of the District Board subject to the condition that they should acquire the qualifications prescribed for the posts concerned within a period of two years from the date on which the management of the schools is taken over by the Dist. Board.

— usual condition — Vide p 28 cf in (Z)

(iii) that the District Board should provide the school with adequate staff, accommodation and equipment after the transfer of management of the schools if they are found wanting in any of these respects by the Inspecting Officers.

Condition iii on p 28 cf of (Z)

3. The District Board, Tiruchirappalli will be paid teaching grants on the basis of one half of the net cost of maintenance of the schools.

A on p 45 cf and. M on p 46 cf.

4. The Director of Public Instruction is informed that as the schools were under Govt. management from the date of merger the provisions of Article 804 C.S.R. will apply to the teachers ~~employed in these schools~~ who held permanent appointments in these schools on that date in respect of their pensionary liabilities.

C. No. 84250 from the D.P.I. Roc. No. 823K2/48 d/22.10.49 p10 cf

—

The file relates to the future management of the State Secondary Schools in Pudukkottai. The State maintained two secondary schools under its management, the Brihadambal High School and the Rani's Girls' High School, Pudukkottai. In accordance with the policy of this Govt. it was ordered in Memo No. 23130 B2/48-5 Edn dated 22-6-48 that the two schools may be taken over under Government management until a local body is constituted for the area. (T) The question of transfer of management of the state secondary schools to the Dt. Bd. Tiruchirappalli ~~will be ordered~~ is proposed to be ~~ordered~~ taken up after the inclusion of the non-municipal area of the Pudukkottai state in the Tiruchirapalli Dt. Bd. area. M above.

44 42

pp 1-3 cf

2. In the meantime the public of Pudukkottai have represented that the two schools may be continued under Government management. They have stated that the Brihadambal High School, Pudukkottai has been a Government institution for over 60 years and that it is well equipped and adequately staffed. It has also been pointed out that several endowments and prizes have been instituted for the benefit of the students of the school only on the understanding that the school would continue to be a Govt. institution. They have submitted that the Rani's Girls' High School, Pudukkottai is also rich in tradition and that the two schools can maintain this high tradition only under Govt management. The D.P.I. has reported that there is no specific condition in the endowment deeds to show that the endowments would be tenable only as long as the school continues under Govt. management. He has, however, recommended that the Brihadambal High School, Pudukkottai may be retained under Govt. management if his separate proposal for the establishment of at least one secondary school for boys in each district is accepted.

para 1 on p10 cf

para 2 on p10 cf

This has been deferred – G.O. 3352 Edn 3/11/49 (Y)

12/11/49

3. The policy of the Govt. is ~~to~~ mainly to depend on local bodies and private agencies for the provision of facilities for secondary education especially for boys. In respect of girls, the policy of the Govt is to open schools directly under their management in centres where local bodies or private managements do not come forward to open new schools. It was only in accordance with this policy that the management of the Secondary Schools in the ex-state of Banganapalle ~~were~~ was transferred to the Dt. Bd. Kurnool. On the same analogy it would appear that the management of the two secondary schools maintained by the Pudukkottai State ~~should~~ may be transferred to the Dt. Bd. Trichy. As regards the proposal referred to by the D.P.I. it may be mentioned that the question of having at least one secondary school for boys in each district was ordered (in circulation) to be deferred. In view of this it is for consideration whether the Director may be requested to submit specific proposals for the transfer of management of the two secondary schools maintained by the Pudukkott

S 11/1

pp12-13 cf

pp14-15 cf

(Government Memo No.64387--BI/49-2 Edn. dated 11--1--1950)

From the Director of Public Instruction, Roc.No. 849-K2/49
dated the 6th March 1950.

The Director of Public Instruction has now reported that there are nine Government Middle Schools and one high school (in addition to the Brihadambal High School & Ranis Girls' High School in the area) ~~of~~ the Ex-State of of Pudukkottai. He enquires whether it is proposed to transfer all those schools to the local bodies, as in the case of the elementary schools and if so, he requests that orders transferring the schools within the municipal limits to the Municipal Council, Pudukkottai, and the ~~others~~ rest to the management of the District Board, Tiruchirapalli may be issued at an early date.

para 2 on p14 cf

page 15 cf

2. It will be observed from the list of schools in in the State on page 14 c.f., that there are two middle schools within the limit of the Pudukkottai Municipality, in addition

to the Brihadambal High School and Ranis Girls' High School and that the others are outside the municipal limits. It is doubtful whether the Municipal Council, Pudukottai, will be able to take over all the above four schools. If the council is not agreeable to run them under its management, they will have to be maintained either by Government or by the District Board, Tiruchirapalli. In continuation of the memo on pp. 12-13 c.f., the D.P.I. may be requested to consult the local bodies concerned whether they are agreeable to take the schools within their area. In the event of the Municipal Council, Pudukottai, being unable to take over any of the schools within its area, the Director may be requested to ascertain from the District Board, Tiruchirapalli whether it is willing to run them in addition to the seven middle schools + one high school outside the ml. limits. An ~~esto, ate~~ estimate of the cost to Government - (i) if the schools are transferred to the managements of the local bodies concerned and (ii) if any of them is to be maintained under the Government management - may also be called for from the Director.

3. The draft memo below is for approval.

C. No. 16580 From the D.P.I. Roc No. 80K3/50 d/14-6-50. pp42-43

The file relates to the future management of the State Secondary Schools in Pudukkottai area. There are nine Govt. middle schools and three high schools in that area. They are being continued as Government institutions pending a decision on the question of their future management. para 2 on p14cf A

2. It was ordered in Memo No. 23130 B2/48-5 Edn d/ 22-6-48 that the Brihadambal High School, Pudukottai and the Rani's High School for Girls may be taken over under Govt. management pending a decision regarding their future management. The Director was requested to consult the Dt. Bd. Tiruchirapalli and the Municipal Council, Pudukkottai whether they are willing to take over the management of the two schools and if so on what conditions. Later the D.P.I. was instructed to ascertain and report whether the local bodies are prepared to take over the management of the other 10 State Secondary Schools also. In view of the several representations received from the public of Pudukkottai, the D.P.I. was requested to offer specific remarks on the suggestion that at least the Brihadambal High School and the Rani's High School for Girls, Pudukkottai may be retained under Govt. T pp12-13cf pp16-17cf pp26-27cf

3. The D.P.I. has now reported that the Dt. Bd. Tiruchirapalli is prepared to take over the management of all the State Secondary Schools and grant Govt. scales of pay to the staff. The Municipal Council, Pudukkottai has not yet expressed its views in the matter. After his tours in that area, the Director, however, considers that the Brihadambal High School and the Rani's High School for Girls, Pudukkottai should be retained under Govt. He has pointed out that the public had contributed pp42-43cf para 3 on p42cf " para 3 on p42cf

PTO

liberally towards the construction of a new building for the Brihadambal High School, Pudukkottai and that they are very keen on the continuance of the two schools as Govt. institutions. The D.P.I. has recommended the retention of the two schools under Govt. management, ~~as he feels that they may not thrive under local body management~~. He has suggested that the future management of the ~~rest of the~~ other State Secondary Schools may be considered ~~subsequently~~ separately on receipt of the views of the Ml. Cl. Pudukkottai in the matter. para 3 on p42cf p43cf

4. The policy of the Govt. is to rely on local bodies and private managements for the provision of facilities for secondary education. It was in accordance with this policy that the Govt. ordered the transfer of management of the State Secondary Schools in the Banganapalle area to the Dt. Bd. Kurnool. It is also proposed to transfer the Vidyamandir Sandur, to the Dt. Bd. Bellary. ~~In the case of Pudukkottai~~

G.O. 1727 Edn. 9-7-48 not put up-

File sent to Fin/LA for acceptance of draft order.

The number of Secondary Schools in the Pudukkottai State area is large - 9 middle schools + 3 high schools - Although the Dt Bd Tiruchirapalli has agreed to take over all these schools, it does not seem desirable to saddle the Dt Bd with the extra cost of maintaining the schools in the municipal area - especially the two high schools - the Brihadambal High School for boys and the Rani's high school for girls. The transfer of these two schools to the control of the infant municipality is out of the question. The Director's proposal that the two high schools may continue to be maintained by Govt involves an ultimate recurring expenditure of Rs 39,000 33,000 per annum. As a rule, the Govt do not maintain any secondary school for boys under their own management except for Muslim boys for whom special concession was shown till now. The recent decision to take over the Hamidia High School at Kilakarai can also be said to be in accordance with the above policy as it is a Muslim Centre. It is therefore for consideration whether the Rani's high school for girls at Pudukkottai may alone be retained under Govt management and the Brihadambal

X on p21 cf

High School for boys may be transferred to the Dt Bd Tiruchirapalli or whether the two schools alone may as a special case be taken under Govt management finally.

The remarks of the Finance Dept. may be invited as.

S.U.M
29.6.50

Mr. See below
30.6.50

29.6.50

There is no doubt that the policy of Govt. is generally not to undertake commitments in respect of Secondary Education but ~~and~~ to rely~~ing~~ on local bodies for the purpose. The case of Pudukottai is different & will have to be governed by the conditions of the merger. In view of the public representations referred to by the D.P.I. and of his recommendations, his proposal that the two High Schools in question may be retained under Govt. management may be approved. The annual recurring expenditure is Rs 39,300.

Finance (E III)

Notes from p.10 above may be perused. The file relates to the future management of the Brihadambal High School for boys and the Rani's High School for girls, Pudukottai, which are now under Government management, pending a decision regarding their future management.

The D.P.I has now recommended the retention of the two schools under Govt. management, in view of the ~~xx~~ representations made to him during his recent tours and the public feeling prevailing there.

Education and Public have agreed to the D.P.I's recommendation to retain the two schools under Govt. management.

The financial implications involved (1) in Government continuing ~~the~~ to run the two schools under their management and (2) the cost of running the two schools with a half grant by Govt. are shown below.

If run by Govt.

p.19(a) y
M on p21 y
p.19(a) y
M on p23 y
A on p19(a) y

	Rs	
Brihadambal School ~~x~~for Boys.		
Staff	49,957	A
Contingencies	2,500	
Rani's High school for girls		
Staff	31,873	B
Contingencies	2,000	
Total cost	86,330	
Minus Fee Income	- 49,758	
	36,572 or 36,600 roundly p.a	

If run by local bodies on half-grant basis, the financial implications will be as shown below.

	Brihadambal High School for Boys. Rs	Rani's High School for girls Rs
Staff	49,957	31,873
Contingencies	896	767

The question is whether Government need finally undertake the management of the Boys' High School and Girls' High School, which were under the Pudukottai State Government's control prior to the merger, and which have been temporarily taken over by the Government, pending decision on the question of their future management, whether by the Government or the local body concerned. As the 2 schools are in the Municipal area, the Municipality has to take over the 2 schools and run them. But it is stated that slender finances of the Municipality will not permit of ~~taking over the management of the 2 schools~~ the 2 Schools being taken over under Municipal management. The District Board, Tiruchirappalli, seems to have come forward to undertake the management of the 2 schools. The figures on pp.13 and 14 above show the financial effect of the 2 alternative proposals (of the Schools being run by the Govt or by the Dt.Bd). It is ~~submitted~~ stated that the District Board has promised to give the staff Govt. scales of pay. Therefore the cost on account of the staff will be practically the same, whether the schools are run by the Government or by the Dt.Board. As regards contingencies, the D.P.I. has given a larger estimate if the schools are run by the Government. The reason for this difference is not clear. If the Dt.Board is to manage the schools as well as ~~when it is under~~ the Govt., they should not stint over contingent expenditure. If the contingent expenditure is also taken ~~xxxx~~ to be the same in either case and as the fee income will be the same, the net cost will be the same, whether under Govt. control or District Board's control. On this basis ~~it~~ will be cheaper for the Government to pay one-half of the net cost of maintenance in respect of the 2 schools, if they are run by the District Board than to incur the full net cost under Government management. Attention, in this connection,

p 42 cf

A & B on p 13 above &
C & D on p 14 above

Rs 36572 p 13 above

36572 18286

is invited to the previous Education Secretary's remark on p.4 above and to portion 'M' in D.P.I's letter on p.42 C.F. from which it will be seen that ~~in~~ regard should be ~~paid~~ had to the sentiments of the local people in matters of this kind. It would appear that the public are very particular that at least the Girls' High School should continue to be managed by the Government. It seems therefore sufficient, if the Govt. retains the Girls' High School under their control and transfer the Boys' High School to the District Board, Tiruchirappalli. This ~~is also in~~ may not be strictly in accordance with the existing policy of this Govt but a compromise seems called for in view of the sentiments of the local people. ~~which~~ This arrangement (also) ~~this Government and~~ will result in reducing the net cost to Government by about Rs 10,000/- per annum as shown below:--

M on p.42 CF

Z

cf. Z on p 3 above

A. Net cost of running the Girls' High School.	17,193
B. Half the net cost of the Boys' School to be paid as grant.	9,689
C. Total.	26,882
D. Net cost to Govt. if both the schools are managed by the Government.	36,600 p.13 above
E. Difference between C.& D.	~~9,718~~ ~~roundly.~~ or Rs 10,000 roundly.

Staff 31,873
Cnt. 2000
33,873 } H13 p14 above

Staff 49,957
Cnt. 2500
52,457
Fees 33078 (P20 CF)
19379 ÷ 2
= 9689

It may be stated in this connection that the D.P.I. has included a sum of Rs 2,578/- (in his estimates) under the Boys' School and Rs 1,914 under the ~~Girl~~ Girls' High School as compensation payable by the Government, if the schools are under Dt.Board management. He has not indicated for what purpose the compensation is payable and to whom. He may be asked to elucidate the point. If this is also to be taken into account, the net cost to the Govt. under 'B' & 'C' above will be increased by Rs 2,578/- and the saving referred to in E above reduced correspondingly.

p24 CF

R

20.7.50

~~A.D.S.~~/~~D.S.~~

There does not seem to be a good case for deviating from the general policy adopted by the Govt. in respect of secondary education. The public may have a case to insist on the two institutions being maintained and run to serve

Z on p 3 above

the needs of the people but not to say which agency should run them - the local body or the Government.

So long as the District Board, Tiruchirapalli, has come forward to undertake the management of the two schools and to give the staff, the Govt. scales of pay, it does not seem necessary for the Govt. to take charge of either of the institutions. If an exception is made in the present case, it may ~~create~~ become an inconvenient precedent in dealing with the other secondary schools in the locality.

X

In the circumstances, it would seem that the two high schools may be transferred to the management of the District Board, the Govt. liability being limited to the payment of the grants admissible to them under the Grant-in-aid Code.

21.7.50

~~D.S.~~

If the Education Dept. do not agree to the course suggested at 'X' above, they may take orders in circulation including H.M.Fin., as the proposal involves a deviation from the policy normally followed by the Govt. in regard to Secy. Education.

The Edn Dept. may also consider the suggestion at 'Z' on P.16 ante (which is a compromise between 'X' above and the proposal of Edn) before taking orders in circulation

Education Department (B)

The file relates to the future management of the State Secondary schools in Pudukottai area. The Pudukottai State maintained 9 Govt. Middle schools and three high schools out of which one Middle School has since been closed down for want of economic strength.

The other Secondary Schools are being continued as Govt. institutions pending a decision on the question of their future management.

2. The policy of the Government is mainly to depend on local bodies and private agencies for the provision of facilities for secondary education especially for boys. In respect of girls, the policy is to open schools directly under Government management only in centres where local bodies or private managements do not come forward to open such schools. The Ret. & Reorgn. Committee has recommended that even the existing schools under Govt management should be transferred to other agencies if they offer to take over ~~such schools. In accordance with this policy, it has been ascertained that~~ The District Board, Tiruchirappalli is willing to take over the management of all the State secondary schools in the Pudukottai area. The District Board has also agreed to adopt the Government scales of pay. The views of the Municipal Council, Pudukottai have not yet been received. But the slender resources of the infant municipality may not permit its taking over the management of any of the secondary schools within its limits. As it is desirable not to saddle the Dt Bd Tiruchirappalli with too many schools and ~~Even in the case of the District Board it was considered that it should not be saddled with too heavy a responsibility.~~ taking into consideration the public sentiment prevailing in the locality, this Department proposed that the two premiere institutions in Pudukottai town namely, the Brihadambal High School and the Rani's High School for girls may be retained under Government management ~~ment,~~ while the other secondary schools may be transferred to the District Board, Tiruchirappalli. While Public (Political) have agreed to the proposal, Finance have remarked that there seems to be no justification to deviate from the general policy of the Government in respect of the secondary education. They have suggested that the management of even these two schools may be transferred to the District Board as it has expressed its willingness to take over them also and adopt the Government scales of pay in respect of the staff. As an alternative they have suggested that in view of the representations received from the public the Rani's High School for girls alone

Supplementary Estimates for 1950-51 - Expenditure on the future management of the Govt. Secondary Schools in Pudukkottai area.

The Pudukkottai State maintained 9 Govt. Middle Schools and three High Schools, out of which one middle school was closed down in the current year for want of economic strength. Consequent to the merger of the state, these schools were continued as Govt Schools pending a decision on their future management. Orders have since been issued in G.O. No. 2211 Edn d/5.8.50 retaining the Brihadambal High School for Boys and the Rani's High School for girls at Pudukkottai under Govt. management. The management of the other nine State Secondary Schools has been transferred to the Dt. Bd. Tiruchirappalli which will be paid teaching grants on the basis of one half of the net cost of maintenance of the schools. This decision involves an annual recurring expenditure of Rs 36,600 on the maintenence of the two Government highschools and the payment of an annual recurring teaching grant of Rs 25,648 to the Dt. Bd. Tiruchirappalli. As a sequel to the merger, the responsibility of running the State Secondary Schools will devolve on this Govt. ~~But~~ and the entire expenditure would have been normally borne by this State. However in accordance with the policy ~~of~~ this Govt to rely on local bodies and private managements, it has been ordered that all ~~the~~ the schools except the two high schools at Pudukkottai may be transferred to the Dt. Bd Tiruchirappalli. This decision ~~amounts to~~ will result in a saving as the Dt. Bd will be paid ~~only~~ ~~half grant~~. teaching grant on ~~the~~ half the net cost basis. In the circumstances it does not seem necessary to treat this proposal as a "New Service" and move a supplementary estimate for the purpose. Finance may be

GOVERNMENT OF MADRAS

Please see the notes on pp 1-2 above. Consequent on the merger of the Pudukkottai it is incumbent on this Govt to maintain the institutions previously maintained by the Pudukkottai State. The schools in question ~~ke~~ are being run by this Govt and necessary provision has been made in Part I of the Budget for 1950-1. The proposal involves only a transfer of the schools to the local bodies (except two which are to be continued under the management of the Govt.) The net result will be a saving to the Govt as the Govt would ~~will~~ have ~~to~~ had to incurred more expenditure on maintenance had they continued to manage them instead of handing ~~over~~ them over to the local bodies. now they have only to pay ~~& paying them only~~ "grant-in-aid" which will be far less than actual management charges. In the circumstances it does not seem necy to treat the proposal as on a 'new service", with refce to ~~Considering only~~ the extra expenditure incurred on ~~the~~ "grant-in-aid" alone. ~~& ignoring the saving.~~
