G.O. No. 526, Education, dated 15th March 1948.

From the Director of Public Instruction, dated 9th May 1950, Re. No. 250 G1/50.

Order—No. 2221, Education, dated 7th August 1950.

Secondary School-Leaving Certificate completed has been prescribed as a minimum general educational qualification for appointment as Pandits and Munshis in high schools in Grade I on the highest scale, viz., Rs. 75 to 145 in non-Government schools and Rs. 85 to 175 in Government schools. A person is said to have completed the Secondary School-Leaving Certificate, if he has completed the Secondary School-Leaving Certificate course, appeared for the Secondary School-Leaving Certificate Public Examination and has his marks entered in the Secondary School-Leaving Certificate. The application of the orders regarding this qualification has given

rise to certain difficulties in respect of those who appear privately for the Secondary School-Leaving Certificate Examination and fail to secure required minimum number of marks, e.g., pandits and teachers who are permitted, as a concession, to appear privately for the Secondary School-Leaving Certificate examination. In order to obviate the difficulties, the Director of Public Instruction has recommended that Pandits and Munsis who appear for the Secondary School-Leaving Certificate Examination under the 1929 scheme privately and secure the following marks may be declared eligible for the highest scale of pay in Grade I:—

No. R.C. 250 G1/50 dated 9-5-1950.

Sir,

Subject:-

Schools- Secondary- Local Bodies- Pandits and Munshis-
Applicability of the term Secondary School Leaving Certificate-
Completed.

In G.O. No. P. 526 Edn. dated 15-3-1948 the possession of S.S.L.C. Completed has been prescribed as one of the qualifications for the Pandits to become eligible for the highest scale Viz. Rs. 75-5-145. This has given rise to certain difficulties and doubts in actual practice in respect of those Pandits who appear privately for the S.S.L.C. Examination and fail. With a view to obviating the difficulties, I am addressing Government.

The presumption in prescribing "S.S.L.C. Completed" for Pandits (for the higher scale of pay) seems to be that such Pandits would have general knowledge, even though they may not have passed the S.S.L.C. Examination. For those who had not passed through the High School for the whole course the only way to acquire the "S.S.L.C. Completed" qualification is by appearing as private candidates and passing the Examination. In the case of those who appear and fail the following alternative suggestion is recommended for consideration and orders.

In prescribing for Higher Elementary Grade Teacher appearing as private candidates for S.S.L.C. Examination a lower standard than that required for a pass to enable them to appear ~~for~~ as private candidates for Secondary Grade Examination, the principle was conceded that men of advanced age cannot so easily get pass marks as younger persons. The same privilege may be given to this class of Pandits who appear for the S.S.L.C. Examination privately and fail, and they may be required to get the following marks:-

First language	-	35 %
English.	-	30 %
Elementary Mathematics.		25 %
Elementary Science.		25 %
Outlines of History and Geography.		25 %
C. group.		20 %

and the Government may declare that the possession of such marks may entitle the person to the scale in question.

Yours faithfully,

It is not clear what is meant by having failed in one or two subjects - whether it means that they did not secure the prescribed marks for S.S.C. eligible or the marks prescribed for admission to public service and how such candidates qualify themselves for admission to the B.A. degree course - This observed from the laws of the Madras University.

that Candidates for the B.O.L. degree examination should have passed the Intermediate Examination with Group D or an examination accepted by the Syndicate as equivalent thereto. The position may kindly be explained clearly.

With reference to the above, I write to state that the candidates referred to, have not secured the prescribed marks both for S.S.L.C. eligible and for admission to Public Services. Such candidates can qualify themselves for admission to the B.O.L. Degree Course by passing the Intermediate examination with Group "D" or an examination accepted by the Syndicate as equivalent thereto. Admission to Group of the Intermediate Examination may be secured by passing the "Matriculation English" and the oriental Title entrance Test at one and the same appearance, (vide Rule 1(4) in Chapter XLII of the Laws of the Madras University, Page 75 of Volume II of the Calendar of the University of Madras for the year 1948-49). Thus it may be seen that S.S.L.C. Qualification is not necessary for obtaining the B.O.L. Degree.

those prescribed for Higher Elementary Grade Trained Teachers -
Certificate holders who appear for the S.S.L.C.Examination with a

with reference to Secretary's remarks above, it is subd that when the revised scales of pay for pandits were fixed in 1947, S.S.L.C eligible was prescribed as qualification for First Grade Pandits. - Later on in connection with the further revision of those scales, the DPJ pointed out that if S.S.L.C. eligible is prescribed as a qualification for B.O.Ls a very large number of them would become ineligible for Grade I appointments. He suggested that the minimum general educational qualification for holders of B.O.L. degree should be S.S.L.C. completed. This suggestion was accepted. Vide note for the Cabinet para 3 on p 121 nfin that go. It is for consideration whether the DPJ may be consulted whether the qualification may be changed into S.S.L.C. eligible if so. the draft memo submitted below is for approval.

According to the laws of the University Candidates for the B.O.L. The DPJ has explained clearly how it is possible for candidates who had secured the prescribed marks both for S.S.L.C. eligible & for admission to Public Services to qualify themselves for admission to the B.O.L. Degree Course. If S.S.L.C. eligible is fixed as the general educational qualification for Pandits in Grade I, it will affect B.O.L. holders.
