Sir,

SUB:- Hostel - Queen Mary's College, Madras
Appointment of a Deputy Warden in the cadre of Assistant Lecturers:

REF:- Government Memorandum No.91148/1/47-A Education, dated 17th January 1948. p1 ante

*****

The Principal, Queen Mary's College has requested that a Deputy Warden in the grade of an Assistant Lecturer may be appointed for the hostel attached to the college. The main duties of the Assistant Lecturer will be in the hostel and the residential section of the college, but she will be allotted light lecturing duties in order to keep in contact with the collegiate side. The Principal has suggested that the Assistant Lecturer may be given free quarters and free boarding without any special allowance. I consider that there is no justification for the grant of free boarding and that the Assistant Lecturer may be allowed free quarters and be granted an allowance of Rs.15/- per mensem as in the case of the Resident Deputy Warden for the Women's Hostel attached to the Presidency College - vide G.O.No.2201, Education, dated 11th October 1947. I, therefore, request that Government may kindly sanction the employment of a Residential Deputy Warden in the grade of an Assistant Lecturer with effect from the beginning of the academic year 1948--49.

2. In their Memorandum No.91148/2/47-A, Education dated 28th January 1948, Government have suggested that the Physical Directress of the College may be utilised to help the Principal in her work as Warden of the hostel. It is reported that the Physical Directress has expressed her inability to come into residence in the hostel due to family responsibilities.

With reference to the alternative suggested in the above Government Memo, the Principal, Queen Mary's College, Madras, states that, retaining the existing House Keeper, one of the Assistant Lecturers of the College may be appointed as a residential Deputy Warden as an experimental measure and that the question whether the Deputy Warden should be a full-time officer or whether her lecturing duties should be reduced may be considered later in the light of experience. The residential staff are allotted certain duties in addition to their usual college work and these duties will continue even after the provision of a Deputy Warden. Every residential staff is in charge of a definite group of students and is expected to look after their welfare. In addition they are Tutors in charge for 1 day in turn to check up out register and visitors' register.

A

The House-Keeper who is a nurse in charge of sick room has definite duties which include the care of the flats, daily round of the college along with the residential Doctor, supervision of the milking arrangements, night lock up

Experience has however shown that the management of the dining room and its accounts, rations routine, interview of students coming in and going out of residence requires one single person to be affixed with this responsibility. It cannot be undertaken by the Housekeeper on a salary of Rs.75/- nor by the members of the staff performing their full quota of normal teaching duties. The appointment of such a Deputy Warden will also relieve me of merely routine duties which take so much time and leave me free to look after the general supervision. It is for these reasons that I proposed the appointment of a Deputy Warden and I feel this is essential in the interest of greater efficiency in the working of the college.

The Hon'ble Minister (Finance) was not in favour of sanctioning the post of a residential Deputy Warden in view of the fact that the Principal was holding the post of a residential Warden. He suggested for my consideration the desirability of suggesting to the Principal that she should vacate the quarters and reside in her own house in Mylapore in which case the proposal for creating a Deputy Warden's post could be considered. According to G.O.No.1016, Law (Education) dated 30-5-30 the Principal is entitled to get rent-free quarters. G/8-9

In continuation of my D.O. dated 7-8-1949 I submit the following remarks:-

2. According to G.O.No.1016 Law (Education) dated 30-5-193 ten members of the teaching staff of the college in addition to the Principal, are allowed rent-free quarters. Six other members of the staff are also provided with rented quarters in the college and I am unable to trace out the number and date of the orders sanctioning such provision. The residential accommodation for the above members are provided in the following blocks:-

Rent-free.

1. Sankar Bungalow:- 1 Ground floor: Principal.
2 First floor north: Miss Rajamani, Lecturer in Tamil.
3 -do- south: Vacant.

2. Beach House cottage:- 4 -do- North: Miss Rangacharlu, Lecturer in Nutrition.
5 -do- South: Mrs. Devaki Menon, Ass Lecturer in Sanskrit.

3. Jeypore Block:- 6 Ground floor:North: Miss A.H. Joshua, Lecturer in Natural Scienc
7 -do- South: Miss K. Ranganayaki, Asst. Lecturer in Physi
8 First floor North: Miss T. Duraiswami, Ass Lecturer in Natural Science.
9 -do- South: Miss R. Radha, Asst. Lecturer in Geography.

4. Stone Block:- 10 Ground Floor South: Mrs. Mandakini Bai, Asst. Lecturer in Hind

5. Pentland Block:- 11 -do- North: Miss A. Saraswathi, Ass Lecturer in Chemistry.

+ House Keeper

Total = 12

Rented.

1. Beach House Cottage:- 1 Ground Floor North: Miss Masilamani, Demonstrator in Physics.
2 -do- Centre: Miss K. Nathaniel, Ass Lecturer in Mathematic
3 -do- South: Miss R. Neela, Asst. Lecturer in Household Arts.

2. Stone Block:- 4 -do- North: Miss Jagathambal, Asst Lecturer in

3. **Pentland Block:-** Ground Floor South: Miss Thomas, Assistant Lecture
in English.

The sixth member was also accommodated in one of the blocks referred to above. Of these blocks, the Sankar bungalow and the Beach House Cottage are to the south of the main building of the college while the remaining blocks are in the main building itself. It may be seen that at present, excluding the Principal, only 9 members of the staff are actually occupyin the rent-free quarters. The set of rooms in the first floor of the Sanka bungalow intended for the tenth member has been kept vacant from 6-5-1948 the date on which it was vacated by the previous occupant and it is now reported by the Principal that this has been done in ~~view~~ order that she could occu py the rooms herself after obtaining the necessary permission. She has also reported that the rooms are rent-free quarters, there was no question of loss of rent. For office purposes, the Principal is having in the grou floor 4 rooms, one of which is used as a conference room. I fail to see any justification for reserving all the four rooms for office purposes. While there may be a need for a room in her residential block for office work, there is no necessity to set apart a room for holding conferences whi should normally be conducted only in the college premises. The action of the Principal in having kept vacant the set of rooms in the first floor fro 6-5-1948 with a view to occupying them was unauthorized and irregular when there was no ~~central~~ actual need for any extra accommodation. Though it was rent-free quarters it could have been allotted to some other member of the staff on a rental basis and therefore the statement of the Principal that there was no loss of rent cannot be accepted. I would, therefore, recommend that rent for the vacant quarters at the rate fixed by the Public Works Department may be recovered from the Principal from 6-5-1948.

3. The question has now to be considered as to whether there is any need to continue to provide in the college accommodation for a large number of the staff especially when provision of additional hostel accommodation for the students has become necessary. As the staff now occupying rented quarters are not expected to be actively associated with the administration of the hostel, there is no need to provide accommodation for these members and the existing concession may be withdrawn from the closure of the college for the ensuing summer vacation. Secondly there is no need to provide rent-free quarters to ten members of the staff as at present. I may state that though these members are expected to do tutorial work, I find that very little work is being done by them. It was my intention to recommend the employment of full-time Resident Tutors for this work (vide my letter R.C.No.1829 K2/48 dated 17-5-1949) but in view of the fact that young and inexperienced women would be in charge of the inmates at nights, I do not press for such appointment in the case of this college. Senior members of the staff as at present may be continued but the number may be limited to six instead of ten and they be assigned definite work in the hostel in return for the concession of free quarters provided for them. Thirdly I suggest that the Principal who is the Residential warden may be asked to take her residence outside the College in her own house and vacate the college quarters. In the midst of ~~the~~ heavy work as the head of the institution, she can hardly find time to attend to the work of the hostel which is so vital in a big residential institution. She can, however, continue to be the ex-officio warden of the hostel as in the case of the Principals of other colleges having hostels. In place of the warden, an experienced member of the college staff may be appointed as Residential Deputy Warden with the usual allowance. The present rent-free quarters of the Principal may be allotted to the Deputy Warden. For actively assisting the Deputy Warden in the administration, I consider that there should be two Resident Tutors in the scale of Rs.80-140. Their appointment will be in the college establishment but their main duties will be in the hostel and assist the Deputy Warden. They would, however, be assigned some light work in the college like the supervision of composition classes and valuation of note books. They may also be provided with free-quarters but without any extra allowance. The existing blocks may be allotted as rent-free quarters in the following manner:-

1. Beach House Cottage	..	5 members.
2. Sankar bungalow:-		
Ground Floor	..	2 -do-
First floor	..	2 -do-

54

55 (30)

The blocks other than the above now used by the staff in the main building may be used as hostel for the students and about 50 studen could be accommodated in them if some extra bath rooms are provided

and rented

4. I request that Government may agree to the above proposa and issue early orders as the members of the staff who are not ~~x~~ to be allowed rent-free/quarters have to be given sufficient time befo they are asked to vadate the quarters.

I have the honour to furnish the particulars seriatum:-

(1) In the beginning of the academic year the Principal sought permission to accommodate 235 students in the hostel as against 175 fixed by the Public Works Department and this was granted in Memorandum No.68571-2/49 A Edn. dated 22-10-49. The number of inmates on 31-3-50 was only 196.

(2) Excepting the House Keeper no other clerical establishment has been sanctioned for the hostel.

(3) The duties of the ex-officio warden will be the same as the wardens (Heads of institutions) of other Colleges. Though the warden will have no duties connected with the actual running of the hostel, she is responsible for the efficient working of the entire hostel. She will advise the Deputy warden on any changes with a view to improving the efficiency of the working of the hostel. The six members of the staff who are allowed rent free quarters will be assigned definite duties in the hostel. Each of them will be responsible for the welfare and descipline of a group of about 40 inmates.

(4)The present House Keeper who is a Nurse in charge of sickroom has also been assigned the duties of the flats, care of daily round of the college along with the Residential Doctor, supervision of the milking arrangements and locking up of the gates at nights. There is at present no responsible person to look after the management of the dining room and its accounts, ration routine etc., and it is not possible for the proposed Residential Deputy Warden to look after these duties efficiently without assistance. It is therefore necessary to appoint two Residential Tutors.

M S

(5) The only other Colleges for women are the College at Guntur and the Lady Willingdon Training College, Triplicane There is however no hostel in the former College. There are 3 hostels attached to the Lady Willingdon Training College, with a total strength of 111 students on 31-3-50. (1) Graduate hostel for B.T. students (2) Ice-House and Non-Brahmin Hostel for the High School and Training students. For the graduate hostel the employment of a Deputy Warden in the scale of Rs.35-60 in place of the matron has been sanctioned vide G.O.No.2931 Education dated 23-11--48. For the Ice House hostel there is a Matron on Rs.30/- per mensem besides a part-time Superintendent on an honorarium of Rs.15/- per mensem. For the Non-Brahmin Hostel, there is only a part-time Superintendent.

Y/7-8 c.f.

In regard to para 2 of the Memorandum I may point out that the Resident members of the staff of the Queen Mary's College have to be allotted work in the hostel only in return for the concession of rent-free quarters. Their major work is still in the College and they can therefore be hardly expected

In para 1 (5) Government have ordered that the provision of residential accommodation in the College for members of the staff who are not expected to be actively associated with the administration of the hostel be discontinued. Even though I had instructed the Principal to inform all the members of the staff who are either provided with rent-free or rented quarters that they would have to vacate the quarters from the beginning of the current academic year, representations, were made that the members would be greatly inconvenienced as there was considerable difficulty in securing rented accommodation at short distance in the city. After further discussion with the Principal and in view of the late receipt of the views of the Government and the fact that all the students who had sought residential accommodation have been provided for, it was decided to address Government to permit ten members of the staff to have rented accommodation in the College for the current year. I am instructing the Principal to inform these members that this concession may be applicable only for the current year as a special case and that they must vacate the quarters at any time after the vacation and before the commencement of the next academic year. I request that the approval of Government may kindly be obtained for this arrangement.

The strength in the Queen Mary's Hostel has increased considerably. Where there were 2, we have put 4, where there was one, we have put 3, and the hostel strength has more than doubled.

Previously, when Miss Myers was the Principal, she was also the Warden of the Hostel. She was an unmarried woman and living in the hostel. Now, the Principal is a married woman. Though she takes considerable pains, she is not able to give proper attention to the inmates of the hostel, because of the increased strength of the Hostel and the College. It is necessary that we should have a full time Deputy Warden of the cadre of an Assistant Lecturer. I have had a talk over the matter with the Principal herself and she tells me that she very much needs an Assistant. I have also had a talk with the D.P.I. and he also thinks that a separate person to take care of the hostel is necessary. And so, proposals may be put up for the appointment of an whole-time Deputy Warden on the cadre of an Assistant Lecturer.

Recently, the D.P.I. submitted a proposal for the employment of Residential Dy. Wardens with the qualifications and pay of Asst. Lecturers for hostels attached to the Queen Mary's College and the Lady Willingdon Training college, in the place of the housekeeper or matron now employed. The Director was then asked to state the arrangements now obtaining in the hostels for the supervision of the Students and whether any members of the staff were being allowed to live in with the students in the hostels; and if so, on what terms. The Director then stated, in reply, that, on further consideration, it was unnecessary to have residential (i.e. wholetime) Dy. Wardens in the grade of Asst. Lecturers and that th

The point is why a member of the staff, like an Asst. Lecturer, who lives in hostels, should not be merely appointed as Warden, and why a full-time warden should be an Assistant Lecturer when presumably there will be no work for her to do in the College at all & there will be no work in the College, either, which will justify an extra post of Assistant Lecturer. Draft will be modified to bring these points out, if the proposal is to be pursued.

The Supervisory machinery suggested by the DPI appears to be rather top-heavy. For a complement of 200 students he has suggested 6 members of the teaching staff plus, 2 tutors whose duties will be purely administrative (maintaining the accounts, issue of rations etc). It is quite necessary to curtail expenditure to the barest minimum consistent with efficiency of administration and I would suggest 1 tutor to start with. Revised note

Hostel - Queen Mary's College. Madras - Re-organisation

Cf. From the D.P.I. No. 1317 Ka/47 of 14.x.50

The Principal and 10 members of the teaching staff of the Queen Mary's College, Madras, were allowed rent free quarters in the College in return for hostel supervision work done by them. In addition, six other members of the staff, were provided with rented quarters in the College. In Jan last, the D.P.I examined certain matters concerned with the organisation and supervision of the hostel and whether such a large number of members of the staff should be provided with quarters in the College when addl hostel accommodation for students was necessary. He submitted certain proposals which were approved in G.O. No. 2223 Edn of 7.8.50. According to those orders, (1) the Principal was permitted to have her residence outside the College, (2) an experienced member of the College staff was appointed as Resident Dy Warden and the rent-free qurs occupied by the Principal allotted to her, (3) Six senior members of the College staff were provided with rent-free quarters and assigned definite work in the hostel in return for free qurs, (4) a resident tutor was appointed and provided with rent free qurs, (5) the provision for residential accommodation in the College for members of the staff who were not expected to be actively associated with the hostel was discontinued and (6) the blocks of qurs which thus became vacant were ordered

to be used as hostel for students.

2. The D.P.I now reports that representations were made to him by the staff affected regarding the difficulty in securing accommodation, that after discussion with the Principal he has permitted 10 members of the staff to have rented accommodation in the College for the current year and that he is instructing the Principal to inform the members that this concession may be applicable only for the current year as a special case and that they must vacate the quarters at any time after the vacation and before the commencement of the next academic year. The Dir requests that this arrangement may be approved. In the circumstances stated, the Dir's action in having permitted 10 members of the staff to have rented accommodation in the College for the current year, may be approved.

Cf

3. Certain members of the staff of the College have been occupying quarters in the College for a number of years, either rent-free or on payment of rent. The accommodation position in the city being what it is, it will be hard on them if they are deprived of the quarters and made to seek accommodation outside. Being ladies, houses far off the College or outside the city & with all the transport and other difficulties, will not be desirable. The members will find it difficult to meet the high rent outside the College. The College being a women's institution, it is desirable, that as many members of the staff as possible are accommodated in its premises. They will then be able to exercise an healthy influence on the students, besides being available always to help them in their studies. The Dir has stated that all the

Cf

students) who had sought residential accommodation have been provided for.

X

In these circumstances, it is for consideration whether the Dir may be informed that if the quarters are not actually required for the students for hostel purposes, the members of the staff may continue to occupy them on payment of rent, after the current year also.

The orders in para 1(5) of G.O. No 2223 Edn dated 7.8.50 were based on the recommendation of the D.P.I. The D.P.I has now stated that he has permitted 10 members of the staff to have rented accommodation in the Queen Mary's College Hostel, Madras for the current year as a special case and has requested that his action may be ratified. For the reasons mentioned in para 3 of their note on pp 2-3 above, Edn, however, propose to ~~[illegible]~~ extend the above concession even after the current year. There is no information as to how long the above concession should continue. As the original orders were based on the orders in circulation, it is presumed that orders will be taken in circulation for the present proposal also.

Under the orders in G.O. No. 2223 Edn of 7.8.50, members of the staff of the Queen Mary's College, Madras, who are not actively associated with hostel work, have to vacate their residential accommodation in the College. On representations from the staff about the difficulties in securing accommodation outside, the D.P.I has, in consultation with the Principal, permitted 10 members to have rented accommodation in the College for the current year. It is proposed to approve the Dir's action. It is also proposed to inform the DPI that if the quarters are not actually required for the students for hostel purposes, the members of the staff
