[Despatch Abstract.]

The buildings are to be of a semi-permanent nature at present in order to complete the construction work in as short a time as possible and to shift the school from the rented premises by at least the end of July 1950.

The school site has been inspected by the District Educational Officer and the District Health Officer and copies of the approval accorded by the above officers are herewith submitted. The owner of the site has consented to submit himself to the proceedings under the Land Acquisition Act for acquiring the above land and has also agreed to handover possession of the land on a monthly rental of Rs.50/- till such time as the land acquisition proceedings are completed. A copy of the consent letter from the owner of the land Janab K.Asanalli Sahib is also submitted herewith.

The approximate cost of the semi-permanent buildings proposed to be put up in the site is estimated to be Rs.6500/-. The Panchayat board has in its resolution No.42 dated 27-5-50 (copy enclosed) requested the Government to accord sanction for incurring the above expenditure on the leased site.

A statement showing the financial position of the panchayat board is herewith appended. A sum of Rs.34,077/- being the opening balance for the year 1950-51 is available and the expenditure will be met from this amount.

As the necessity for the construction of the buildings is extremely urgent and unavoidable, I request that the Government may be pleased to accord sanction to incur the necessary expenditure from the funds of the Arkonam Panchayat Board.
