Ref. No. 862/50.

Dated 15.7.1950

Dear Sir,

While we are thankful to you for the quarterly Grant of Rs.1875/- sanctioned in G.O.Ms.No.1435 Education dated 6th May 1950 we feel considerably handicapped financially in carrying on our work and paying our Organising Commissioners regularly and meeting the additional expenditure consequent upon expansion of our activities. As already mentioned in our letter dated 3rd May 1950 our programme of activities is ambitious and extends over all the months of the year and lack of ... finance is likely to interfere with the implementation of the programme. The question of Amalgamation has now been finally decided upon by the Two Triennial Conferences of our All India Body and steps have already been taken to implement the resolution on Amalgamation. Amalgamation will take place on or after 31st October 1950 as soon as the legal formalities are completed. We therefore request that you will be pleased to sanction a further half yearly grant to all the three Associations to enable us to carry on our activities without any impediment till the Amalgamation. As it will be sometime before the Grant can be made available to the Amalgamated Association after it is formed a half-

P.T.O.

yearly grant now will enable all the amalgamating units to have sufficient funds to carry on the united administration from the time of the Amalgamation until the grant is received from Government.

We hope you will be pleased to ~~pass orders~~ early granting all the associations a half-yearly grant upto 31st December 1950.

Yours faithfully,

Chenkarunthan

Note: A provision of Rs. 21,000/ has been made in the current year's budget for the payment of grants to the three Scout Associations in this state. Pending the amalgamation of three Associations into one, sanction was accorded in G.O. No. 35 Edn d/6.5.50 to the

payment of the grant due to the Boy Scouts Association
 for the first quarter in 1950-51. The President of the Association
 has now reported that the amalgamation will take place
 only on or after 31-10-50 and that the Association will require
 funds to carry on its work till that time. He has therefore
 requested that the Association may be paid the grant
 due to it for the half year ending 31-12-50. It is submitted
 that it has been the practice to sanction grants to these
 Associations once a quarter. Also on an earlier representation
 from the Hindustan Scout Association, Madras, orders are
 under issue sanctioning the payment of the grant due to
 it for the second quarter. In the circumstances it is
 submitted that in this case also sanction may be restricted
 accorded to the payment of the grant due to the Association
 for the second quarter.

The draft order overleaf may be circulated to
 H.M. (Edn) for approval after perusal by Finance.
