The letter from the Government of India, Ministry of Labour on p.l c.f. may be perused. They have issued an appeal to employers' organisations to grant industrial workers a paid holiday on 15th August 1950 and have expressed hope that State Governments will use their good offices to persuade all employers to fall in line with this policy.

Last year the Government of India did not issue a similar appeal and this Government therefore decided to leave it to the good sense of employers to grant a holiday or not on 15th August 1949. In view of the decision of the Government of India that 15th August 1950 should be observed as a paid holiday for workers it is for consideration whether action may be taken by this Government on the following lines:-

- (i) A press note may issue appealing to the employers to grant a paid holiday on 15.8.1950 to workers in their employment;
- (ii) Important organisations like Southern India Mill Owners' Association, Coimbatore, Employers Federation of South India, Madras U.P.A.O.I., Coimbatore, and S & C Mills, Madras etc. may be addressed by Government direct.
- (iii) The Commissioner of Labour may be asked to address other important employers;
- (iv) Heads of Departments under Development Department may be asked to grant a holiday to workers in establishments under their control; and
- (v) A copy of India's letter with a copy of this note may be sent to other Departments of the Secretariat (excepting Legal and Finance) for necessary action.
