No. R.O.C. 1079-W2/49 dated 2nd May 1950.

Sir,

Subject:-

WAR- Educational Concessions to Children and dependants of
soldiers- Irregular grant of concessions- 1945-46 to 1947-48.

Thayabureswari, a pupil of the Doveton-Corrie Girls' High School, Vepery was granted educational concession under G.O. No. 610 Education dated 20-4-1945 during the years 1945-46 to 1947 by the Inspectress of Anglo-Indian Schools, Madras on the strength of the poverty certificate granted by the Tahsildar. As the pupil was only an adopted daughter of the Soldier Ekanbaram, the Inspectress of Anglo-Indian Schools should not have sanctioned the concession without obtaining the orders of the Government-vide G.O. No. 1178-Bdn. dated 1-9-1943.

2. The Inspectress of Anglo-Indian Schools however reports that it is only an omission to get the prior sanction of the Government. The concession for 1945-46 was sanctioned by her predecessor in office viz C.M. Cavanagh who has since retired from service and the sanctions accorded in 1946-47 and 1947-48 were renewals by the present Inspectress. The amount of concessions granted is reported to be Rs.320/-

3. In the circumstances reported above and as it is only an omission to get previous orders of Government, I recommend that Government may be pleased to ratify the action of the Inspectress of Anglo-Indian Schools, Madras in having granted the concession to the pupil.

Yours faithfully,

K. S. S. S. S. S.

for Director of Public Instruction.

War - Educational concessions to children and dependants of soldiers - Irregular grant of concession to an adopted daughter of an ex-service man.

From the DPI, No. Roc, 1079-W2/49, dated 2-5-1950.

The D.P.I., in his letter read above, has brought to the notice of Government that educational concession to the children and dependants of the Defence Service personnel under G.O.No. 610 Education, dated 20th April 1945 was granted to one Thayabureswari, a pupil of the Doveton-Corrie Girls' High School, Vepery, as the pupil was an adopted daughter of soldier Ekambaram. The D.P.I. also states that this concession should not have been sanctioned without obtaining the orders of Government with reference to G.O.No. 1178 Education dated 1st September 1943, and that it is only an omission in the present case to get the prior sanction of Government. The officer (viz., the Inspectress of Anglo Indian Schools, Madras) responsible for this irregular grant of concession is stated to have since retired from service. and that the above concession was renewed for the years 1946-47 and 1947-48 by her successor. The amount of concession granted is reported to be Rs 320 during the three years from 1945-46. The D.P.I. now ^{requests that} ~~wants to ratify~~ the action of the Inspectress in having granted the concession irregularly. ^{may be ratified.} Attention is, in this connection, invited to portion marked 'A' on page 1 of G.O.No. 610 Education dated 20-4-1945. From the discussions in the Legal Department's note on page 8 of G.O.No. 1178 Education dated 1-9-1943, it appears that the pupil in the present case, being the adopted daughter of soldier Ekambaram, is not entitled to the concession. Legal and Finance may see the case for remarks.

The girl came to the office some days ago and she said that she is a Harijan (Kandian). According to Legal's note on page 8 of G.O. at B adoption of daughter is valid only in two cases - the first in Malabar where females are adopted in order to perpetuate the Tarwad

and the second among the dancing girls of Madras.
The girl in question does not come under any of
these categories and so the grant of the concessions to
her was a mistake on the part of the Inspector.
As the girl is a Harijan and the officer
who began to grant the concessions has retired
from service the amount so far paid may be
written off and the ~~concessions~~ ^{grant of the concessions} may
be discontinued. For orders. Finance may see.

Perhaps she can be helped from the
Harijan Welfare fund - if she is really
poor. $\frac{57}{7/50}$ $\frac{6}{7/50}$

There are two main reasons for the
 delay in the completion of the
 work. The first is the lack of
 funds. The second is the lack of
 interest. The third is the lack of
 organization. The fourth is the lack
 of time. The fifth is the lack of
 energy. The sixth is the lack of
 patience. The seventh is the lack
 of determination. The eighth is the
 lack of courage. The ninth is the
 lack of faith. The tenth is the
 lack of hope. The eleventh is the
 lack of love. The twelfth is the
 lack of kindness. The thirteenth
 is the lack of gentleness. The
 fourteenth is the lack of meekness.
 The fifteenth is the lack of
 self-control. The sixteenth is the
 lack of peace. The seventeenth is
 the lack of joy. The eighteenth is
 the lack of goodness. The nineteenth
 is the lack of purity. The twentieth
 is the lack of peace. The twenty-
 first is the lack of joy. The twenty-
 second is the lack of goodness. The
 twenty-third is the lack of purity.
