In continuation of my letter cited I may report that the Government of India sanctioned in 1917 two non-recurring grants of Rs.25,000/- each and a recurring grant of Rs.50,000/- per annum for two years 1919 and 1920 for establishing in this Presidency a Training College for the domiciled community at Lovedale. This scheme did not materialise and the Government of Madras in concurrence with the Government of India ordered in G.O. No.167 Law Education dated 29-1-23 the investment of this Imperial grant of 1.50 lakhs (with accumulated interest amounting in all to 1.68 lakhs) in the name of the committee of the Lawrence School Lovedale, on fixed deposit with the Imperial Bank of India, for the opening of an aided training School for European and Anglo-Indian Women, at Lovedale, attached to the Lawrence School, Lovedale. Thus the training School for European and Anglo-Indian Women came into existence with effect from 1st May 1923. (N)

(X)

2. In G.O. No. Mis. 1545 Education dated 24-7-1928 Government ordered the closure of the Training School at Lovedale with effect from 1-1-1929 and in G.O. No.2470 Education dated 25-12-1928 sanctioned the opening of a Training School for European and Anglo Indian Women at Madras with effect from the same date 1-1-1929, and the interest accruing on the said Trust Deposit was utilised in the maintenance of the Training School at Madras- the deposit standing in the name of the Director of Public Instruction and the Secretary and Treasurer of the Doveton Training School Committee. (J)

3. The Doveton Training School, Vepery, Madras was closed with effect from 1-1-49. Please see G.O.No.Ms.282 Education dated 11-2-48. U/ ADS-6

4. It may be seen from the above that the amount invested is no private endowment made on behalf of the Doveton Training School Committee. The trust deposit represents the grant of the Government of India and the specific purpose for which it was created was for the establishment of a training School for European and Anglo-Indian Women in this Presidency. The transfer of the Trust funds held by the Doveton Training School to the Doveton-Corrie group of Boys and Girls High School does not seem to arise. The trust funds and the interest derived from them can continue~~d~~ to be utilised for the purpose for which they were intended though in respect of other Training School.

5. My proposals for utilising the trust funds and the interest derived from them will be submitted to Government in due course.

Yours faithfully,

In continuation of my letter referred to above I have to state
that the amount to the credit of the trust fund as on 31-12-1948 with
the Reserve Bank of India, Madras is Rs.2,16,400/-. The half yearly
interest from the funds is 3320--4--0. Deducting commission Rs.8--6--0
the net amount of interest available for utilisation is Rs.3311--14--0.
The annual interest available for use will be Rs.6623--12--0. There is
also an unspent balance of Rs.2179--7--4 with the Secretary and Treasurer
of the Doveton Training School on the date of its closure on 1-1-1949.
From the date of creation of the fund, it has been used solely for
running a training school for Anglo.Indian Mistresses. I, therefore,
recommend that the funds may continue to be used for the training of
Anglo Indian Teachers for another ten years, the period of protection
given to Anglo-Indian Schools. The interest may be ordered payable to
the existing two Anglo Indian Training Schools viz.,

1) Church Park Training School, Madras.
2) St. Teresa's Training School, Cannanore.

which trains anglo Indians for teaching profession in the following manner.

A

1) Church Park Training School Rs.4000/- per annum or Rs.2000/- half yearly.

2) St. Teresa's Training School Rs.2623--12--0 per annum or Rs.1311--14--0 half yearly.

B

These schools may be required to show the interest received in the
Financial Statements of their schools. The interest will be taken
into account as an admissible item of receipt for purposes of assessment
of Teaching Grant.

2. If my proposals are accepted, separate proposals for adding
the unspent amount on 1-1-1949 to the Capital of the fund will be
submitted in consultation with the Reserve Bank of India.

EDUCATION DEPARTMENT

ASSISTANT SECRETARY
14 MAR 1950

EDUCATION DEPARTMENT

To,
The Secretary to the Government
Madras,
Education Department
Fort S. George.

From,
The Hony. Secretary
Doveton Corrie Protestant Schools Association
Madras.

Sir,

I am desired by the Association to make the following representation for the favourable consideration of the Government.

2. The Govt. decided in 1923 to establish a training school for European and Anglo-Indian women at Lovedale in conjunction with the Lawrence ~~x~~ Memorial School. Govt. ordered that the accumulated amount of what was called the Imperial Grant of Rs.1,50,000/- be placed at the disposal of the Committee of the L.M.School subject to the fund being kept in a separate training school account. It appears that the Imperial Grant was a grant which had previously been sanctioned by the Central Govt. for a training school to assist the Protestant education of the community.

Subsequently in about 1928, the Training School was transferred from Lovedale and was set up in Madras, being run in connection with the amalgamated Doveton & Bishop Corrie school. ~~Thx oxigx~~ The Govt. then gave permission to run the school for both men and women as there was no institution for the training of men in this Province. The original Imperial Grant was Rs.1,50,000/- but the funds now said to represent the Grant now amounts to approx. Rs.2,00,000/- and it seems probable that other sums available for Protestant education may have been added to the original Imperial Grant although there is apparently no record o this. It is clear that the fund is a fund impressed with a trust for Protestant education and in that connection was for many years used to endow the Training School. The Doveton Training School ~~was~~ for some reason was ordered to be closed as from 1.1.1948 and Govt. passed an order that the endowment funds should be used for the Doveton Corrie Schools. This would appear to have been a fair and proper order becaus the fund was definitely a fund for Protestant educational purposes and if it could not be used for the Training School owing to the school having to be closed on Govt. Orders, it was only proper that it should be used for some connected Protestant educational purpose. It seems clear from the above history and resume,

1. that the fund is now a mixed fund formed partly from the Imperial Grant and partly from miscellaneous contributions from Protestant sources.
2. that the fund is a trust fund impressed with a trust for Protestant educational purposes.

3. The Hon'ble Minister for Education was pleased to receive a deputation of the Association on 8th February last on the subject and asked the Association to draft a scheme for the utilization of the Fund. The Association have carefully considered the matter. They find it impracticable at present to reinstitute a Training School for men and women and have therefore prepared a scheme outlined in the Appendix

p11infra

for the utilization of the Fund. The Association request that the Govt. may be pleased to sanction the scheme and transfer the Fund to the Association as suggested therein. The Association is prepared to wait in deputation and explain the scheme further if necessary.

4. With the closure of the Doveton Training School there is no institution for training Anglo-Indian men as teachers in Secondary schools in this Province.

5. The Doveton-Corrie Protestant Schools Association has been registered under the Societies Registered Act, 1860. A copy of the Memorandum of the Association with the Rules and Regulations is forwarded for reference,

The Treasurer may authorise the transfer of funds for these purposes from the Central Fund Account to the respective School Accounts without the countersignature of any other member of the Association; but it will be his duty to ascertain the balance to the credit of the respective School Accounts before authorising any such transfer.

(9) The Treasurer shall be responsible for the maintenance of the necessary account or accounts of the Association other than the accounts to be maintained by the Principals of the Schools under the Rules of the Educational Department of the Government or the directions of the Association in Governors' meeting.

(10) The Treasurer shall not maintain a separate banking account for any part of the funds of, or under the control of, the Association other than those provided for in clause (1) of this Rule unless so directed by the Association in Governors' meeting.

16. FINANCE COMMITTEE.—At the ordinary general meeting of each year two members of the Association shall be elected to a Standing Finance Committee, of which the Treasurer, the Secretary, the Assistant Secretary (if any) and the Principals of the Schools shall be *ex officio* members. Each elected member of the Committee shall hold his seat on the Committee until the conclusion of the next ordinary general meeting, provided that, if before the next ordinary general meeting he ceases to be a member of the Association or resigns or otherwise vacates his seat on the Committee, another member of the Association shall be elected at a Governors' meeting to be a member of the Committee in his stead.

17. DUTIES OF THE FINANCE COMMITTEE.—

(1) The Finance Committee shall submit to a Governors' meeting in November of each year a budget showing the anticipated receipts and expenditure of the Central Fund, the Boys' School Account and the Girls' School Account in the following calendar year.

(2) The Finance Committee shall submit to the monthly Governors' meeting a statement showing the receipts and expenditure of the Central Fund, the Boys' School Account and the Girls' School Account for the previous month and comparing the progressive totals for the calendar year up to the end of the previous month with the sanctioned budget allotments for the year.

(3) The Finance Committee shall scrutinize all expenditure on behalf of the Association. If any proposal is made for expenditure in excess of any sanctioned budget allotment, the Finance Committee shall consider it and report their opinion regarding it to a Governors' meeting. If they are not satisfied with any expenditure incurred within a sanctioned budget allotment, they shall report their opinion regarding it to the next Governors' meeting.

18. BUDGET.—The budget submitted by the Finance Committee under rule 17 (1) for the ensuing calendar year shall be considered at a Governors' meeting in November of each year. After making such alterations in the said budget as may appear necessary the Association in Governors' meeting shall fix the expenditure under each of the appropriate main heads for the next calendar year, and the expenditure so fixed shall be the sanctioned budget allotments for the next calendar year, which the Treasurer may in no case exceed without the sanction of the Association in Governors' meeting specifically obtained.

19. The Association may sue and be sued in the name of its Secretary.

20. The Secretary and Treasurer are authorised jointly to execute documents on behalf of the Association. Except as provided in these Rules or as authorised by a special resolution passed at a Governors' meeting no document not signed jointly by the Secretary and Treasurer shall bind the Association.

22

21. In order to give a sound Christian education, as provided in clause III (1) of the Association's Memorandum of Association, religious instruction shall be given in the Schools on all points (without reference to ecclesiastical government) common to the Articles of the Church of England and to the Confession of Faith of the Church of Scotland and of the whole body of Protestant Churches of Europe. In the carrying out of this instruction the Schools will provide common religious instruction, and in addition the Bishop of Madras may provide for two periods in the High Schools and one period in the Lower and Middle Schools each week, during which special instruction in religion may be given to pupils belonging to the Church of the Province of India, Burma and Ceylon, provided that the parents of such children do not certify in writing that they do not desire such special instruction to be given to their children.

22. No alteration or addition to, nor omission from, these Rules shall be made except at a general meeting and with the sanction of two-thirds of the members present at the meeting.

I submit herewith an extract from the letter R.C.No.439/49 dated 20.4.1950 from the Inspectress of Anglo Indian Schools,Madras. The present trust funds amounting to Rs. 216,400/- is entirely made up of the Government of India grant of 1.5 lakhs and the unspent balance of the interest accrued which were added to the trust funds from time to time. Extract of Letter.

Copy of letter(Extract) R.C.No.439/49 dated 20th April 1950 from the Inspectress of Anglo Indian Schools,Madras to the Director of Public Instruction,Madras.

Subject:-Doveton Training School,Vepery,Madras--Transfer of endowment.
Refce.:--Proceedings R.C.No.11596-E.1/46 dated 12.4.1950.

I resubmit Proceedings R.C.No.11596-E.1/46 dated 12.4.1950, Government Memorandum No.61194-D/50 dated 1.4.1950, the letter dated 12.3.1950 of the Secretary,Doveton Corrie Protestant Schools Association and its enclosures and state that the undermentioned statements contained in para 2 of the Secretary's letter under reference are not based upon facts:-

1. That it appears that the Imperial grant was a grant which had previously been sanctioned by the Central Government for a training school to assist the PROTESTANT EDUCATION OF THE COMMUNITY--

(N)

The original scheme was for the establishment of a Training
College for the domiciled community at Lovedale. This was dropped owing
mainly to lack of support from other local Governments and a training
school for women of the domiciled community was opened at Lovedale in
May 1923 - G.O.No.167 Law Education dated 29.1.1923; Proceedings Dis.
493/23 dated 1.2.1923 - The training school at Lovedale was closed with
effect from 1.1.1929 and another school was opened at Madras with effect from
the same date. The interest accruing on the said Trust Fund was utilised on
the Director of Public Instruction and the deposit sta[illegible]ing in the name of
Doveton Training School Committee.

2.

2. That the increase in the amount of the original investment of 1.50 lakhs to approximately 2,00,000/- is probably due to additions to the said grant from other funds for Protestant Education.

3. That the fund is now a mixed fund formed partly from the Imperial grant and partly from miscellaneous contributions from Protestant sources.

4. That the fund is a trust fund impressed with a trust for Protestant Educational purposes.

. . . This increase is not due to any additions from other funds for Protestant Education but it only includes the unspent balance of the interest accrued which was added to the amounts of original investment from time to time since 1923 - as the accounts of the Trust Fund would show.

The Doveton Training School was closed for uneconomic strength, from 1.1.1949. The moment the Doveton Training School, Vepery was closed, the management ceases to have any control over the trust fund. The right of administration over the trust fund for the past 20 years does not seem to give the management, I submit, any special privilege for continuance.

The approval of the Government for the transfer of the endowment conveyed in G.O.No.2294-Education dated 30.10.1947 - Proceedings R.C.No.11596-E/46 dated 13.11.1947 does not seem to carry with it the sanction of Government transferring the said endowment to the Doveton Corrie group of Schools as is presumed by the Secretary in his letter under reference. Proposals for effecting the transfer were called for in Proceedings R.C.No.11596-E/46 dated 29.9.1948 and this question is now under consideration.

During the years 1917 to 1920, the Government of India sanctioned certain imperial grants towards the establishment of a Training College for men teachers of the Domiciled European community in South India. It was intended that the College should serve the needs of the domiciled European community in the whole of the South and West of India and that other Provinces should also participate in the scheme. The scheme, however, was subsequently given up as other provinces were not willing to share the expenditure involved. The Madras Government thereupon asked for sanction to the opening of a Training College at Lovedale for women teachers of the Domiciled European community. The Government of India were not prepared to accept the financial commitments involved in the opening of such a College. They, however, allowed the grants already paid by them for the Men's College scheme to be utilised on any training institution that might be established by the Local Government. The Govt. accordingly established in 1923 a Training School for European and Anglo-Indian women teachers in connection with the Lawrence Memorial School at Lovedale. The accumulated amount of the Imperial grant of Rs 1.50 lakhs together with interest was placed at the disposal of the Committee of the School subject to the condition that the amount was kept in a separate training school account and that an annual statement of receipts and charges of training school was submitted to Government. In 1926, the amount was transferred to the Accountant-General and subsequently to the Reserve Bank of India in April 1935 to be held as a trust deposit, the interest being paid to the management of the training school.

A

Pp3-4-7 (I)

2. The Training School for the Domiciled European

community continued at Lovedale till the end of the year 1928. As in that year, the Inspector of European Schools considered that there was no real need for the school at Lovedale and as the Lawrence Memorial School Committee asked for the transfer of school to some other place, the Government decided to close the school and to open a new school for the training of European and Anglo Indian women in connection with the Doveton Corrie's School at Madras. In sanctioning the payment to the Doveton Committee of the interest accruing on the training school fund, the Government directed that the amount should be kept distinct and that the account should be audited annually by the Examiner of Local Fund Accounts.

B

3. In September 1947, the DPI reported that there ~~is~~ were no necessity for these training schools. He recommended that the Doveton Training School might be abolished with effect from 1-1-48 and that the endowment might be transferred to the Doveton Corrie Protestant Boys' and Girls' School, Vepery. The Director's proposal was approved in G.O.No. 2294 Edn., dated 30-10-1947. The school was, however, permitted to function during 1948, to enable the junior students in that school to complete their training.

4. The D.P.I. now reports that the amount invested s no private endowment made on behalf of the Doveton raining School Committee and that as the trust deposit epresents the grant of the Government of India and the pecific purpose for which it was created was for the stablishment of a Training School for European and Anglo ndian women in this Presidency, the transfer of the Trust nds held by the Doveton Training School to the Doveton rrie ~~grants of~~ Protestant Boys' and Girls' High School does not ise. He is also of the opinion that the trust funds d the interest derived from them can continue to be lised for the purpose for which they were intended ough in respect of other Training School. A further ort from him is still awaited.

The question now to be decided is

---

(1) whether the imperial grants made by the Govt. of India can be utilised only for the purpose of running a training school for Europeans as advised by the D.P.I. or for other purposes. It may be stated at the outset the funds granted by the Govt. of India are now completely at the disposal of the Govt. of Madras and no formal trust was ever constituted. Please see the notes on p. 13 of G.O.No. 948 dated 25-5-1926. Attention is also invited to the portion marked 'A' on page 10 of G.O. 1545 Edn., dated 24-7-1928 and portion marked 'B' on p. 1 of G.O.No. 948 Edn., dated 25-5-1926 wherein it was intended that the Govt. must retain perfect liberty to use the proceeds of this fund as they think best for European education, whether it be for a training school or for other purposes. The Director's present argument that the endowment should be used only for running a training school appears to be incorrect. It is only perhaps in the light of this that he proposed the transfer of the endowment to the Doveton Corrie Protestant Boys and Girls' School, Vepery in 1947.

~~In view of the assurance that has been given to the Anglo Indian community that in the matter of their education status quo will be maintained for a period of ten years it is for orders whether the original intention that the amount earmarked should be utilised exclusively for the benefit of the Anglo Indian (formerly the Domicil European) education should be deviated from, if not the order transferring the endowment to the Doveton Corrie may stand?~~

From the D.P.I. No. 11596 E1/46, dated 31-1-1950.

Please see the reply of the D.P.I. to the u.o. note on pages 1-2 ante. The trust fund with the Reserve Bank of India, Madras is Rs 2,16,400/- yielding a half yearly interest of Rs 3320-4-0. There is also an unspent balance of Rs 2179-7-4 with the Secretary and Treasurer of Doveton Training Schools when it was closed on 1-1-1949. As the fund has been used solely for a training school for Anglo-Indian mistresses, the D.P.I. recommends that the Fund may ~~be~~ continue to be used for training of Anglo-Indian teachers for another ten years and proposes that the interest might be paid to the following Anglo-Indian Training Schools:

(1) Church Park Training School, Madras - Rs 4000/- per annum or Rs 2,000/- per half year.
(2) St. Teresa's Training School, Cannanore - Rs 2623-12-0 per annum or Rs 1311-14-0 per half year.

He proposes to submit separate proposals for adding the unspent balance on 1-1-1949 to the capital of the Fund in consultation with the Reserve Bank of India.

2. It may be stated in this connection that since the Govt. has perfect liberty to use the proceeds of this Fund as they think best for European education whether it be for a Training School or for other purposes and since the Government have ordered the transfer of the endowment to the Doveton Corrie Protestant Boys' and Girls' School, Madras, only on the recommendation of the D.P.I. in G.O.No. 2294 Edn., dated 30-10-1947 and since the order transferring the endowment to the Doveton Corrie School must have raised a lot of hope in the Management of the school (and ~~thereby~~ they should have drawn up a comprehensive scheme for the utilisation of that amount for the school) it is for orders now whether the Government should go back on the original order and accept the present proposal of the D.P.I., namely, to pay the interest to the Training schools referred to above.

There is also another point for consideration. Since the endowment was transferred to the Doveton Corrie School before the inauguration of the new Constitution, it is for consideration whether the Government will be competent to retransfer it to the Training Schools referred to above

The grant was originally given by the Government of India for the establishment of a training college for men of the European community domiciled in India--see parag.5 on p14 of G O No 1803 Law(Education)Dated 16/12/1921 (with the concurrence of the Govt. of India). Later the amount was diverted for the purpose of training women teachers of that community. Although the money was Government money and no regular scheme was framed, the amount was ordered to be held by the Accountant-General as a trust, payments being made therefrom towards the expenses of the training school as and when ordered by the Govt.--see parag.4 on p22 of (R). It must be recognised that the amount was intended to be treated as a trust, and was so treated from 1926 onwards. At any rate, there was a constructive trust for the ~~award~~ avowed object viz. training of women of the European community domiciled in India. The accepted principle of the law of charitable trusts is that when the original purpose for which the amount was set apart is still capable of being fulfilled, it should not be diverted to other purposes except with the sanction of the Court. The Director of Public Instruction's report shows that the original purpose of the grant is still capable of being given effect to--by training Anglo-Indian mistresses ~~in~~ in two specified schools, one at Madras and another at Cannanore. It will not be regular to divert the grant for a mixed Boys & Girls School, which imparts general education for Europeans, when the original object of training women teachers is still capable of being fulfilled. The

p22 of (R)

Director of ~~Rubxixx~~ Public Instruction's proposal which is in accord with the principle recognised in cases of trusts may, therefore, be accepted.

With reference to parag.3 of the note of E&PH at pp4-5 ante, in G O No 2294 dated 30/10/1947, the Govt.merely approved the D.P.I's proposal that the endowment may be transferred to be Doveton Corrie Boys & GirlsSchool. The funds have not been actually transferred. There was no application from the authorities of this School, nor was the G O communicated to them by the Govt. At best it was merely an expression of intention from which no rights flow, seeing that it was a mere promise unsupported by ~~xxnxidaxxtixn~~ any consideration. There is nothing in the Constitution which prevents the Govt.from reconsidering ~~these~~ their previous decision, and accepting the present proposal of the Director of Public Instruction.

The question for consideration in this file ~~now~~ is how the grant originally given by the Govt. of India for the establishment of a training college for Anglo-Indian men and which they subsequently agreed to be utilised for the training of women teachers of that community should be utilised. The amount in question is now Rs.2,16,400 and it is held as a trust fund by the Reserve Bank of India and it will yield an annual interest of Rs.6623-12-0. There is also an unspent balance of Rs.2179-7-4 which can be added to the corpus of the fund. A brief history of the grant is contained in the letter of the D.P.I. on p.2 c.f. For the reasons stated in that letter and in the letter on p.7 c.f. the Director recommends that the interest from the fund may continue to be used for the training of Anglo-Indian women teachers and that the interest may be ~~divided equally between~~ paid to the Church Park Training School, Madras and the St. Teresa's Training School for women, Cannanore, the only two institutions in the State for training ~~Aigo~~ Anglo-Indian women teachers. ~~This Dept. and~~ The Legal and the Finance Departments have accepted the proposal.

P 7 CF

pp 5-6 ante

2. The Doveton Corrie Protestant Schools Association has since submitted a representation - pp.8-11- c.f. in which it requests that the ~~aount~~ amount may be placed at its disposal for the purpose of granting scholarships to Anglo-Indian men and women for training as teachers either collegiate, non-collegiate or vocational. The Association agrees to the D.P.I. or his nominee being made a member of the Association for purposes of the administration of the fund. The Association points out that the fund is now a mixed fund formed partly from the Govt. of India grant and partly from miscellaneous contributions from Protestant sources. It will be clear from the Director's letters referred to above these ~~contributions~~ contentions are not correct.

3. The Association also points out that there is no

institution in this State for the training of Anglo-Indian men teachers and that some arrangements have to be made for ~~tha~~ this purpose. According~~ly~~ to the Public Instruction Report for 1948-49 the number of Anglo-Indian ~~schools~~ schools was as below:-

	Boys	Girls
High Schools	19	22
Middle Schools	7	11
Primary schools	5	6

p32 of Report put-up

85 per cent. of the teachers in the schools are trained. The reason for closing Doveton Training School, Vepery, was that there were only 3 men and 8 women candidates in the school at that time. In the letter dated 25-5-48 the Director stated as follows:--

p1, G.O No. 2294 30-10-47 (1)

pp 9-10 G.O. No. 282-Edn 11-2-48 (2)

> "Most Anglo-Indian schools employ only lady teachers and Anglo-Indian lady candidates are ~~trained at the Church Park~~ ~~Training~~ trained at the Church Park Training school for women, Teynampet, Madras and St.Teresa's Training School for Mistresses, Cannanore.
>
> Middle and High Grade teachers can teach up to Standard VII only in European Schools. Teachers with B.T. or L.T. or equivalent qualifications are expected to teach in Standards VIII and IX. Anglo-Indian male and female candidates undergo the same B.T. course as for Indian candidates. The Catholic institutions make their own arrangements to train their priests for the teaching profession.
>
> In view of the very small number of applicants who have applied for teacher's training in the past and in view of the fact that the need for Anglo-Indian male teachers with the Middle or High Grade qualification has not been felt by the Anglo-Indian Schools, there is no need to make any arrangement for the training of men teachers for European and Anglo Indian schools when the Doveton Training School is closed at the end of the year 1948."

In view of these remarks there is not much force in the point made by the Association, that there is need for facilities for training Anglo-Indian men teachers.

4. Attention is invited to the note of the Legal Dept. on pp.5-6 ante. That Deptt. has pointed out that "it will not be regular to divert the grant for a mixed boys and girls schools which imparts ~~instruction for~~ general education for Anglo-Indians when the original object of training women teachers is still capable of being fulfilled". That Deptt. consider also that the Director's proposal is in accordance with the principle recognised in cases of trusts and may be accepted. In view of this it does not seem that the present request of the Association can be accepted.
