When the council agreed to take over the management of the school, there were only three teachers working in the school. At the time of actual transfer there were 4 teachers. Due to the increased strength of the then management had appointed the 4th teacher and the strength of the school was 85 as detailed below:

|                  |           |
|------------------|-----------|
| Pre Basic Class. | 31        |

| Basic II Grade:  | 18        |

| Total            | 85 pupils |

The subject was placed before the council and the council in its resolution No.260 dated 30--9--50 (copy enclosed) sanctioned the appointment of the 4th teacher with effect from 23--8--50 ie., the date from which the management of the school was taken over by the municipal council. The District Educational Officer, South Arcot was addressed in this office letter C2/7232/50 dated 7--10--1950 for sanctioning the creation of the 4th Basic teacher's post with effect from 23--8--50. The District Educational Officer in his reply L.Dis.No.1278/E/50 dated 21--12--50 (copy enclosed) received in this office on 30--12--50 stated that the creation of the 4th teacher's post is not necessary in the above school as much as the attendance did not warrant the same. On receipt of the District Educational Officer's reference declining sanction the 4th teacher was ousted from service immediately ie., on the afternoon of 30--12--1950.

The matter was placed before the council and the council in its resolution No.537 dated 7--2--1951 (copy enclosed) resolved to request the District Educational Officer to ratify the appointment of the said 4th teacher, already made temporarily for the period from 23--8--1950 to 30--12--50, and the District Educational Officer was requested accordingly in this office C2/7232/50 dated 17--2--1951. The District Educational Officer in his reply L.Dis. No.25/J/51 dated 25--5--1951 (copy enclosed) advised me to address the Government on the subject. The above letter was again placed before the council and the council in its resolution No.865 dated 18--6--1951 (copy enclosed) resolved to request the Government a ratification of the appointment of the 4th teacher for the period referred to ie., 23--8--50 to 30--12--50.

(P.T.O)

In the circumstances explained above, I request that the Government may be pleased to ratify the appointment made temporarily in anticipation of the District Educational Officer's approval from 23--8--50 to 30--12--50 both days inclusive as requested by the municipal council, so that the objection raised in audit may be settled.
