p.94

The hundred flat files sanctioned in G.O.No.Routine 110
Education, dated the 17th July 1947 have met only a portion
of the requirements of this office. This is a newly-formed
Department. We have no old records or registers, the covers
of which can be converted into pads.

Further, supply has to be made to the Stri Sadana which is
also a new Institution under the control of the Government.

I request therefore that, as a special case, sanction may
be accorded to an additional supply of two hundred ordinary
flat file cases, one hundred and fifty for the use of this
office and the rest for the Stri Sadana, Mylapore.

Chief Inspector of Certified Schools.
