Subject: ADVANCED STUDIES OVERSEAS IN RESPECT OF MR.S.R.A.GESUDRAS, 1945 SCHOLAR.

The undersigned is directed to refer to para 2 of this Department memo of even number dated 19th December'46, on the above subject and to state that an intimation has been received from the Indian Embassy in the U.S.A. Washington, that it is not possible to fit Mr. Gesudras into any institution in the U.S.A. also as neither Tobacco-Blending nor Cigarette-Making are subjects taught at an academic level which can be studied anywhere. In view of this qualifications, the scholar will also not fit into any Agricultural institution that specializes in Tobacco-Breeding and no Engineering school in the U.S.A. has anything to do with Tobacco or its Processing. The Indian Embassy has, therefore, informed us that after exhausting all possible avenues, it has been found impossible to arrange the scholars' studies in the U.S.A.

Sub: Education - Technical training abroad - Training in "tobacco blending and Cigarette making" - Selection of private Candidate Mr S. R. Z. Gesudraz. - Alternate subject to be chosen.

-

p 1 cf

The Govt of India have reported that it is not possible to arrange for the training in "Tobacco blending & Cigarette making", of Mr S. R. A. Gesudraz, a private candidate selected for the award of a Scholarship in 1945-46, in any institution in the U.S.A. It has therefore been suggested that an alternative subject might be chosen now for the training of the above candidate and that the subject might be from among the subjects proposed by the D.P.I. for the award of Scholarships to private candidates in 1947-48 but which had to be omitted on account of the reduction

[illegible]

Sir,

Overseas scholarships - 1945-46 - Mr.S.R.A. Gesudraz.
Ref:- Your letter No.F.3-11/45-ODIV dated 28-3-47.

In the circumstances stated in your letter read above this Government desire that Mr.S.R.A.Gesudraz should be offered a new subject of study and sent for training abroad in that subject. They have chosen ~~the~~ three subjects in the order of preference indicated below:—

1. Mercantile Marine Engineering.
2. Automobile Engineering
3. Textile Technology.

I am to request that the Government of India may be so good as to arrange for the admission of Mr.Gesudraz in any one of the above three subjects. A list of

12

institutions suggested for the admission of the candidate is enclosed.

2. As Mr. Gesudraz was selected as early as 1945 I am to request that he may be given preference over the candidates selected in subsequent years in the matter of admission.

To

The Hon'ble Minister for Education,
Govt. of Madras, Fort St. George, Madras.

MINISTER FOR EDUCATION
2
GOVT. OF MADRAS

Honoured Sir,

Sub: Overseas Scholarship - Technical training - Private candidate -

I beg to submit that I am a candidate selected by the Government of Madras in the year 1945--46 for technical training in the subject Tobacco blending and Cigarette making. After two full years of anxious waiting I was informed on the 4th of this month that the Govt. of India have not been successful in their attempts to secure me admission for this particular subject in any of the institutions of either the United States of America or the United Kingdom. In view of this I have been asked to select a fresh subject, and I was given the choice to select three subjects in order of my preference from the list provided by the Joint Director of Industries & Commerce. I selected the following three subjects as desired by him:-

i. Mercantile Marine Engineering.
ii. Automobile Engineering.
iii. Textile Technology.

2. I understand that the Joint Director of Industries & Commerce has approved of my selection and has recommended to the Government of Madras to give me training for any of the above three subjects, for which a seat is immediately available. He has also suggested the suitable institutions where training is given for these three subjects. Candidates selected after me have secured admission in the above subjects. Therefore, I hope there will be no difficulty in securing me admission.

cf P. 9 ante

I request you, honoured Sir, to expedite the matter and use your good offices in securing me admission in the institutions abroad at least for the coming session,

P.T.O.,

session, which I am told, commences in the month of October.

Thanking you,

I remain,
Honoured Sir,
Yours faithfully,
Syed. R.A. Gesudraz.

The Secretary,
Government of Madras,
Dept. of Education & Public Health,
Madras.

Sir,

Sub:- Overseas Scholarships. 1945-1946.
Ref:- Memo No 42564 C2/46-24 Education Dated 17.11.47

In another file not put up.

I beg to acknowledge the receipt of the memo quoted above.

The Government of India had reported a long time back to the Development Department, Government of Madras that it was found not possible to arrange for my training in 'Tobacco Blending and Cigarette Making' in any institution in United States of America. The Government of Madras were asked to suggest an alternative subject for my training. The Director of Industries & Commerce was addressed in this matter by the Under Secretary, Development Dept (Ref:

Memo No. 37142/DI/47-1, Development Dept. dated 28.4.47) to suggest a post subject for my training. The above said Memorandum was communicated to me for my immediate remarks and I was also asked by the Director of Industries to select any three subjects in order of my preference from the list I was provided with. Accordingly I selected the following three subjects in order of my preference namely

1) Mercantile Marine Engineering (Engineering Side)
2) Automobile Engineering
& 3) Textile Technology.

and submitted the same on the 5th of June 1947.

I understand that Director of Industries & Commerce recommended these three subjects for my training to the Development Department with an endorsement that I could be given training in any one of the subjects for which a seat is immediately available. In view of this change I was very hopeful that I would be proceeding to U.S.A for higher studies in the month of September 1947 to join the Autumn session which I understand commences in the month of October. To my great disappointment I learn from your Memo No 62566 C2/46-26 that the matter of securing me admission either in United Kingdom or United States of America has not yet been settled. I request you to clarify this point whether it means that the matter of sending me to United Kingdom or United States of America has not been settled yet or that I have secured a seat in both the countries and that the Government have not decided as to which country I should go. Hoping for an early reply

I remain
Your most obedient servant
Sd. R. A. Gesudraj

23rd December, 1947.

The Secretary to
The Government of India,
Ministry of Education,
New Delhi, 3.

Dear Sir,

Mr. S.R.A.Gesudraz, 1945 Madras Govt. candidate for advance studies overseas. Passage to the U.K.

We thank you for your letter No. F.3-11/45-O.D.IV of the 13th December advising us of Mr. Gesudraz's admission having been secured at the Automobile Engineering Training College, London.

In this connection, may we point out that according to our records, Mr. Gesudraz was selected for trainin in the U.S.A. and we do not appear to have received any instructions earlier from your Ministry of his having been diverted to the U.K..

We are, however, registering him immediately for 'B' Grade passage for England towards the end of February or early in March 1948 and as soon as the actual passage allotment is made will complete his booking under advice to you and to the Provincial Government.

Yours faithfully,
per pro GOVAN BROS., Ltd.,

Dear Sir,

pp 57 & 62 ante

Mrs. S.R.A.Gesudraz, candidation sponsored by your government for ttaining in the U.K.

Will you kindly refer to your Memorandum No.25964-C2/47-10 of the 19th January.

An "A" Grade passage costing £ 70 has been offered for Mr. Gesudraz on the s.s. "Atlantis" scheduled to sail from Bombay on the 9th March to the U.K.

In this connection we have telegraphed you today Express as per copy attached and await your wire confirming that this will be in order.

p 65 infra

We would explain that the fares on this steamer vary from £ 66 to 82 and the accommodation offered is, therefore, we suggest, within the limits prescribed by Government.

In the meantime, we are offering passage to Mr. Gesudraz, under advice to the Government of India.

Yours faithfully,

Copy to Messrs. Gowan Bros., Ltd., Scindia House, New Delhi, with reference to their letter No. PLP/257 dated 26th February 1948. The American Express Company Ltd., Bombay have informed this Ministry that there is no 'B' Grade accommodation available on C.T. Atlantis leaving Bombay for the United Kingdom on 9th March 1948, on which Mr. S.R.A. Gesudraz's passage has been arranged and that the cost of passage is £.68/-. In this connection it may be pointed out that the Travel Agents are already aware that this Ministry have agreed to only Second Class accommodation or one next below first class on vessels, in respect of Government scholars. It is not understood how they have arranged Mr. Gesudraz's passage on a vessel in which second class accommodation is not available. The Travel Agents may kindly inform this Ministry about the probable date on which the next boat will be leaving for the United Kingdom and its classes of accommodat together with their fares.

Mr. Gesudraz's passage on C.T. Atlantis will have to be finalised on receipt of instructions from the Madras Govt.

Sir,

I am directed to refer to this Ministry's correspondence on the above subject resting with endorsement No. F.3-11/45-ODIV dated the 27th February, 1948, and to state that the High Commissioner for India, London has informed this Ministry that he has been able to arrange Mr. S.R.A.Gesudraz's studies and training in the Aeronautical and Automobile Engineering Training College, London, in such a way that he does special workshop training in Automobile Engineering in the first year of his stay in the United Kingdom and a theoretical course of studies leading to a Diploma in the subject in the second year. Government of India are inclined to agree to the proposed programme of work as outlined above, and presume that the Government of Madras also consider it suitable. They may kindly confirm the presumption telegraphically.

I have the honour to be,
Sir,

I am directed to refer to this Ministry endorsement of even no. dated the 19th April, 1948, on the above subject, and to forward herewith for your information and necessary action, a copy of d.o. letter No.E.A.8612 dated the 4th May 1948, from the Office of the High Commissioner for India, London, intimating that it is impossible to arrange Mr. S.R.A. Gesudraz's studies as desired by Govt. that he should do an special course of practical training in Automobile Engineering in the first year of his stay in the United Kingdom, followed by a theoretical Diploma course in the second year. Instead, the College authorities and the High Commissioner for India have advised that the scholar should straightaway take up the normal two-year Diploma course in Automobile Engineering, which comprises of quite a balanced programme of theoretical studies and practical training in the subject. Government of India also recommend the proposal. I am to request you kindly to communicate the Provincial Government's decision to this Ministry telegraphically, at a very early date.

A

2. I am also to refer to your endorsement No.2596-C2/47-19,Edn., dated the 15th April 1948, and to state that the further communication promised therein, is awaited in this Ministry.

ANSARI
13.5.48.

Copy of letter No.E.A.8612, dated the 4th May 1948, for the High Commissioner for India, London to this Ministry.

Please refer to your cable F3/11/S2/45/ODIV. dated the 19th April, 1948 regarding Mr. S.R.A. Gesudraz.

The programme suggested by the Govt. of India was forwarded to the Colleges of Automobile and Aeronautical Engineering with the request that it may kdinly be carried out within the prescribed period of scholarship. We have now received the enclosed reply from the College authorities. From the last paragaaph thereof you will note that at the end of two years the same result as desired by the Government will have been achieved although it is impossible for the College authorities to arrange the sutdent's studies exactly as the Government have laid down in their cable. I hope that the Government will have no objection to the arrangements made by the College authorities which have been indicated in a letter dated the 22nd April, 1948 from the College authorities.

***

Copy of letter dated the 26th April 1948 regarding Mr. S.R.A. Gesudraz.

I am obliged by your letter of the 23rd April, enclosing copy of cable received from the Government of India, in regard to this student's training.

I would point out that our Diploma Course of training is a balanced prectical and theoretical training, and it is very difficult to arrange for the theoretical training. Consequently when you wrote to this effect on the 1st. March, we suggested that a member of our Technical Staff should have a talk with Mr. Gesudraz on his arrival, so that we might advise a course accordingly.

Consequently, Mr. J.R. Williams, who is in charge of our Automobile Engineering Section, saw Mr. Gesudraz the other day and wrote to Mr. Kirpal on the 22nd April.

I think you will find that at the end of the two years the same result will have been acheived, although it is impossible for us to arrange the student's study exactly as the Government of India have laid down in their cable.

Thank you for your letter of the 16th April 1948 relatin to Mr. S.R.A. Gesudraz.

I had a long talk with him yesterday afternoon, as a result of which I feel it would be in his best interests for him to take the Diploma Course of this College in the normal ~~xxx~~ Way.

I see by reference to his papers, that he took a degree at the College of Engg., Guindy, in 1944. I understand, however that the subjects taken were general mechanical engineering without any particular bias to authomobile Engg. and therefore in my opinion, it is essential for him to study this subject in more detail than was possible when he took his degree.

Our Diploma Course will fit him for subsequent employme as an authomobile engineer, but it will involve a training of least two years, of four terms per year and it might be necessary to extend this time, though, of course, it is too early to judge now.

Mr. Gesudraz tells me that on returning to India he wi probably be employed in Madras on Public Servide Transport, an if this is so I think it will be advisable for him to gain experience at a factory for at least 6 to 12 months at the conclusions of his training with us. And further, I would sugg est that if possible, Mr. Gesudraz should endeavour to obtain this experience with manufacfurers of those vehicles which ar in common us in Madras. These I understand, are Chevrolet and

P.T.O.

110

I feel you will agree that this is the wisest course to pursue, and I would be glad to receive your comments in this connection.

p 116 infra

Sir,

I am directed to forward herewith in continuation of this Ministry letter of even number, dated the 14th May, 1948, on the above subject, a copy of d.o. letter No. E.A.8612, dated the 11th May, 1948, (with enclosure) from Mr. P.N.Kirpal of the office of the High Commissioner for India, London who has recommended that Mr. S.R.A. Gesudraz should be allowed to study for the two year Diploma course in Automobile Engineering at the college of Aeronautical and Automobile Engineering/Training, London, in the first instance. I am to request you kindly to intimate the Provincial Government's decision to this Ministry telegraphically, at a very early date.

I have the honour to be,
Sir,
Your most obedient servant,

DKHingorani
For Secretary.

Copy of a letter No. E.A.8612, dated the 11th May, 1948, From the High Commissioner for India, London, to the Ministry of Education, Government of India, New Delhi.

---

p 109 ante (58)

Please refer to the correspondence resting with this Office letter, dated the 4th May, 1948, regarding Mr. S.R.A. Gesudraz. I enclose herewith copy of a further letter dated 3rd May, 1948, from the Principal of his College. It is recommended that Mr. Gesudraz should be allowed to continue with his Diploma course which he will finish in two years. During this period he will acquire theoretical instruction as well as workship experience. At the end of this course if necessary and subject to extension of scholarship being granted he can be sent for practical training on the production side of a manufacturing concern for a period of between three to six months.

Copy of letter No. JRW/HIM, dated the 3rd May, 1948, from Mr. J.R. Williams, to Education Department, India House, London.

In reply to your letter of 28th April, there would appear to be misunderstanding regarding the system of instruction in force at this College. In the two years Mr. S.R.A. Gesudraz, is in training he will receive a sound comprehensive course of instruction in Automobile Engineering, but whereas if we understnand the position correctly, the Government of India has laid down a course of twelve months theoretical, followed by twelve months practical training, our instruction is balanced so as to provide practical and theoretical training at the same time.

From long experience we have found that to fully comprehend the instruction, and to retain it, the only really satisfactory way is to give to the student the theory of a subject within a very short time of its practical application.

If a student is to retain in his memory what he has learned, the best way is to effect a balance between theory and practice at the time such instruction is given.

P.T.O.

We feel sure you will appreciate the point we desire to make, and that the Government of India will agree to Mr. Gesudraz falling into line with all our other students whose training is on the same lines as indicated.

GOVERNMENT OF INDIA
MINISTRY OF EDUCATION
NEW DELHI 3, dated the 25th February 1949.

(61)

From
The Secretary to the Government of India.

To
The Secretary to the Government of Madras,
Education and Public Health Department,
MADRAS.

ASST. SECRETARY TO GOVT. EDUCATION AND P
27 FEB 19

SUBJECT:- Advanced Studies abroad in respect of Mr. S.R.A. GESUDRAZ 1945-46 Madras Government sponsored scholar.

Sir,

I am directed to refer to previous correspondence on the subject mentioned above, ending with this Ministry endorsement No.F.3-11/S-2/45-O.D.IV. dated the 29th May 1948 and to forward herewith copies of letters No.E.A.8612 dated the 3rd February 1949 and E.A.8612 dated the 10th February 1949 with enclosure from the High Commissioner for India, London in respect of Mr. S.R.A. GESUDRAZ.

15352

p 120 ante

p 126 infra

I am to state that the Government of India, are inclined to agree with the recommendation of the High Commissioner as contained in the penultimate para of his letter dated the 3rd February 1949 referred to above. This will obviate the necessity of further extension of his scholarship. The Provincial Government may however, consider the two alternatives indicated by the High Commissioner from the view point of the employment that the scholar is expected to take upon his return to India, and communicate their decision by telegram so as to reach this Ministry latest by 5.3.49 to enable this Ministry to inform the High Commissioner for India

126 infra

London in proper time.

Yours faithfully,

(MRS. D.MADHAVI)
for Secretary.

62

Copy of letter No.E.A.8612, dated the 3rd February, 1949 from the High Commissioner for India, Education Department, India House, Aldwych, London, W.C.2. to the Secretary to the Government of India, Ministry of Education, New Delhi.

I am directed to invite a reference to correspondence no. F.3-11/5-16/45-ODIV, dated the 9th April, 1948, in respect of Mr. S.R.A. Gesudraz, 1945 Government of Madras scholar.

It would be recalled that this candidate was accepted by the Colleges of Aeronautical and Automobile Engineering from April, 1948, for a Diploma Course extending over two years. The scholar has now represented to this Office that practical training facilities may kindly be secured for him as the experience thus gained would supplement the knowledge obtained in the completion of the Diploma Course.

I am to report that this Office has been able to secure offers of practical training for the scholar for a period of one year from March, 1949, from Messrs. Moons Motors, Ltd., and from Messrs. Lex Garages, Ltd., for training in servicing almost every make of vehicle. I am to enquire.

a. whether Mr. Gesudraz may be permitted to interrupte his Diploma Course and to go **in** for practical training, or

b. whether the Government would consider it advisable to let him complete his Diploma Course and sanction him a year's extension to enable him to profit by the practical experience.

Mr. Gesudraz's own inclinations are that he may be allowed to do both the Diploma Course and practical training.

I am to state that this Office feels that the academic training received by the scholar at the Colleges of Aeronautical and Automobile Engineering for one year and his practical training in one of the Garages for a period of one year from March, 1949, would fit him with the necessary background for dealing with practical problems and would obviate the need for an extension. This Office would, therefore, recommend this course.

I am to enquire what course may be adopted in the circumstances. The decision may kindly be cabled to this office so that the necessary adjustments may be effected without delay.

'HSS'

Copy of letter No.8612, dated the 10th February, 1949 from the High Commissioner for India, Education Department, India House, Aldwych, London, W.C.2. to the Secretary to the Government of India, Ministry of Education, New Delhi.

I am directed to invite reference to this office letter dated 3fd February, 1949, regarding Mr. S.R.A. Gesudraz, 1945 Government of Madras scholar, and to enclose herein copy of a Report received on the progress made by this scholar at the Automobile Engineering College.

COPY.

THE AUTOMOBILE ENGINEERING TRAINING COLLEGE.

STUDENT S. R. A GESUDRAZ.

REPORT ON TERM ENDING DECEMBER 1948.

ATTENDANCE 58 DAYS OUT OF POSSIBLE 58

Marks gained.

	Class-work.	Exam-ination	Total	Result	Grade.
SECTION 1.(Practical)					
Electrical Shop	32	34	66%	66%	2nd Class pass
Oxy-Acetylence Welding.	30	31	61%	61%	-do-
SECTION 2.(Theoretical)					
Applied Electricity		70%	70%	70%	1st Class pass.
Oxy-Acetylene Welding Theory.		92%	92%	92%	Honours.

INSTRUCTORS' REPORTS ON TERM'S WORK

ELECTRICAL SHOP : "This student has worked hard and has done most satisfactorily."

OXY-ACETYLENE WELDING: "Very good progress in theory. Perserved with practical work with fairly good results.".

(Sgd.) G.D. DUGUID.
for Principal.

The maximum marks for shop examinations (Section 1) are 50, the remaining 50 marks being allocated by the Instructor on the basis of the classwork carried out by the student during the term, his application to work, general conduct, etc. The total of these two markings, less marks lost for absence or lateness, ranks as the terminal percentage on which the diploma grading is based. In shops where examinations are not conducted, 100 marks are allocated by the instructor on classwork only.

I am directed to refer to this Ministry endorsement of even number, dated 5th March, 1949 on the subject mentioned above and to forward herewith a copy of a self-explanatory letter No. EA.8612, dated 25th March, 1949 from the High Commissioner for India in London in respect of Mr. S.R.A. Gesudraz.

In view of what has now been explained by the High Commissioner for India in his letter dated 25th March, 1949 referred to above, I am to request you kindly to intimate to the Government of India as soon as possible whether the Provincial Government concur with the modification in the programme of studies of Mr. Gesudraz.

Yours faithfully,

S. Madhani

for Secretary.

137

138

(66)

Copy of letter No. EA.8612, dated 25th March 1949 from the High Commissioner for India, London to the Ministry of Education, New Delhi.

I am directed to refer to your cable No. F.3-11/S.2/45 S., dated 5th March 1949 regarding Mr. S.R.A. Gesudraz, a Madras Government scholar.

p 134 ante

From the previous history of this case it will be noticed that the Indian Embassy in Washington was trying to secure training facilities for this young, man. Later on it was decided that Mr. Gesudraz should accept the training facilities extended to him by the College of Aeronautical and Automobile Engineering for a period of two years from April 1948. It has now become necessary to modify the programme and to postpone his practical training with M/s Moon Motors Ltd., until he has completed his attendance at the College of Aeronautical and Automobile Engineering or to fit it in during his vacations. The above College gives a 'sandwich' course, and this would be more comprehensive than the training which M/s Moon Motors Ltd. may be able to afford to him.

In any case, it will now be necessary for Mr. Gesudraz to remain with the College for six months, and this proposed training period with Moon Motors Ltd. it is hoped, can be reduced to three months and it could be squeezed in during his vaca~~p~~tion.

It is regretted that you were troubled in this case because of the vacillation on the part of Mr. Gesudraz. In view of the fact that thi this modification is not likely to raise the question of extension it is hoped that the Government will have xxx no objection to the line of action taken by this Office with regard to Mr. Gesudraz's training. Your concurrence in this matter may kindly be communicated to this Office as soon as possible.

FOR OFFICIAL USE ONLY.

DEPARTMENTAL OBSERVATIONS.

Mr Gesudraz is making satisfactory progress in his studies. His course ~~ov~~ covers both theoretical and practical experience and at the conclusion of his training he should be competent to deal with practical problems in his line of studies. He is anxious to secure more practical experience and if he fits any spare time it might be possible to use it for securing this experience, within the period of his scholarship.

Sir,

I am directed to invite a reference to the case of Mr. S.R.A. Gesudraz, a 1945 Government of Madras Scholar and to enclose herein two copies of his application for extension in the period of his scholarship until September 1950. His case has been recommended by the authorities at the College of Aeronautical and Automobile Engineering. You will no doubt consider his request in terms of the employment which you may be contemplating for him on his return to India. Mr. Gesudraz has proved a very hard working and intelligent student and his keenness to specialise in Diesel Engines prompts this Office to recommend his application strongly for a favourable consideration.

Ministry of Education,
New Delhi.

Dear Sir,

I understand that Mr. S.R.A. Gesudraz at present a whole time student of this College, will eventually be returning to India and hopes to obtain a post under the Government of Madras in their Transport Department, which he tells me operates a considerable number of motor vehicles, many of which are propelled by Diesel type engines.

If this is the case, I consider Mr. Gesudraz would benefit if at the conclusion of the course he could get further diesel engine experience with a company operating and Maintaining such vehicles.

Yours faithfully,

Sd. J.R. Williams.

From

S. R. A. Gesudraz,
Madras. Government Scholar,
Care
Education Department.
India House,
Aldwych,
LONDON
Dated 18th Feb '50

13269
21 FEB 1950

To
The Secretary,
Education Department.
Madras. Government
Fort. St. George,
Madras.

Dear Sir,

Sub:- Extension of training in Diesel engineering.

I beg to inform you that I will be successfully completing my training at the Automobile Engineering Training College, Chelsea, LONDON at the end of March 1950 as per Schedule. I have taken all the necessary care and pains to assimilate the knowledge that was imparted to me in both theoritical and practical work and I can say with confidence that I have gained a good knowledge and experience in the trade. There is however one aspect of Automobile engineering namely the heavy transport vehicles ~~fitted with~~

~~163~~ propelled by Diesel Engines which has not been fully covered in my present training. In view of the fact that I may be called back to serve in the Transport Department, Government of Madras, which I understand has a big fleet of Diesel buses and lorries, I am therefore keen to do at least a six months course with one or two firms specialising in the operation and maintenance of Diesel vehicles.

Hence my request to you to kindly consider the case and extend my training and scholarship by six months from the date of completion of the present course thus enabling me to get a thorough practical training in light and heavy Diesel engines and fill the present deficiency. In this connection I may add that a letter from my professor recommending me for this training has been submitted to the Education Department, India House, LONDON.

In conclusion, may I assure you Sir, that I have asked for the present extension with the primary object of filling the present demand for qualified Diesel Engineers. My services in this field will be of immense help to the Government, in view of the shortage of Diesel Engineers in Diesel vehicles.

Hoping that my case will receive your kind consideration and favourable action.

I have the honour to be,
Sir,
Yours most obediently,
Syed. R.A. Gesudraz.

P.S. A letter with an accompanying letter from the professor of my college has already been submitted through the proper channel.

Mr. S.R.A Gezudraz 1945 Scho

Ref: i From the DIE No 2344 EII/48

ii From the High Commissioner London Lr No EA 8612 d. 13-2-50

Mr. S.R.A Gezudraz a 19 scholar is undergoing training in Automobile Engineering in the Auto Training College London. On the completion of his studies he is intend for absorption in the Industries Dept. The DIE has reported in his letter first cited that the scholar may be considered for appointment to the post of Head of Automobile Engineering section in one of the Polytechnics.

The scholar's scholarship expires

~~3 50~~

~~3 50~~ and he has proposed ~~[illegible]~~ ~~extension of his scholarship for~~ ~~[illegible] so as to~~ ~~enable him to undergo further~~ ~~training in diesel engines.~~ ~~[illegible] India~~ ~~[illegible] his application~~ ~~[illegible] may be~~ ~~provided [illegible] for the~~ which may be provided for the scholar on his return to India. A copy of the letter ~~from~~ of the High Commissioner ~~cited~~ together with its enclosures is forwarded to the D I & C. He is requested to state whether the extension is absolutely necessary from the ~~[illegible]~~ point of view of the scholar's employment in the Polytechnic.

A very urgent reply is requested.

Overseas Scholarships - 1945-46 - Mr.S.R.A.
Gesudraz.

--

Mr.S.R.A.Gesudraz was selected in 1945-46 for the award of an overseas scholarship in 'Tobacco Blending and Cigarette Making', a subject proposed by the Development Department. Admission in a suitable institution was first tried for the candidate in the United Kingdom. But as all attempts to secure the candidate's admission in the U.K. failed, his papers were transferred to ~~to~~ the U.S.A. and admission was tried in the U.S.A.

Ever since his selection in 1945 Mr.Gesudraz has been waiting to go abroad. From 1st January 1946, the Government have been paying him a monthly allowance of Rs.100 in order to mitigate the hardship caused to him on account of the delay in securing his admission. Recently the Government in the Devt. Dept. have passed orders appointing him temporarily as Head of Mechanical Engineering Section, Mangalore Polytechnic.

G.O. No. 610 Edn
16-3-47

G.O. 1444 Dev
15/4/47

p1 cf

Now, news come from the Government of India that it has been found impossible to arrange for Mr.Gesudraz's studies even in the U.S.A. In the circumstances, it seems Mr.Gesudraz may now be offered a new subject suited to his qualifications. He is a B.E. in Mechanical Engineering. Devt. may be requested to state, in consultation with the D.I.C., whether he may be sent overseas for training in any subject connected with Mechanical Engineering for which a foreign trained candidate may be required. It may be mentioned here that Automobile Engineering (for which a degree in Mechanical Engineering was specified as the minimum educational qualification required) was one of the subjects given by Devt. originally with reference to an enquiry from this Department regarding the number and the subjects of overseas scholarships that would be required by them for 1947-48. But subsequently as the total number of overs

A

x file [illegible] up
[illegible] 47-48
[illegible] file in
O.A.
[illegible] 12934 D1/
16-4 [illegible]

scholarships for 1947-48 were limited to 35 and thereby the scholarships allotted to Devt. subjects had to be restricted to only 17 (instead of 34 originally required by Devt.), Automobile Engineering was left out by that Dept. in preference to other important subjects. Devt. may now perhaps consider this subject, Automobile Engineering, for Mr.Gesudraz.

If Devt. could suggest a fresh subject for Mr.Gesudraz he may be informed of the ~~XXX~~ change of subject and the Govt. of India ~~required~~ requested to arrange for his admission abroad for the new subject. While suggesting a subject for the candidate Devt. may also be requested to specify the names of institutions abroad considered suitable for the candidate.

No. F.3/11/45/0DIV d 10-12-47
From Mr. S.R.A Gesudraj, Lr d 7-12-47

Pl. see the notes ~~from~~ on pp 1-3 ante, ~~and~~ the letter on pp 11-12 cF. and the telegram since recd from the Govt of India on pp 27-29 cF. As the Course offered is in one of the subjects ~~prescribed~~ suggested for the Scholar viz Automobile Engineering and as the Scholar has waited more than two years for admission, it seems that the offer of the College of Automobile Engg. Training, London may be accepted.

⊗ 2nd [illegible] p. 119

[pp 15]

Dev. may see for remarks.

If they accept the offer now made for the Scholar, they may be requested to suggest in consultation with the D.I&C., if necessary, the details of the nature of studies to be ~~pursued~~ prescribed for Mr. Gesudraj. With ref. to his letter on pp 31-32 cf. Mr Gesudraj may be given a reply when ~~the~~ a decision is arrived at on the present offer of admission.

From Messrs Govan Bros Ltd, Telegram d 19-2-48.

p59 cF

Pl. see the telegram from the Travel Agents, Messrs Govan Bros Ltd on p59 CF. They offer 'A' grade passage to Mr. S.R.A. Sesudraz by the boat Atlantis which leaves for the U.K. from Bombay on 9-3-48. In the instructions given to the Travel Agents, they have been asked to arrange for the Students II class (or where there is no second class, the class next below first class) sea passages from the Port of embarkation to the Country of Study. ~~The Travel Agents~~ It is seen from the telegram on p59 CF that the fare for passages by the boat Atlantis ranges from £66 to £82 and that presumably there is no classification of accommodation in the boat as first class and second class. As the Scholar has to be in the U.K. for training from April 48 and as it is not unusual to agree to A grade passages in deserving cases, the present offer in regard to Mr Sesudraz may be accepted.

Vide A in p32 cf of (S)

p81CF

Pl. see the telegram from the G of I. on pp 85-87 cF. The Travel Agents have already been advised to finalise the Scholar's passage by the boat "Atlantis". The difference in cost ~~between~~ from a B grade passage is also agreed to be met entirely from provincial funds. But it may be noted that the latter decision is taken on the definite understanding that the G of I. will not bear any ~~of the~~ portion of the extra cost involved vide their telegram on pp 77-79 cF. Now that they are prepared to bear half the cost in question, it is but fair that the expr. should be borne in equal proportions by this Govt. and the Central Govt. The latter may be addressed in this regard.

pp85-87CF

The Scholar may be informed that he should meet the difference in cost between the A grade passage now offered to him from that of a B grade, in the first instance, as required by the G of I.

Mr. S. R. A. Gresndraz was selected in 1945-6 for the award of an Overseas scholarship in "Tobacco blending and Cigarette making". Admission in a suitable institution was tried both in the U.K and in the U.S.A without success. The scholar was consequently offered a new subject of study in the order of preference indicated below:-

(1) Mercantile Marine Engineering
(2) Automobile Engineering
(3) Textile Technology.

The scholar obtained admission for item (2) in the Automobile Engineering Training College, London. The programme of studies fixed up for the scholar was special workshop training in Automobile Engineering the first year of stay followed by theoretical studies leading to diploma in the 2nd year. p 103 cf

---

Cr 13

(104)

p 107 cf

The G of I have now forwarded a copy of the High Commis letter according to which it is impossible to arrange for the scholar's studies exactly as desired by the Govt. Instead, the scholar will straightaway take up the normal 2 yr diploma course in Automobile Engineering which comprises a balanced programme of theoretical studies and practical training in the subject. It is stated that at the end of 2 yrs the same result as desired by the Govt will be achieved. The G of I recommend the proposal which may in the circumstances be accepted by this Govt. Dev may offer remarks on the proposal.

2. With ref. to para 2 of the G of I's letter on p 107 cf, a copy of letter of 7.5.48 from Messrs Crovan Bros may be communicated to them.

C2

C no 15352/49 from the Secy, Ministry of Edn
No. F.3-11/S.2/45-S2 of 25.2.49 — p 122 c.f.
[Notes from p 12 ante may be perused]

Mr. S. R. A. Gerundraj, a 1945 Scholar, has been undergoing, since April 1948, a Diploma Course of 2 yrs in Automobile Engg in the Automobile Engg Training College, London. It was stated by the High Commissioner, London, that within the two yr period the scholar would acquire theoretical instruction as well as workshop experience. (p 116 c.f.) The Scholar has represented to the H.C that practical training facilities be secured for him on completion of the Diploma Course. (p 126 c.f.) The H.C. has been able to secure an offer of practical training for the scholar for a period of one yr from March '49 and he enquires whether the scholar may be permitted to interrupt his Diploma Course and go in for practical training immediately or whether he may be allowed to complete the Diploma ~~Course~~ of two yrs and then be granted an extension for one yr to enable him to undergo practical training. ~~The H.C. prefers the first course as it would obviate the need for an extension.~~ (p 126 c.f.) The Govt of ~~India are inclined to agree with~~ the H.C. that the scholar may interrupt his Diploma Course and take up 1 yr practical training. However, they want this Govt to consider the two alternatives from the point of view of the scholar's employment on return, and to communicate their decision by 5-3-49. (p 122 c.f.) A

E & P The scholar is intended for absorption in Industries. There does not appear to be any particular post in view for his employment on return. As the H.C. states that 1 yr academic training now received by the scholar and practical training proposed for 1 yr would fit him with the necessary background for (p 126 c.f.)

dealing with practical problems and as this would obviate the need for any ~~1 yr~~ extension in the period of scholarship, it is for consideration whether the scholar may be permitted to interrupt the Diploma Course and ~~to~~ take up practical training for 1 yr. WCD may be requested to offer their remarks in the matter.

(106)

Vide note on pp 14-15 ante

Mr. S.R.A. Gesudraz, ~~is~~ a 1945 scholar, ~~who~~ is undergoing training in Automobile Engineering in the Automobile Engineering Training College, London. On the completion of his studies he is intended for absorption in Industries. His scholarship commenced on 30-3-48 and will normally expire on 29-3-50. He has now applied for extension of ~~the~~ his scholarship for a period of 6 months. He states that the extension is required to enable him to undergo further practical ~~technical~~ training in Diesel Engine~~ering.~~s The High Commissioner for India recommends the application and states that his request may be considered in terms of the employment which may be provided for the scholar on his return to India. As the scholar has been undergoing theoretical and practical studies in Automobile Engineering for 2 years no further extension ~~of~~ at his scholarship seems necessary. ~~Dev.~~ He may ~~see for remarks.~~ return to India after March 1950. Dev Home may see for remarks.

Further notes of Edn above may be perused. The DIC, in ~~ot~~ another connection, has reported that the scholar may be considered for appointment to the post of Head of Automobile Engineering Section in one of the Polytechnics. He may now be consulted whether the present extension is absolutely necessary from the view point of the scholar's employment in the Polytechnic

[Tr. II]

Subject to orders a draft memo is submitted below for approval. It is presumed that the entire expenditure in respect of the scholar's extension will have to be borne by the provincial Govt.

HOME (TRANSPORT.I) DEPARTMENT.

This file deals with the application for extension of scholarship from ~~after~~ 29-3-1950 for a period of six months of Mr. S.R.A. Gesudraz, a 1945 scholar, who is undergoing training in the Automobile Engineering Training College, London, so as to enable him to undergo further practical training in Diesel engines. On the completion of his studies he is intended for absorption in the Department of Industries and Commerce. The notes of E & P.H. and Industries and Commerce. The notes of E & P.H. and

36962 17/3/50

cf the note at p 16 ante

and Development at pp.17-18 ante may be perused.

In his letter at pp.162-163 c.f. the scholar has stated that in view of the fact that he may be called upon to serve in the Transport Department on his return from higher studies, who are having a fleet of diesel buses, and in view of the fact that there is a shortage of diesel engineers in India, he may be allowed an extension of six months from 29-3-1950 so as to undergo a six months' course with one or two firms specializing in the operation and maintenance of Diesel vehicles. The Principal of the College in which Mr. Gesudraz is studying has recommended his case to the High Commissioner and the High Commissioner while recommending the application says that the Scholar's request may be considered in terms of the employment which may be provided for the Scholar on his return to India. Both the E & P.H. and the Development do not consider that the extension of his scholarship is necessary. ~~Apparently~~ The file has apparently been sent to this Department for remarks whether the scholar could be absorbed in the Transport Department on his return, as the Transport Department are operating 25 diesel vehicles. The Government of India have since informed this Government that they cannot share the expenditure involved on the proposed training of the scholar, that if the Provincial Government consider the training absolutely essential from the point of view of the scholar's employment they may agree to extension either at their entire cost or at scholar's cost or on basis of loan to scholar repayable to the Provicial Government on return.
