Sir,

SUB: Grant--Teaching grant--Kshatriya Vidyasala
High school, Virudhunagar--Special Grant.

Wb-74 of (A) REF: G.O.Ms.No. 510 Edn. dated 24-2-1949.

Wb-74 of (A) In the G.O. cited above, Government have sanctioned as a special case, the payment to the management of the Kshatriya Vidyasala High school, Virudhunagar of a fixed teaching grant of Rs. 5000/- every year beginning from 1947-48 towards the cost of maintenance of the school. Accordingly Special grant for the years 1947-48 and 1948-49 were sanctioned by me. The grant for the year 1949-50 will be sanctioned along with the regular teaching grant in the current year. The management of the above school have requested me to accord permission to the closure of Form I from the school year 1950-51 and accordingly permission was accorded by me. Recognition in respect of Form I has also been withdrawn from the school year 1950-51.

✓ The management have also reported that the Form II will be closed from the next year.

3 As a result of the non-existence of Form I this year and Forms I and II from next year, I suggest that the Special grant payable to the Institution may proportionately be reduced in respect of Form I during 1950-51 and Forms II during 1951-52.

Yours faithfully,

S. O. Panchanabhi

The D.P.G. is informed that sanction was
accorded to the payment to the management of the
Kshatriya Vidyasala High School, Virudhunagar, of a
fixed teaching grant of Rs 5,000 every year ~~as there was~~
~~no other~~ basis on which the grant could be assessed as the
management was not levying any fees. It is therefore
considered that the amount of grant to be reduced
on account of closure of Forms I and II in the school
will have to be estimated ^{only} with reference to the

 proportion the strength of the concerned forms bears to the total strength of the school. The Director is requested to specifically state the amount of grant that will have to be reduced on this basis on account of the closure of Form I in 1950-51 and Forms I and II in 1951-52. If the Director considers that the reduction can be made on some other basis, he is requested to suggest it and the amount that will have to be reduced on that basis.

Ref:- Government Memo.No.27140 B/50-1 Edn. dated 11-9-1950.

H 3-4 ante
 H 3-4 ante
 With reference to the Memo. cited above, I have to state that it is not practicable to determine the amount of special grant to be reduced on account of the closure of form I with reference to the proportion, the strength in each of the concerned forms bears to the total strength of the school as the strength in each sections of all forms will vary every year. I therefore suggest that the amount of special grant to be reduced may be calculated with reference to the proportion the form I bears to the three forms (ie) I to III Forms. Though one third of Rs.5,000/- works out to Rs.1666, I suggest that a sum of Rs.1500/- may be reduced on account of the closure of forms I in 50-51 and a further sum of Rs.1,500/- on account of the closure of form II in 1951-52.

I request that Government may be pleased to approve of my suggestion and pass early order in the matter.

Yours faithfully,

J. O. Panchanabhi

Memo No. 27/40 B/50-2 Edn d/30.9.50.

In his letter cited, the B.P.S. has suggested that the reduction in the Special grant payable to the Kshatriya Vidyasala High School, Virudhunagar on account of closure of Form I in the school may be calculated at one third of the total grant of Rs 5,000/-. As the institution is a complete high school providing instruction upto Form VI, the Director is requested to state whether it will not be more accurate and equitable if the amount to be reduced is calculated with reference to the proportion the number of Forms closed bears

to the total number of Forms in the School when it drew the a
Special grant of Rs 5,000/- (ie $\frac{1}{6}$ in 1950-51 and $\frac{1}{3}$ rd in 1951-52).
