As called for in Government order referred to above,
I am to state that the closing balance of the Elementary
Education Fund Account on 31.3.1950 is - 7026-11-0 as against
the anticipated deficit of Rs.28,030/- as per the revised
budget. In this connection, it is represented to the Govern-
ment as follows:

2. After the submission of the revised and budget esti-
mate for 1950-51, orders were received from the Collector for
the recovery of a sum of Rs.51,364/- on account of Excess Edu-
cation Tax adjusted for fasli 1358, with the permission of the
Government (vide Government Memo No.3093-C-50-2 Edn. dated
23..3..1950) the amount as refunded in two instalments in
April and May 1950. Further a sum of Rs.10,570/- was refunded
to the Government as per audit report for 1948-49 being the
excess equivalent grant under section 37 of the Elementary
Education Act. these resulted in the diminution of receipts
to the extent of Rs.61,940/- (i.e. 51,370 plus 10,570)

3. A statement showing the receipts - Ordinary - Anticipated
during the year 1950-51 is annexed to this letter. This is pre-
pared as per instructions contained in G.O.No.937 dated 23.3.50
raising the credit under Education Tax and Government contri-
bution under Section 37 of the Elementary Education Act. Credit
has also been taken for a sum of Rs.2,00,000/- being the subsidy
sanctioned in G.O.1336 Edn. dated 28.4.50. Though the credit
under Section 37 of the Elementary Education Act has been taken
at 9 pies in the rupee, orders of the Government have not been
received for the balance of subsidy.

4. Based on the above, the anticipated deficit would be
Rs.2,02,275/- as detailed below.

	Rs.
Total expenditure ordinary as per budget provision 1950-51.	18,84,050
Deduct Savings to the extent of 1/3 of the provision made as the 50 new schools have not been opened till July 1950.	35,600
Net expenditure.	18,48,450
Total Receipts.	16,46,175
Net deficit	2,02,275

The Government already observed (vide G.O.937 dated 23.3.50) that there would be a deficit of Rs.3.68 lakhs and that orders would be issued separately to meet the deficit towards this they were pleased to sanction Rs.2,00,000/-

It is, therefore, requested that another sum of Rs.2,00,000 may be sanctioned at an early date, so that payment of salaries to teachers might not be delayed. It is also requested that the balance of grant under Section 37 of the Elementary Education Act at 9 pies in the rupee may also be sanctioned early.

During 1949-'50 a subsidy of Rs.2.94 lakhs was paid to the District Board, North Arcot, ~~towards~~ ^{against an} expenditure of Rs.3.89 lakhs on d.a., on the assumption the the Budget would close with a Nil balance. An additional subsidy towards this deficit may now be sanctioned.

2. The Bd. is eligible for a contribution in respect of Education tax at 9 pies in the rupee of land revenue. An amount of Rs. 88,518/- has already been sanctioned in G.O.No.1205 Edn. dated 15-4-'50 towards the contribution at the rate of 4½ pies in the rupee of land revenue. The balance due may be paid now.

3. It was anticipated that there would be a deficit of Rs.3.68 lakhs in the E.E. Two draft orders are submitted for approval.

4. May be sent to Finance for acceptance of the draft orders.
