Dear Sir,

The Hindu School Committee which is in charge of the High School, has also under its management a boy's Elementary School which was in the year 1936 handed over by the Municipality to the Committee. After taking over the charge of the Elementary School from the Municipality the Committee has been able to improve it to a large extent. As a matter of fact, the Elementary school now consists of 12 sections as against about 5 sections at the time of transfer. This is a clear proof of the Committee's admirable and earnest work.

There is a Municipal Girls Elementary School by the side of our boy's school. It is the opinion of the Committee that if this girl's school is handed over to this Committee, the girl's school can also be improved upon like the boy's school. In this connection, I wish to state, what is only very well known, that the Hindu Middle School after its conversion to High School is attracting into its fold large number of students both boy's and girl's. If this girl's school is transferred to our management it can also be worked as a feeder institution to the High School thereby facilitating girls to have High School studies. The Committee is willing to run the girl's school as an aided institution giving free education to all.

I request that you may be pleased to transfer the management to us and provide us an annual grant of Rs.1000/- for its maintenance.

Sir,

P 3 of

I made an application on 28-11-1949 to the
 Municipal Chairman, Vaniyambadi Municipality requesting
 him to transfer the management of the Municipal Girl's
 Elementary School started in the year 1889 to the
 Management of the Hindu School Committee.

The Hindu School Committee has under its
 Management a High School and a Boy's Ashram Elementary
 School. The Hindu School Committee wants to take over
 the Municipal Girl's Elementary School under its manage-
 ment not only to improve it but also to make it serve
 as a feeder institution to the High School. I may also
 state that there are as many as 100 Girl students studying
 in our High School.

It will not be out of place for me to mention
 here that the Boy's Elementary School which we are now
 managing was originally managed by the Municipality with
 5 (five) sections in all and now we have improved it to
 the extent of 12 sections which is proof positive of the
 Committee's admirable and earnest work.

The conscious opinion of the people of the
 locality is for the transfer of the management to the
 Hindu School Committee. This is reflected in the

P.T.O.

-2-

Municipal Council's unanimous resolution NO. 715 of 13-12-49 favouring the handing-over of the management to us.

In my application to the Municipal Chairman above referred to (copy of which is herewith enclosed) I made a request to the Municipal Council to provide us an annual grant of Rs.1000/- for the maintenance of the School. On reconsideration my Committee has resolved not to ask for the contribution of Rs.1000/- annually.

I humbly request you to pass orders for transferring the Management to us.

Yours faithfully,

Dear Sir,

Subject: Education Elementary -
Transfer of management of school -
Municipal Girls School, Rehmanpet
to the local Hindu Committee.

The transfer of management of a
Municipal girls hindu elementary school
managed by the Municipal Council Vaniyam-
badi to the local Hindu Committee, has
been engaging the attention of the Edu-
cational Authorities ever since December
1949 and no final orders have been received
so far. The Council has agreed to the
proposal already and communicated their
willingness. A point for dispute was the
stipulation of a condition by the Hindu
Committee to an annual contribution by
the Municipal Council of Rs 1000/- which
has also been now set aside, since the
correspondent has agreed to forego the
same. The Government in the Education
Department has been apprised of this fact
as well. Now since the schools are re-
opening after summer, orders of government
if communicated in time would save a lot
of difficulties in readjusting. The Muni-
cipal school has re-opened as usual on the
1st June. The schools under the Hindu
Committee are to re-open shortly and I
request you to kindly issue orders in
the matter at a very early date and oblige.

Thanking you for an early reply,
Yours sincerely

2. No recurring subsidy is being paid by Government for the
maintenance of this Municipal School in particular. The Municipal
Council gets a lump-sum subsidy annually for the maintenance of all
Elementary Schools opened prior to 1921 of which this is one.

3. Regarding the question of payment of an annual contribu-
tion of Rs.1,000/- to the Committee by the Municipal Council kind
attention of Government is invited to the Correspondent's letter
No.137/49-50 dated 15-2-1950 to the Secretary to Government, Education
Department, wherein the Committee has abandoned its claim for this
contribution.

4. The Municipal School has a building of its own, but
the council does not contemplate transfer of this building to the
Committee. It is however, prepared to let out the building to the
Committee free of rent with furniture and the Committee has agreed
to keep the building in a state of good repair. It may therefore
be made one of the conditions of transfer of management that the
Hindu High School Committee shall be responsible for the proper
maintenance of the Municipal building.

5. The Committee has also undertaken to impart instruction
free in the school.

6. Transfer of management is therefore recommended.
