Enclosures: No. Roc.No.1067 C4/49 dated 19th November. 1949.

Sir,

Sub: Madras Educational Subordinate Service - appointment of School Assistant II Grade.
 Ref: G.O.No.Ms.1280 Education dated 20.5.1948. 11/13-19/10

I have the honour to state that the recruitment of candidates to the posts of School Assistants Grade II since 1948 is being made in accordance with the instructions issued in G.O.No. Ms.1280 Education dated 20.5.48. According to the instructions issued in this G.O., appointments to the posts of School Assistants are to be made on the successful completion of B.T. (or B.Ed.) Training and Basic Training. The Commission recruits (i) untrained graduates (ii) candidates undergoing B.T. or B.Ed. training and (iii) candidates who have completed B.T. or B.Ed., training.

2. The untrained candidates selected by the Commission are being entertained as School assistants under emergency provisions pending their deputation to B.T. or B.Ed., Training. Even candidates who have successfully completed their training cannot be appointed regularly before they complete their re-training in Basic Education. It appears anomalous that the appointment of candidates is being made on the basis of the instructions issued in G.O.No. Ms.1280 Education dated 20.5.1948.

p.t.o.

didates recruited by the Commission should be made under emergencies notwithstanding the fact that the candidates were recruited by the proper authority according to the rules. The difficulty lies in the fact that three types of people are recruited for the same class of appointment viz., B.T. trained and Basic Trained persons (ii) B-T. or B.Ed. trained and (iii) Untrained graduates.

3. I am of opinion that the trained graduates recruited should when they are appointed be appointed as a regular measure. Untrained graduates may be appointed under emergencies pending their successfully completing their training. I request that Government may be pleased to consider these suggestions and pass their orders at an early date.

Yours faithfully,

M. S. S. S.

for Director of Public Instruction.

C.No. 91699 A/49 from the D.P.I. No. 1067 C4/49 dt. 19-11-49.

M.E.S.S. Appointments of Schools Assts. Second grade.

In G.O.No. 1280 Edn., dt. 20-5-48, the Govt.

decided that in order to attract to the Edn., Dept. the right type of ~~men~~ and ~~women~~ at a fairly young age the age limit of 30 for Direct recruitment to the posts of School Asst., ~~second~~ ^{II} grade should be reduced to 25, and that the requirement of the possession of a degree in teaching should be waived. It was also decided that the school Asst. should be deputed before actual appt. for the B.T. or B.Ed. training and also for the Craft trg. to be conducted by the Govt., According to this decision the Commission recruits:-

- (i) untrained graduates.
- (ii) candidates undergoing B.T. or B.Ed. trg.
- (iii) candidates ^{who have} completed B.T. or B.Ed. trg. but who have to undergo Craft trg.

So far as the Commission is concerned ~~all~~ the three categories of candidates are all ~~in~~ the same level. No preference need be given to any candidate because he possesses the B.T. or B.Ed. trg.

In the circumstances explained ⁱⁿ ~~in~~ para 2 of his letter in the ~~cf. he is of opinion~~ ^{the Director considers} that the trained graduates recruited should, when they are ^{appointed} ~~appt.~~ be appointed as a regular measure and the untrained graduates ~~may~~ ^{may} be ^{appointed} ~~appt.~~ on a temporary basis, pending their successfully completing the g trg.

It is submitted, that the view taken by the D.P.I. does not seem to be fair to the untrained graduates recruits. The proper method would be to appoint all the candidates according to the rank fixed by the Commission, first on a temporary basis and to send them for ^{the} further trg. prescribed and allow them a normal period to complete it. After each candidate completes his trg. the appt. should be regularised from the date on which the temporary service commenced. It will not ^{be} proper to give preference to any candidate and make ~~his~~ ^{it}

ppt.regular simply because he possessed the qualfn. of B.T. or B.Ed.at the time of recruitment. This is not the intention of the scheme sanctioned in G.O. No.1280 Edn., dt. 20-5-48.

The D.P.I. may see the case U.O.

The question is not simple. If the B.T. & B.Ed qualification is totally ignored, they will not be taken in any large numbers, and our training colleges will suffer. I am inclined to agree with D.P.I. Public Services may see
