Sir,

Sub: Education - Elementary - Pudukkottai State - Transfer of
Elementary Schools - to local bodies.

Ref: Your Roc.No.457/B.3/50-2 dated 5-6-50.

With reference to your letter cited above, I am enclosing here-
with a copy of Resolution No.271 dated 12-6-50 for information and
necessary action. No provision has been made in the budget for
1950-51 for the payment of salary etc., to Elementary School teachers
now proposed to be transferred to municipal management.

The financial position of the Council is not satisfactory. So
it is not possible to meet the expenditure from the general funds of
the Council. The Council has resolved that if the Government agrees
to pay the expenditure incurred by the Government for the maintenance
of elementary schools within the municipal limits as grant and accept
other conditions to be imposed by the Council the schools may be taken
over to the municipal management. I therefore request that the -
Government may be moved to pay grant equivalent to the total annual
expenditure incurred by Government on the maintenance of these schools
for maintenance of nine schools by the Municipal Council until the
Council is able to manage the schools by levying Education tax. There
is no separate fund maintained by this Council as "Elementary Education
Fund".

In the light of the resolution of the Council I am unable to take
over the management of the schools immediately in compliance with your

letter

Note - P.T.O.

Note:- The Council has objected to the taking over of the management of nine defunct State Ely. Schools, mainly on the grounds that its E.E. Fund has not been constituted and consequently there is no provision for the payment of salary to the E.E. Staff. The general financial position of the Council is also stated to be unsatisfactory. It is submitted that when a Council is formed, it automatically follows that its E.E. Fund is constituted. Moreover, this Council has asked to send its E.E. Budget at least from next year onwards.

2. Edu. Tax is not levied in this municipality. The Council may be asked to submit proposals in this regard through the Exr. of L.A. at an early date. The question of sanctioning maintenance grant for the schools in question may be considered ^{only if it becomes} necessary, in due course as recommended by the D.P.I. in his ^{reference to the Council on the other functions referred to by the Council} endt. on p. 1. Cf. It does not seem necessary to make

Subject to orders, the draft ^{and Finance} overleaf is for approval. L.A. may see.
