Notes.

1. Basis of calculation:- 30 day month.
2. Consequent on the increase of strength of the Dett. at Anantapur the expenditure under T.A.- Cadets is increased.
3. The no. of cadets proposed to be taken to/camp this year is 160, as against 150 last year.
4. Unlike last year this camp is not being held in pucca building, hence provision has to be made for hire of camp site and tentage.
5. On account of the camp being held outside Madras the expenditure under Transport Charges will necessarily be high.
6. Increase in the labour charges owing to the camp being held under canvas.
