The ~~equipment~~ ^{clothing} required for the units of the Nation

Cadet Corps in the Provinces is normally supplied by the

Ordnance authorities on payment of cost. The Officer Com-

manding the 2nd Madras ~~Electrical & Mechanical Engineer~~ ^{Circle}

Section, N.C.C., has reported that the banians at the

rate of two per head have to be supplied to the cadets and

there is no stock of banians in the Ordnance Depot, Avadi.

He has, therefore, sent some quotations from three firms in

Madras for the supply of the banians and requests that

sanction may be accorded for the purchase of 60 sandow

modelled banians measuring 34" and 60 measuring 32 "

2. Out of the three quotations received, the one

from the Mahalakshmi Emporium is of no use, as all the

sizes of the banians available with them are of 'V Neck'

pattern. The lowest prices quoted by the other two

firms for the 32" and 34" banians are as follows:-

	32 inches. Rs. per dozen.	34 inches. Rs. per dozen
Kashmir Fancy Stores.	12--0--0 to 15--0--0	14--4--0
Venkatesh Vastralaya.	13-12-0	

It will be observed that the price quoted by the former

for the 34 inches banians is lower than that of the latter

and that two out of the three rates quoted are lower than

quality. It is submitted for orders whether both the sizes

of the banians may be permitted to be purchased
