RC.No.1034 LL/50 dated 16th Aug. 1950.

GRANT-EQUIPMENT-Madras Xian College High School, Madras
Purchase of furniture-Inclusion of the scheme in the approved list for 1951-52.

Ref: Government Memo.No.20245-B/50-1 Edn.Dt.26/7/50.

The Correspondent, Madras ^{Christian} Xian College High School, Madras, reports that as it was the desire of the management of the school, that the new school-building should have modern furniture and equipment, they sold away a certain number of dual desks and almirahs as they were to be replaced by new articles and in order to meet ~~that~~ part of the cost of the new furniture. The total cost of the new furniture and equipment proposed to be purchased by the Management for the new school-building is estimated to cost ~~at~~ about Rs.40,000/-. The Government grant towards the purchase of the new furniture is only for a part of the furniture and the application was considered by ~~the~~ limiting it to Rs.5,000/- and was specially recommended to Government. The steel cabinets and cupboards are required for keeping valuable documents (S.S.I.C. registers etc.) and for developing a system of individual records of boys respectively and they have been included in the application for grant on the recommendation of the Inspecting Officers.

2. None of the articles of furniture disposed of by the Management was purchased with Government grant as the school has not been in receipt of equipment grant worth mentioning in the recent years.

3. In the circumstances, I recommend that the application of the school for sanction of equipment grant may be included in the approved list for 1951-52.

Yours faithfully,

J. V. Laurentine

Note. The D.P.G. has explained that the management
of the Madras Christian College School sold away some
furniture so that the new school-building is fitted with
modern furniture. The estimated cost of the scheme
is Rs 40,000 out of which only Rs 5,000/- (maximum limit)

the Director recommends that the scheme may be
included in the approved list even though the management
