Copy of petition dated the 30th August 1951 from certain
peons and chobdars, to the Chief Secretary to Government, Madras.

We, the peons to Hon'ble Ministers and peons in the Depart-
ment Working under officers, beg to submit the following for your
kind consideration and favourable orders.

2. We were supplied with 10 yards of khadi or mull annually
for our turban cloth besides two sets of dress for wear while on
duty. Out of these ten yards given for turban three pieces
were made. The Minister's peons when they go on tour invariably
go with a clean turban cloth and by the time they return from
camp their turban cloth becomes dirty due to travel by train and
road and they have to put to wash immediately on their return to
headquarters. We were thus managing fairly well all these days
with the three pieces made out of ten yards so given. Last
year, the Ministers' peons were issued only 5 yards of khadi for
turban in the beginning. Later on representing the matter to
the Chief Secretary, we were issued 10 yards of khadi for turban
cloth, on the orders of the Chief Secretary. To our surprise
this year, instead of issuing 10 yards of khadi as usual only 6
yards were issued along with two sets of dress. We are expected
to make two pieces of 3 yards each for turban cloth. The turban
cloth pieces so made will not be sufficient for use for the whole
of the year, as there are only two pieces. When one dirty cloth
is put to wash, only the other remaining one has to be worn and
if at this stage we are called upon to accompany the Hon'ble
Ministers, we have to go with them with the turban cloth put on
and by the time we return it will not be clean and there will be
nothing to change over. Under these circumstances we beg to
request you to issue orders to continue the practice of issuing
ten yards towards our turban cloth.

4. We once again humbly request you, Sir, to kindly issue
orders as last year to continue the old practice of issuing ten
yards of khadi for turban, which the minimum required for use for
the whole year and to issue instructions to alter the dress
supplied to us to our original measurements taken from us.

U.O. Note No. 35946E/51-2 Edn. dated 8. 2-52

According to the existing orders, each of the peons attending on H.Ms. and Officers of the Sectt. is entitled to the supply of 4 pieces of turban cloth which should be retained for a period of two years. In practice it is, however, observed that each peon is supplied with two pieces of turban cloth of 3 yards each, every year. Certain Chobdars and ~~menials~~ menials have represented that the turban cloth now supplied will not be sufficient for use for the whole year. They have therefore requested that they may be given ten yards of Khadi every year so that they can have 3 pieces of turban cloth. The Govt. do not consider it necessary to supply 10 yards of turban cloth for one year, and it will be sufficient ~~that~~ if all the four pieces of turban cloth for which a peon is eligible for two years is supplied at a time to each of the peons attending on the H.Ms. with instructions to retain them for ^{two} ~~three~~ years.

Issued as memo No. 35946 E/SI-1 Edu dt 28-11-51.

From the Supdt. of Stry No. B6.35582/51 dated 16-10-1951.

Prior to the issue of orders in G.O.Ms.No.2370 Education dated 24--8--1951, the scale of supply of turban cloth to the peons working under Ministers and Officers in the departments of Secretariat, was as follows:

Description.

Period of wear.

4 Pieces of turban cloth, at 5 yards each.

2 Years.

Each peon is supplied with two pieces each year.

2. In July 1950, the Superintendent of Stationery brought to

notice that the inferior servants working in different departments, were supplied with turbans of varied lengths as indicated in his letter on page 1 cf. of G.O.Ms.No.2370 Edn. dated 24--8--1950.

The Superintendent considered that there must be some uniform length fixed for the turbans supplied to menial servants of all departments.

He suggested that the length of the tuban cloth be reduced to 3 yards of white khadi mull, ^{2 1/2" wide or} and to 4 yards of khaki khadi of 36" wide.

The Government approved the suggestions of the Superintendent of Stationery and issued orders accordingly in G.O.Ms.No.2370 Edn. dated 24-8-1950.

According to these orders, the peons attending on the Hon'ble Ministers and on the Officers in the Departments of Secretariat are each entitled to the supply of 4 pieces turban cloth each of 3 yards of mull or 4 yards of khaki khadi.

3. Certain peons attending on the Hon'ble Ministers and on the Officers in the Departments of Secretariat, request that for the reasons given in para 2 on page 1 cf., they may be supplied with

10 yards of turban cloth, ^{each year} as before.

4. The Superintendent of Stationery, who was consulted on the representation, has no objection to supply 9 yards of Mull to make 3 turbans at 3 yards each, for such of the menial menials who have to accompany the Hon'ble Ministers on tour.

5. Submitted that as per the existing orders, each of the peons attending on the Hon'ble Ministers and on the Officers of Secretariat are entitled to the supply of 4 pieces of turban cloth, which should be retained for a period of 2 years. ^{For further} For turban, each is supplied with 2 pieces ^{at} 3 yards each in ^{every} the first year. If all the four pieces of turban cloth are supplied at a time asking the peon to keep the clothing for two years, (instead of giving 2 pieces of turban cloth each year,) the difficulty that "there is no turban cloth to change over on return from tour" will not arise. In the circumstances it is for orders:

(i) whether the departments of Secretariat may be requested to issue 4 pieces of turban cloth at a time to each of the peons attending on the Hon'ble Ministers and on the Officers of Secretariat, with instructions to retain them for two years instead of issuing 2 pieces of turban cloth each, a year; or

(ii) whether the peons may be supplied with an additional piece of turban cloth of 3 yards, as recommended by the Superintendent of Stationery, and in the latter case whether the additional supply of one turban cloth may be restricted to such of the peons who have to accompany the Hon'ble Ministers on tour.

The notes of Edn and Chief Sectt on pp 2-3 above may be perused.

Edn have noted that as per the existing orders each of the peons attending on the HM's and on the officers of the Sectt. are entitled to the supply of 4 pieces of turban cloth which should be retained for a period of 2 yrs ^{and in} practice each is supplied with 2 pieces of 3 yards each every year. Chief Sectt. have recommended that all the peons working under the HM's may be supplied with an additional piece of turban cloth of 3 yards per year. The grievance of the peons is that when one dirty cloth is put to wash, the other one has to be worn and if at this stage they are called upon to accompany the HM's on tour, they have to go with them with the turban cloth which get dirty by the time they return and there will be no turban cloth to change. This difficulty will be solved, if as suggested by Edn, all the 4 pieces of turban cloth for which a peon is eligible for 2 yrs. ^{are} supplied at a time asking the peons to keep the clothing for 2 yrs (instead of giving 2 pieces of turban cloth each year). Finance may advise that this procedure may be adopted thus avoiding the issue of an additional piece of turban cloth to each peon.

(This Dept's previous notes at the bottom on p3 ante)

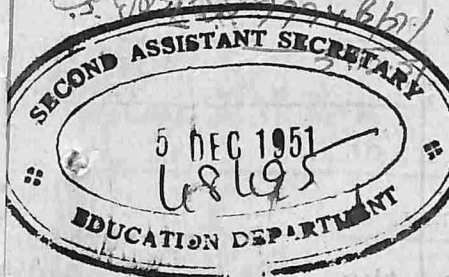

Please see the note of the Finance Dept on p.4 ante. This Department recommended the ~~first~~ ^{second} alternative of Edu Dept at '2' on p.3 ante. But in order to avoid the issue of additional piece of turban cloth to each peon. Finance suggest that four pieces of turban cloth may be issued to them ^{this} for use for two years. This Dept need not object to the suggestion of Finance. The file may be passed on to Edu Dept.

This issue is for 2 years. During this period there will be changes in personnel. Our experience is that turban cloth will not be returned by the peons concerned. A minor issue will have to be made.

(Previous fin note on p 4 above)

The difficulty pointed out at 'N' above will be there even if three pieces of turban cloth are issued annually instead of 4 pieces for 2 years. The solution appears to be to recover the cost of turban cloth not returned, from the peons concerned. Finance may therefore, adhere to the view expressed on p.4 above.

24/1/51

EDUCATION DEPARTMENT. (E).

The file relates to the supply of 3 pieces of turban cloth at 3 yards each to the peons attending on the Hon'ble Ministers and on the Officers in the Departments of the Secretariat. Attention is invited to this Department's note on pages 2-3 ante. ^{which explains the case clearly.} Chief Secretariat have suggested that the peons may be supplied with an additional piece of turban cloth i.e. 3 pieces of turban cloth in lieu of 2 pieces per year and that the supply may be restricted to such of the peons who have to accompany the Hon'ble Ministers on tour. Finance are not in favour of the above suggestion. Their suggestion is that the Departments of Secretariat may be asked to issue 4 pieces of turban cloth at a time to each of the peons attending on the Hon'ble Ministers with instructions to retain them for 2 years instead of issuing 2 pieces of turban cloth each, a year.

2. Chief Secretariat however, are of the view that as the issue of turban cloth is for 2 years, there will be change of personnel during the period, ~~and~~ that the turban cloth will not be returned by the peons concerned and that new issues will have to be made. Finance adhere to their view at 'A' above, since the above difficulty will be there even if 3 pieces are issued annually, instead of four pieces for 2 years. ~~and~~ they have also suggested that the cost of the turban cloth may be recovered from the peons concerned, if they do not return the turban cloth.

3. The suggestion of Finance Department seems acceptable. For orders. Chief Secretariat may see again,

Chief Sect

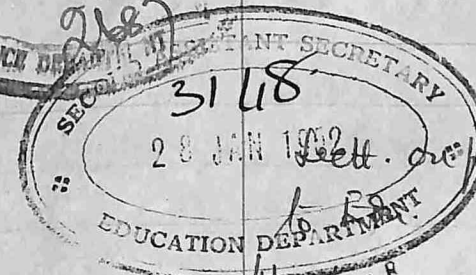

Chief Sect (OP II)

(This Dept previously noted on p. 5 ante). Notes of the Finance and Education Departments may be perused p. 5 ante. The Finance Dept still adhered to their view expressed at 'M' on p. 4 ante - 'M' - p. 4 ante that 4 pieces of turban cloth for which

a peon is eligible for two years may be supplied at a time ^{and} asking peons to keep the clothing for two years. ~~The~~ Edu Dept agree with Finance. ^{It is submitted that} this Dept may also agree with them if the file returned to Edu. ^{thus this} necessary orders in the matter.
