I have the honour to state that the question of absorption of the staff now employed in the state Elementary and Secondary Schools in Pudukottai can be taken up only when a decision is arrived at in regard to the future management of these schools. I invite attention of Government to paragraphs 3 and 5 of the Memorandum No.23130-B2/48-5 Education dated 22-6-1948 wherein Government directed that teachers employed in these schools may be allowed the revised scales of pay, admissible to teachers in local bodies in Madras pending consideration of the question of formation of a local body for that area. I would also invite attention to my letter Rc.No.823-K2/48 dated 22-10-1949 submitted in reply to Government Memorandum No.777-A/49-1 Education dated 19-1-1949 in regard to the retention of or otherwise of the Brihadambal High School, Pudukottai under Government management. In connection with the extension of the Madras Local Board Act to the Pudukottai State from 1-4-1949 the Collector and special Officer, Tiruchirapalli District Board informed the District Educational Officer, Tiruchirapalli that all local funds Educational Institutions in non-panchayat areas are to be administered by the District Board. In my letter Rc.No.823-K2/48 dated 18-8-1949 I solicited orders about the final decision of Government in regard to the state schools in the area.

GOVERNMENT OF MADRAS

The Hon. Premier,

Government of Madras,
MADRAS.

Submitted.

I. The territory of Pudukkottai State was merged in the Indian Union on 3.3.48. Since then the process of absorbing the Government officers and servants of all departments of the State including the Educational department in the Provincial service and of providing them with the Provincial scale of pay and dearness allowance is going on. The process is very slow and dull. The difficulties experienced by the State officers and servants are numerous and varied, by reason of delay in the process.

2. They receive the low scale of pay and allowance prevalent in the State, and render service as servants of the Province without the benifits of the Provincial scale of pay and allowance.

3. The teachers of the aided schools were granted the Provincial scale with effect from I.I.48. The public servants in the police, revenue and judicial departments are already drawing their pay on provincial scale. But the 535 teachers in the Secondary and Elementary schools are not granted the Provincial scale so far. The chance of an early grant also is said to be not much hopeful.

P.T.O.

4. The scale of pay and D.A. in State service, Provincial service and in the District Board is detailed hereunder:-

	State Scale.		Provincial Scale.		District Board scale.	
	Pay-Rs.	D.A Rs.	Pay.Rs.	D.A Rs.	Pay-Rs.	D.A Rs.
i. LT.........	70-5-120	No.	85-5-145-10-175.	24.	85.5.140.10.~~180~~ 170.	24
ii. Elementary Higher grade.	25-1-35.	10.	30-1-50	19.	30-1-45.	19
iii......Lower grade.	20-1-30.	10.	25-1-35.	19.	25-1-33.	19
iv. Secondary grade.	30-2-50.	10.	45-3-60-2-90.	22.	45-3-55-2-85.	22

5. The said teachers in State service are not yet absorbed in the Provincial service. These teachers in state service are Government servants entitled to pension. In the province, the district board and other local boards ~~in the province~~ maintain the schools and the teachers therein are entitled to provident fund and not to pension. The State teachers here will have to be reckoned as government servants entitled to pension in the provincial service and then to be lent to the local district and other local boards to work in the schools maintained by them. It may take some time to include state territory in the district board of Trichynopoly. Until then, these teachers will have to continue in their present posts on state scale expecting to be lent to the District Board in the future. How merger acts and reacts and blesses and condemns, are perceptable in then cases. They have waited for the past 29 months. How long are they to sit in this gloomy resourceless stagnant position?.

6. I may offer a suggestion for expeditious consideration either as a tentative measure or as a part of the scheme that may be worked out later.

(I) It may be assumed that all the schools in this State area should inevitably come under the district board, instead of under the government.

DIRECTOR OF PUBLIC INSTRUCTION
23 DEC 1949
MADRAS

C.M. 17 80

(2) The question of pension or provident fund may take the chance as it comes for decision.

(3) The service rendered by these teachers whether under the District Board or as government servants is the same.

(4) Ultimately they are sure to get the scale prevalent in the District Boards in the Province.

(5) Hence, they may be given from now the scale of pay and D.A prevailing in the district boards, leaving the question mentioned in para item 2 supra to be decided later, and the date from which they may be granted the new school ie from 3.3.48 or some subsequent date for leisured decision.

7. I place for the consideration of the government this submission and submit that speedy remedy is accorded to these teachers forthwith, pending final adjudication of their status etc in the Province.

Yours truly

Unless the future management of the State Elementary and Secondary Schools is decided it is not possible to take up the question of absorption of the staff employed in these schools - vide my letter Rc.No.823-K2/48 dated 30-12-1949. Respeccted Sir.

I beg to bring the following few lings before your honour. to consider and pass favarable orders at an early date.

7325 ~~The~~ Proukkottai State merged in to India before two years i.e. on 1.3.48. month by month Provincial rules and regulations are carried out any hesition. But the salaries of the Govt. Servants Especially the Teachers working under Govt. Institutions are the Same which were at the time of merger. The Periodical Increments even stoped and not given to them.

I dont know under what circumstances the teache of the management Schools have been granted Provincial grant and dearness allowance even before the merger that is from 1.1.48.

The Teachers of govt. Schools are also working like ~~them~~ them why not ~~they~~ we also may be favoured like the mangement Teaches. The action of the Government in this direction shows that they put butter in one and lime in the other. This shows the partiality of the government.

We the poor Teaches waited over 23 mont but there is no remedy. The Prices of food stuff are raised even ten times which were before two years. So we cant prolong and maintain the fami ~~which~~ with the pay which your honour granted. The pays of Elementary School Teachers are 25-1. and the dearness allowance is only 10 Re per mensem.

In February last we sent a printed memorial to the D.E.O of Trichi about our Grievances to for the same.

18

The Prices of food Stuffs are Same in the Province and Poudukkottai Territory for the past two years.

So I hope that your honour may pass orders to Sanction Dearness allowance at once with effect from 1st January 1948. as the management teachers are drawing. Moreover I request the Provincial Scale of Pay also may be fixed and disbursed at an early date from the Same Date. That is 1st Jan 1948.

Eventhough I am Servant of your honour. being a Citizen of Republic India I am authorised to Express my Ideas and beg your Pardon to do the needful. without taking disciplinary action upon me.

Because If my Brother teachers are waited for 23 months from the Date of Merger. But all in vain.

Praying the Dearness allowances may be disbursed within the End of this month and Provincial Scale of Pay in the next month.

Praying and hoping favarable orders at an early Date.

Dear Sir,

1. I wish to bring to your kind notice and sympathetic consideration the plight of the teachers in the Pudukkottai State.

2. In Pudukkottai, ~~an~~ a number of schools were run directly by the Government, from Primary Schools to the College. In addition to these Government institutions, were private schools which were receiving grants-in-aid from the Government.

3. Before the merger, the Pudukkottai State Pay Commission had recommended an increase in their pay and allowances. But, as a result of the merger, those recommendations could not be given effect to. They have been compelled to continue on their old pay.

4. The proverbial low salaries and the conditions of service of the school teachers are too well known to require reiteration on my part, especially in these hard days. My own feeling is that the problem in Pudukkottai is different from that in the other parts of Madras. These School teachers must also be treated with the same consideration as is shown to other Government servants, as regards pay and allowances.

5. I would request the Madras Government to go into the question and sympathetically and redress the grievances of these poor school teachers, as early as possible.

6. I would like again to take this opportunity to point out that a small non-official Committee which I have suggested in my ~~xx~~ previous letter, would be able to deal with the problem satisfactorily and make suitable recommendations.

7. I shall be grateful for a line in reply.

under consideration

I have the honour to state that proposals for the absorption of the staff employed in the Rajah's College, Pudukottai, have already been submitted to Government. In regard to the staff employed in the State Elementary and Secondary Schools, the question of absorbing them can be decided only when the future management of these institutions is finally decided. Vide my letter Rc.No.823 K2/48 dated 30-12-49. The District Educational Officer, Tiruchi has since submitted proposals fixing the pay of the teachers in the Madras Scales of pay. With reference to Government Memorandum No.48635 B1/49-1 Education dated 5-8-49 and 91009-B1/49-1 Education dated 7-12-49 the District Educational Officer has been instructed to adopt the revised scales of pay applicable to Local Body teachers pending a final decision on the future management of the schools. As regards payment of Dearness Allowance at the provincial rates, I would invite attention to my letter Rc.823 K2/48 dated 7-1-50. The letter from Sri M.Ramiah is resubmitted herewith.

To
Hon'ble Sri K. Madhava Menon,
Minister for Education,
Government of Madras,
MADRAS.

Dear Sir,

The question of absorption of the teachers in the Government Schools in the Pudukottai State into the corresponding cadre into the Madras Government Service is still pending to be decided. In the meanwhile, the teachers in the Pudukottai Schools are uncertain about their future, their pay and allowances and their prospects, all of which questions have still to be settled by the Government. Many representations have been made to the authorities for an early settlement of this question and for redressing the hardships of the teachers in the Pudukottai Schools. It is unnecessary for me to submit that the teachers, not being sure of their - position in the service cannot be expected to give efficiency in their service. Government had issued orders setting out the general principles of absorption of the State staff into the corresponding cadre of the Madras Government service as early as March 1949 but still the teachers have not been given the benefit of the Madras scales of pay and dearness allowance. As a temporary ameliorative measure, it would be doing the barest justice to the teachers if, at least, the payment of dearness allowance at the Madras scales is ordered to be made with effect from 1-1-1949 pending the question of the settlement of their basic pay. Such a course will greatly relieve the financial difficulties of these poor paid class of servants and be conducive to their efficient discharge of their duties.

2. I would further submit that the present arrangements regarding the stationing of a Special Officer in charge of the Educational Department in Pudukottai should be continued even after the 1st May 1950 when the present arrangement is due to expire. The continuance of this arrangement until more efficient and permanent arrangements could be made will be conducive for the proper and efficient management of the Education Department in Pudukottai.

I therefore request that orders may be issued

(1) directing the immediate payment of Dearness Allowance to the employees of the Schools in the State at the rates in force in Madras with effect from the 1st January, 1950,

(2) The Special Officer ~~in the~~ now stationed in Pudukottai may be continued until such further or more efficient arrangements could be made, and

(3) the question of the absorption of the teachers in the State Schools into the corresponding cadre in the Madras Government service may be decided as early as possible.

Yours faithfully,

Ramasrinivasan

Secretary.

Ref letters from the D.P.I. No: 823-K2/48 Dt 30.12.49, 16.1.50, 24.1.50, 7.1.50, 8.2.50 - 11.1.50, and No: 1543 K2/49 Dt 12.1.50

The following instructions are issued in regard to the taking over of the educational institutions in the former Pudukottai State:—

Elementary Schools

p 5 nf (R)

Orders have been issued in G.O. No: 274 Edn, Dt 2.2.50 to the effect that these schools maintained by the defunct state of Pudukottai in the area outside the Pudukottai Municipal limits should be transferred to the management of the Dt Board, Tiruchirapalli with staff and buildings and equipment. The State elementary schools within the Pudukottai Municipal limits should be transferred to the management of the Municipal Council, Pudukottai with staff, buildings and equipment, if any. The D.P.I. is requested to arrange for the transfer of the schools to the respective local bodies immediately and submit a report to Govt.

Secondary Schools.

p 6 nf

There are two state secondary schools - the Brihadambal High School for boys and the Rani's High School for girls. The D.P.I. has already been requested to consult the Dt

Board, Trichirapalli and the Municipal Council Pudukottai about the taking over of these schools. ~~The Director should submit his report in the matter immediately~~. The question whether the schools should be retained under Govt. management or transferred to the control of local bodies has also been referred to the D.P.I in Govt Memo No 5829 B-1-50 Edn 11-2-50 in reply to his letter No 1412 K-3-49 d 17-11-49.

The Director's proposals for the absorption of the staff employed in the college is under consideration. A further reference has been sent to him in the matter ~~is under issue~~ separately. The reply to that reference should be sent with the least possible delay.

Inspecting Staff and clerical Staff

The D.P.I has reported that the D.E.O., Trichirapalli, has sub'd his proposals and that they are being examined. The proposals should be sub'd to Govt. immediately.

Rate of dearness allowance and date from which such allowance should be granted

H 7-8 a/b

The Govt have decided that qualified as well as unqualified Staff employed by the former Pudukottai State should be granted dearness allowance at Madras rates from 1.1.49 irrespective of the question whether their absorption in Madras Services has been recommended or not. The Treasury Officer, Pudukottai, is requested to admit dearness allowance at govt rates to all from 1.1.49.

Although the territory of Pudukottai State was merged in the Indian Union practically two years ago and although general orders have been issued by Govt about the taking over of the educational institutions in the State a number of complaints ~~have~~ has been recd that the staff in the Edn dept of the State ~~have~~ has not yet been absorbed in Madras Services, that the staff has not been allowed the Madras Scales of pay and dearness allowance. The Chief Minister has observed more than once that there has been undue delay in settling the matter. The D.P.I is therefore requested to look into the matter personally, see that it is settled at once and submit a report to govt not later than the 15th March 1950.

Sir,

It is with great pleasure I hasten to express my heartful thanks for your kindness, to award the provincial scale of dearness allowance to the teachers of the erstwhile Pudukkottai State, irrespective of their absorption into Provincial scale of pay. The news of the decision of the Government to award the Provincial scale of D.A. giving retrospective effect from 1-1-49 is really a boon to the poor and much affected teachers who are undergoing untold sufferings in these hard days owing to their existing very low salary. The hundreds of teachers and their family are very much relieved by your timely award and when they were informed of your sincere sympathy and quick action they bestow their thanks and good wishes to you.

You may well remember Sir, that I met you personally during my visit there on 14-2-50 and represented the grievances of the teachers. I am extremely glad to see that this award came after a very short period of my meeting with you, due to your goodness to consider this matter foremost amidst so many matters.

P.T.O.

I am much indebted and grateful to you for ever and once again express my thanks and pray God to shower his blessings to you.

A reference is invited to Educational Department Memo 99715 A/49-9 Education dated 27th April 1950 on the subject mentioned above, in which it is stated, inter alia, that 'unqualified persons, if any, who were in service on 16-8-49 will not get dearness allowance' According to G.O. Mis.2732 Public (Political) dated 16.8.49, unqualified State employees in service on 16.8.49 will be eligible for dearness allowance at Madras Rates from 1.1.49. As the orders issued in the Memo are at variance with the orders in the G.O. quoted above, it is not clear whether the orders in the G.O. have been superseded to any extent. In respect of unqualified persons the position in regard to the payment of dearness allowance, as understood by this office, is as follows. Such of them who have left service or retired after 1.1.49 but before 16.8.49 will not be eligible for dearness allowance at Madras rates for any period from 1.1.49. The unqualified employees, who were in service on 16.8.49, but who left service or retired after that date (but who have not been removed or dismissed etc. for unsatisfactory work and conduct) will be eligible for dearness allowance at Madras rates from 1.1.49 upto the date of their leaving service. If the position as stated above is correct, it seems that the last portion of the Memo should read as follows - 'Unqualified persons who were not in service on 16.8.49 will not get dearness allowance.'

(ii) The pension scheme may be permitted to be followed in respect of the permanent staff who are qualified and the other

66

teachers may be granted the benefit of Provident Fund scheme.

(iii) The teachers may be allowed leave as per Madras Leave Rules from 4-9-1948 in addition to the balance of leave that might be at their credit on the date of merger.

(iv and v) It is not fair to discharge the permanent teachers absorbed from the defunct state on any ground, but however the unqualified teachers may be asked to qualify themselves within a period of 5 years from the date of merger. These teachers need be given the requisite exemption under the rules to appointment as long as they remain in service. There is no obligation to retain the non-permanent unqualified teachers. In their cases also, however, it is but fair to give them five years time for qualifying themselves. They may also be informed that if they fail to qualify themselves within that period they will be removed from service.

The request of the President contained in the last paragraph of his letter cited viz to levy Education-Tax from the date on which the Elementary Schools were taken over under the management of the District Board, Kurnool, is recommended.

COPY of the minutes (Special) of the Hon'ble the Premier dated 8th December 1949.

During my recent visit to Tiruchirapalli, I had discussion with the Collector about the absorption of the employees of Pudukottai State into the Provincial services; and I asked him to prepare a note with regard to the several branches of the services that are awaiting actual absorption. The note by the District Collector is sent herewith.

The merger of the State has taken placelong ago; but the question of absorption of the employees of the State does not seem to have been attended to with the due attentian it deserves. These employees cannot be kept in a state of abeyance; and they should fit in into the Provincial Services soon.

This matter should be treated as urgent. The departments concerned should be asked to examine the position and put up proposals so as to reach me by 16-12-1949.

The territory of Pudukottai State was merged in the Indian Union practically two years ago. Although general orders have been issued by Govt. about the taking over of the educational institutions in the State a number of complaints have been received that the staff in the Edn. Dept. of the State have not yet been absorbed in the Madras Services, that the staff has not been allowed the Madras scales of pay and dearness allowance. The Chief Minister has minuted more than once that there has been undue delay in settling the matter. There have also been a number of interpellations in the Legislature about the matter. Frequent references made to the D.P.I. in the matter have elicited the replies that instructions have been issued to the D.E.O. to take necessary action or that the Special Officer has been asked to take necessary steps ~~on~~ or Govt.'s decision as to whether they will manage the schools themselves or will hand them over to the local bodies concerned is awaited.

So far as the Govt. is concerned, the position is as follows:-

Elementary Schools.

Orders have been issued in G.O.No.274 Edn., dated 2-2-1950 to the effect that these schools maintained by the defunct State of Pudukottai in the area outside the Pudukottai Municipal limits should be transferred to the management of the Dt. Board, Tiruchirapalli, with staff and buildings and equipment. The State ele. schools within the Pudukottai Municipal limits should be transferred to the management of the Municipal Council, Pudukottai with staff, buildings and equipment, if any.

(R)

The D.P.I. may be requested to arrange for the transfer of the schools to the respective local bodies immediately. and submit a report to Govt

Secondary Schools

There are two State secondary schools - the Brihadambal High School for boys and the Rani's High School for girls. They are now under Govt. management. The Madras Dt. Municipalities Act and the Madras Local Boards Act have been extended to the Pudukottai State area. The question whether these schools should be transferred to the Municipal Council, Pudukottai ~~and~~ or the Dt. Bd., Tiruchirapalli for management from next year is under correspondence with the D.P.I. Meanwhile the teachers in these schools are paid salary in the scale prescribed for teachers employed in schools under local bodies which are less than Govt. scales even though they are temporarily under the employ of Govt. and the idea is to transfer them to service under local bodies when the management of schools is taken over by them. The rate of d.a. is the same as that allowed to teachers in Govt. service. The D.P.I. has been ~~may be~~ asked to consult the Dt. Bd., Tiruchirapalli and the Municipal Council, Pudukottai about the taking over of these schools and submit his report to Govt. immediately. A

College

The Rajah's College, Pudukottai has been taken over by Govt. The Director has forwarded his proposals for the absorption of the staff in the college in Madras Services. This will be examined and put up soon.x

x being sent to D.P.I. ho.

Inspecting Staff and clerical staff

The D.P.I. has reported that the D.E.O., Tiruchirapalli, has submitted his proposals and that they are being examined. The Director may be asked to send his proposals to Govt. without delay.

p 9 of X

Rate of dearness allowance

In Memo No.91686-A/49-2-Edn., dated 7-12-1949 instructions were issued to the effect that qualified as well as unqualified staff should be paid d.a. at Govt. rates with effect from 1-1-49. The Treasury Officer, Pudukottai, contends that w.r.t. the orders in G.O.No.3490-Public (Pol.) dated 14-10-49 only employees whose absorption proposals have been recommended by the D.P.I. to Govt. can be paid d.a. at Govt. rates from 1-1-49 and that the others can get the allowance only from 1-9-49. According to the orders in Memo No.91686-A/49-2-, dated 7-12-1949 all should get d.a. at Govt. rates from 1-1-49. It seems that the Treasury Officer may be asked to admit d.a. at Govt. rates to all from 1-1-1949.
