*Q.No.22.- Will the Hon. the Minister for Education be pleased to state, with reference to the replies given on 5th March, 1949, to question No.216(154) and the supplementary questions:-

(a) whether, in creating lecturerships for languages taught in the various Government colleges, not merely strength but the importance of the languages taught is taken into account;

(b) whether the study of Sanskrit continues to be popular in all the colleges;

(c) whether, to maintain interest and ensure efficient teaching of languages, the Government have considered the desirability of improving the status and emoluments of language teachers;

(d) whether, in creating lecturerships, seniority of the lecturer concerned is not taken into account;

(e) whether in certain colleges the creation of lecturerships for particular languages only has led to the anomaly of senior teachers in other languages continue to occupy a subordinate position and juniors enjoy improved status; and

(f) whether, in view of the small number of lecturerships created for languages, the prospects of promotion in regard to lecturerships in particular languages is limited resulting in anomalies in regard to seniority?

Please see the Leg. Cl. An. No. 22 starred on page 10-f. It is the same as ~~that~~ at *B/134* and 7-9 of which lapsed, consequent on the prorogation of the Legislature. The information asked for in the An. was ~~been~~ furnished by the D. & H. in his letters at *B/112150-f*. ~~Adapt~~ ~~is~~ ~~sub~~ ~~for~~ ~~approval~~. The file may be circulated to H. H. (E. & H.).

An answer can be framed on the *7.9.49* information furnished by the Director. But Sri. Sanyasrayana Rao has addressed another communication to H. H. (E & H) on the same subject.

The L. M. has ordered that the suggestions contained in the communication be examined. A copy of the communication has been sent to the D. P. S. for remarks and his reply is awaited. As the Leg. Council is to meet only next month the answer now to be sent ~~may~~ not be up to date at the time of answering, with reference to any decisions that may be arrived at on the suggestions of Sir Rao. It seems that this may lie over till 10.10.49.
