(ii) Whether the records are methodically arranged

The records are methodically arranged.

The attenders reported to me that the dummy slip at present supplied is very small in size -- please see sample put up at flag.(E). These dummy slips got inside the docket sheets. They therefore request that dummy slips that were formerly supplied (vide sample at flag (F)) might be supplied in future. Small size dummy slips were supplied as a measure of economy when the paper position was acute. Now that the position has become easy, dummy slips of the size at (F) may be supplied in future. If approved, extracts will be taken and sent to E. & P.H. for necessary action.
