I could not go to jail because of the ban imposed by Mahatma Gandhiji on Hindi pracharaks.

3. Again in 1945 I was arrested by the police for celebrating the Independence Day and was fined Rs 2/- by the Sub-magistrate of Tiruvadanai, Ramnad District in Calendr case No 111 of 1945. A perusal of the accompanying judgement will prove that I had been a Congressman and an active worker in the political movement for the freedom of the Country.

Sri S.N. Ramachandran, Lecturer in Hindi, R.D.M. College, Sivaganga, requests, in view of his activities in the past in connection with the National Struggle, that th rules regarding age and educational qualifications may be relaxed in his favour so that he may be enabled to apply to the M.P.S.C. for the post of Asst. Lecturer. The petitione is a B.O.L. of the Madras University, under the Transitory Regulations with a 2nd class in Part II and is therefore qualified for the post of Asst. Lecturer. He, however, requires exemption from age limit as he is 33 years old. Age exemption to candidates who have taken part in national movements is governed by the conditions laid down in G.O.No 847, Pub. (ser) dated 26-3-149. The petitioner does not satisfy those conditions and his request is therefore ordin rily inadmissible. However, under para 3 of that G.O. , th question of relaxing the age limit arises only if he is actually selected for appointment by the Commission. The petition and relevant pp. may be forwarded to the Commissio and it may be informed that the question of age- exemption will be considered by the Government if it finds him otherwise qualified for appointment as Asst. Lecturer.
