Honoured Sir,

Sub:- Appointment of Head Master-Municipal
High School Palani-Panel of Head-
Masters-Revision of Panel and approval
of the appointment made on 5-11-49
Requested.

The permanent Head master Municipal High School Palani has gone on leave for 3 months at present and is likely to extend. The appointment committee met on 5-11-49 to appoint a suitable hand in the vacancy. The panel of Head Masters was just then placed before committee and No.2 in the panel was appointed in view of his higher qualifications and ability. Now it appears that the order in the panel cannot be changed. We made personal representation of the matter to the Director of the Public Instruction to day and he expressed his inability to revise the panel in accordance with our appointment and advised us to appeal to the Government for the purpose.

It is understood that the panel of the Head Masters was received by the Commissioner from the Divisional Inspectors of Schools Mathurai, sometime in May last. As per rules it ought to have been placed before the committee soon after the receipt of the panel. But it was not done and the committee was therefore prevented from making a timely protest against the panel as decided by the Divisional Inspector of Schools Mathurai. Again we wish to point out that the panel was not shown to the committee till the time of the appointment on 5-11-49 and the cover containing the panel was actually opened just then though it had been received

Our school is a big one and is need ~~in~~ of a capable, efficient and highly qualified man. No.2 in the panel satisfies all these requisites. He is an M.A., (Econ); M.A., (Tamil); L.T., and has passed the Account Test. He is also young and energetic. ~~He~~ The Committee is of opinion that No.1 is not capable of managing such a big school as ours.

Under the circumstances therefore we request the Government to revise the panel of Head Masters as a special case so as to confirm the appointment made by us on 5-11-49.

-0000-

The appointment committee did not prefer any appeal to the Director with reference to rule 5(1) of the rules relating to the appointment of Headmasters of High Schools under Municipalities published with G.O.No.3129 Education dated 9.12.1948 in the matter. It has therefore to be assumed that the panel prepared and forwarded to the Commissioner by the Divisional Inspector of Schools, Mathurai has been accepted in toto.

2.The Chairman's argument that the appointment committee was kept in the dark about the panel till recently does not seem acceptable, so far as the complaint against the Commissioner goes.

3.It is a fact that Sri S.Krishnan is an M.A.L.T.,but whatever be the reason for the Chairman's preference there was no appeal from the appointment committee within the time-limit prescribed. The appointment committee's action in having selected Sri S.Krishnan No.(2) in the panel is therefore contray to the rules and cannot be upheld.

4.A copy of the Panel relating to the Municipal High School, Palni in question for the year 1949-50 is furnished herewith as desired.

Yours faithfully,

FOR DIRECTOR OF PUBLIC INSTRUCTION.
