Re.No.211 K3/50 dated 20-7-1950.

Sir,

Schools - Government Training Schools - Opening of
temporary additional training sections in certain
schools - sanction - Requesting.

Ref: 1) My letter Roc.No.211K3/50 dated 3-6-1950.
2) do. do. do.
& 3) do. do. do. dated 30-6-1950.

In continuation of my letters quoted above,
I submit for the sanction of Government the following proposals
for the opening, during the current school year of additional
training sections in the Government Training Schools mentioned
below:-

1. Government Training School for Masters, Tiruchirapalli

During last year, there were, one normal Higher
Elementary Grade Training Section (Junior) and one temporary
additional Higher Elementary Grade Training section (Junior)
in the Government Training School for Masters, Tiruchirapalli.
This year, the temporary additional Higher Elementary Grade
training section (Junior) is proposed to be converted into a
Secondary Grade Training Section - vide my letter Roc.No.211K3/50
dated 3-6-1950. The District Educational Officer, Tiruchirapalli
now reports that there is very great rush for admission to
the Secondary Grade Training Section, and that for the 40 seats
available, 228 applications have been received. In view of this
and in view of the great dearth of secondary grade trained
teachers, the District Educational Officer requests sanction
for the opening of an additional secondary grade training section
in the school during the current year. I agree with the District
Educational Officer that there is real need for the opening
of an additional Secondary Grade Training Section in the school,
and accordingly request that Government may kindly accord
necessary sanction for the same.

2. Government Training School for Masters, Chittoor.

At present there are only 2 Higher Elementary Grade
Junior Training sections in the school. The District Educational
Officer reports that about 340 applications have been received for
admission to the Higher Elementary Grade training, while the
number of seats now available in the school is only 80. As there
is very great dearth of trained teachers in the District, I re-
quest that Government may kindly sanction the opening during the
current school year of an additional Higher Elementary Grade
Training Section in the Government Training School, Chittoor,
and the employment of a L.T.Assistant therefor, for a period of
two years from the current school year i.e. 1950-51.

3. Government Training School for Masters, Anantapur.

At present, there is provision for only one Higher
Elementary Grade Junior Training Class in the school. The
District Educational Officer reports that for the 40 seats
available, about 140 candidates have applied for admission. As
this District also is in great need of more trained teachers,
I request that Government may sanction the opening of an
additional Higher Elementary Grade Training Section in this
school ~~XXXX~~ also, and the employment of a L.T.Assistant therefor
for a period of two years for the current school year i.e.1950-51.

sections, urgently, I request that Government may kindly pass orders, as expeditiously as possible.

Yours faithfully,

The Training section in each of the Govt. Prog. School for Masters at Chittoor and Mantapur and to the employment of a h.t. staff. ^{h.t. staff} for a period of two years from the current school year i.e. 1950-51.

Education have agreed to the proposals of the S.P.I. They have suggested that the period of sanction for the h.t. staff may be for one year from the year 1950-51. No add. Govt. to Govt. will be Rs. 4,300. roundly p.a.

2/ Item (1) on p/1 above: In G.O. no. 2196 Edn dated 4.8.50 Govt. sanctioned a new other things to opening during the school year 1950-51 of a Secy. grade Training section in the Govt. Training School for Masters, Trichingapalli and to employment of a h.t. staff. ^{h.t. staff} There is a very great need for admission to the Secy. grade Training section and there is a great dearth of Secy. grade trained teachers.

Presumably the S.P.I. does not consider that one separate h.t. staff is necessary for the add. ling. section now proposed. Perhaps by some internal arrangement, the service of one h.t. staff will be made available for the add. section. Funds need not object to the proposal in view of A. above.

Item (2) on p/1, 2 above: Ordinarily proposals for the opening of add. sections are considered in connection with the part II Schemes. But in view of the reasons stated at A and X in the letter in the of. Funds may agree to the proposal.

The case may be circulated to H.M. (Fin) before issue of orders as to Govt. on account of 2 h.t. staff. (one for Chittoor and one
