Sir,

In advert to your advertisement in the Indian Express, I request to offer my services for the Head Master's post in the Municipal Girls' High School, Pollachi.

I am an M.A., with Botany and Chemistry as my subjects and I took Tamil and Natural Science for my special subjects during my training course. I have also undergone the Home craft training for Graduates, last year.

I am now working in a Hindu School as the Science assistant. I have put in a service of three years as a teacher. As to the proficiency in Tamil, I am sending a copy of the testimonial. As I am much interested in social activities, I was the secretary of a Ladies' club and I have organised many conferences and public entertainments. I may be permitted to say that I am a good speaker also.

I am a Hindu Brahmin without encumbrances and I am thirty two years old. I come of a good family being the daughter of late M.R. Subrahmanyam, District Educational Officer, Mangam, and the cousin of Sri A. Gopalan, District Educational Officer, Ramnad.

I shall be much obliged to you, if you could kindly inform me when I would be expected to join duty if I were favoured with the post.

Thanking you,

I beg to remain,

Yours faithfully,

S. Balambal

.....2nd April, 1944

It is with pleasure that I certify to the excellence of the character and abilities of Miss. S. Balambal who was a student of mine for four years. She passed the B.Sc. (Hons.) degree examination in Botany in 1943. She has impressed me and her other teachers as a very earnest student keenly devoted to her work. Her laboratory work has been uniformly neat and systematic.

Miss Balambal bears an excellent character. In her general behaviour she is free without being forward. She possesses plenty of originality and initiative and gives the somewhat unusual impression of not having been 'played out' by the long University course. I can confidently recommend her for service in any institution where a smart, bright, able and painstaking girl of education is needed.

I am glad to have the opportunity of testifying to the character and conduct of Sreenathi. S. BALAMBAL, at present a teacher in the Santi Vijaya Girls' High School, Coonoor. She has been a teacher for one of my children studying in the High School class and I had thus the opportunity to acquaint myself with both her vocational ability as well as her character, both of which I can unhesitatingly say are of the highest order. With her great capacity and exemplary character, she is bound to go far in any position where she may be placed.
