EDUCATION DEPARTMENT

Sir,

Sub: PUDUKOTTAI STATE - Staff employed in the Office of the Special Officer for Education and the Deputy Inspectors' Offices in the Pudukottai Area - Absorption - proposals submitted.

...

(L) In inclosing herewith a statement showing the particulars regarding the staff employed in the Office of the Special Officer for Education and the Deputy Inspectors' Offices in the Pudukottai Area I ~~xx~~ submit the following proposals for their absorption in Madras Government Service.

(M) In Government Order No.2094 Education dated 29-6-1949, Government sanctioned the following posts for the Office of the Special Officer for Education, Pudukottai:-

1. Upper Division Clerk
2. Lower Division Clerks
1. Typist
1. Peon

The continuance of these posts has also been sanctioned for a further period of 6 months from 1-1-1950. The post of the Upper Division Clerk has been filled by a Madras Government employee. The other posts are now occupied by the state employee

As regards the Inspectorate, two Deputy Inspectors' ranges were formed for the inspection of the Elementary Schools in the locality, the two Deputy Inspectors are each being assisted by a Junior Deputy Inspector. Of 7 clerks and 1 typist in the Head Quarters Office, 4 clerks had been transferred to the Offices of the two Deputy Inspectors, 1 attender and 2 peons were also sanctioned for each of the two Deputy Inspector's Offices.

p.1 (L) Nos. 1 and 2 in the Statement (Sri G. Vaidyanatha Ayyar and Sri R. Viswanatha Rao):

They are now working as Lower Division Clerks in the Office of the Special Officer for Education, Pudukottai. Number 1 possesses the minimum general educational qualification prescribed for Lower Division Clerks. It is reported that number 2 had not passed the English School leaving certificate (Travancore). He does not possess the qualification required for Lower Division Clerks. Both are permanent members of the State. In view of this, it is recommended that they may be absorbed in the Madras Government Service, Government granting the necessary exemption from the possession of the prescribed qualification only on behalf of Number 2.

p'/(L)

No. 3 Sri R.V. Ramachandra Ayyar: He is now working as a typist in the Office of the Special Officer. He is a permanent member under the State rules. He has passed only the Lower Grade in Typewriting though he must pass the Government Technical Examination in Typewriting of the Higher Grade, the qualification prescribed for ~~typits~~ typists. In view of the fact that he is a permanent member of the State, it is recommended that he may be absorbed as a Typist and he may also be granted two years' time to qualify himself fully for the post.

p'/(L)

No.7 Vythilingam: He is now working as a peon in the Special Officer's Office. As he is a permanent State employee he may be absorbed as peon in the Special Officer's Office.

p'/(L)

INSPECTORATE: Though there are 4 Lower Division Clerks' posts in the two Deputy Inspectors' Offices only 3 state employees are working in three posts. Nos. 4 ~~and~~ 6 are working in these posts. All of them possess the minimum general educational qualification. Nos. 5 and 6 are permanent members. Though No.4 (Sri Olaganathan) is only Officiating, his case would appear to need consideration, in view of the fact that he is a Harijan. All the three (nos. 4 to 6) may accordingly be absorbed as Clerks.

No. 8, ~~8~~ 9, 11 and 12 may be absorbed as peons - two in the Deputy Inspectors Office, Pudukottai Range and two in the Deputy Inspectors Office, Tirumayam Range.

No. 10 may be absorbed as attender in the Office of the Deputy Inspector of Schools, Pudukottai Range, as he is qualified to hold the post.

(L)

I also recommend the fixation of pay of the incumbents in question as detailed in Column 11 of the enclosed statement.

Yours faithfully,

No. Roc.1586.C2.C6/49 dated 8.8.1953. 195 .

Sub: STATES, MERGED - Pudukottai - Absorption of staff - Velu Pillai, Peon, Office of the Deputy Inspector of Schools, Pudukottai Range - Request for refixation of pay - Representation - Submitted.

In submitting herewith the Original (Govt at p4 infra) p3 infra representation dated 2.2.1953 from Velu Pillai, Peon, Office of the Deputy Inspector of Schools, Pudukottai range together with a copy of the p5 infra Endorsement Roc.52.A1/49 dated 17.3.1953 of the Special Officer for Education, Pudukottai, I have the honour to state as follows:

2. (H) p19 Velu Pillai was absorbed in G.O.Ms.2417. Education dated 29.8.1950 as a peon in the Madras Government Service and his pay was fixed at Rs.17/= per mensem from 1.1.1949 and Rs.19/= from 1.7.49 (M) (cf. 4(a)) consequent on the revision scales of pay of the Last Grade Service. He is a permanent peon of the former p3 infra Pudukottai State. In his representation referred to above, he states that he was working as Daffadar in the Office of the Former Director of Public Instruction, Pudukottai in an officiating capacity from 9.3.1948 on a pay of Rs.21/= per mensem. He continued in the post till 18.1.1949. While recommending his absorp- (H) pp1-4 tion in the Madras Government service, his pay was re- commended to be fixed at Rs.17/= p.m. on 1.1.1949 and (H) p4(a) Rs.19/= per mensem from 1.7.1949, the excess over his substantive pay, being disregarded, treating it only p3 infra as an allowance. He now requests for refixation of his pay, taking into consideration of the pay drawn by him at the time of his absorption.

3. Keeping in view that due to absorption, he should not be placed in a position which is less advantageous than it was under the former state, it is only reasonable that the pay drawn by him as daffadar just before absorption, viz. Rs.21/= per mensem is taken into consideration for fixing his pay in the Madras Government Scale of pay.

4. N In the circumstances, I recommend that Government may be pleased to refix the pay of the Peon, Velu Pillai, taking into account the pay he was drawing as daffadar on 31.12.1948, at Rs.21 per mensem on 1.1.1949 and at Rs.23/= per mensem on 1.7.1949 when all peons were allowed an increase in their pay by Rs.2/= consequent on the raising of the minimum of the scale from Rs.16/= to Rs.18/= - Vide G.O.No.718 Finance dated 9.7.49 - Not put up I also recommend that he may be given the arrears of pay on the above basis.

P.T.O.

I respectfully beg to submit the following for your kind consideration and favourable orders:-

I am a permanent Typist of the Office of the Director of Public Instruction, Pudukkottai which has become the office of the Special Officer for Education, Pudukkottai in the new set up. I have put in 22 years of service. I am aged 45 and my general educational qualification is, I have passed Part II in the Intermediate of Arts and Science of the Madras University as early as in 1929 and my technical qualification, Typewriting Lower. Thus I was a fully qualified Typist of the former State Government.

2. According to G.O.Ms.No.2417 Edn., dated 29th August 1950 communicated in Director's Rc.1526 C2/9 dated 10-9-50, I have been absorbed as a Typist in the office of the Special Officer for Education, Pudukkottai and my pay fixed at Rs.51/- on 1-1-1949 in the scale of Rs.45-3-60-2-90 and increments to be stopped in case of failure to acquire Higher Grade qualification within a period of two years. So I got my first increment and my pay on 1-1-1950 was Rs.54/- and subsequently stagnated.

3. As a Typist of the former State my scale of pay was Rs.35-1-40-1½-55, same as that of any Lower Division clerk and I could reach the maximum without any restriction. Only very recently before merger, the Pudukkottai Darbar granted a special pay of Rs.10/- for typists with Higher Grade qualification. So it was not my fault for not passing the Higher Grade Examination, for I was already a qualified typist and no restriction was imposed in the matter of drawal of annual increments, under Pudukkottai State conditions.

4. Even before grant of this special pay to the typists of the Pudukkottai State, I was the only typist in the State who was getting an additional allowance of Rs.6/- for extra work eversince 1940 and so my premerger position would be, reaching the maximum of Rs.55 plus Rs.6/- at any time but for the merger. And to-day my pay would be Rs.50-8-0 plus Rs.6/- = 56½/- whereas I am stagnated on Rs.54/- only. So in the name of 'Absorption I am to lose even my pre-merger position.

PTO

46

5. The terms of the merger are not to affect either the status or the emoluments of a permanent member and certainly my case suffers under hardship in the name of Absorption. The Government of Madras have contemplated sympathetic consideration on the employees of the former State. They have allowed scales of pay without restriction even to unqualified clerks who have no permanent footing.. But so far as Educational Department is concerned, I am the only permanent member of the staff in the Ministerial Establishment affected and I shudder to think how far below I am placed than even unqualified clerks, though my general Education qualification is more than enough (Intermediate Part II). As a permanent typist of the State Government I become a full member in my category under Madras Government and naturally entitled to the scale of pay without any restriction.

6. I have been keeping all along a good record of work and continue to maintain the same standard even now and I pray benign consideration at the hands of the successor Government of Madras.

7. I was all along awaiting revision of orders from the Government and was patiently carrying on with my arduous nature of work at this transitional period. I also observed that the Government are in favour of the interests of every servant of the former State and when I find that even the unqualified clerks are granted scales of pay without any restriction, I venture to approach the Government with the fond hope - rightly too, that I also may be granted the scale of pay without restriction and allowed to draw my increments on 1-1-1951, 1-1-1952 and 1-1-1953.

(A) [illegible] 8. As per the assurance given in G.O.No.2332 Public Political (A) Department dated 1-10-52, I am entitled to continue in the post of Typist without any restriction.

not pertinent 9. As per G.O.1648 Public (Political -A) dated 23-6-52 sympathetic consideration has been assured to the employees of the erstwhile Pudukkottai State. I therefore humbly request that I may kindly be permitted to reach the maximum in the Time scale of Rs.45-3-60-2-90 without any restriction, exempting me from passing the Higher Grade Examination. in Typewriting.

premerger scale of pay of Rs 35-1-40-1½-58. As he was drawing 43/- in Jan 48, his premerger scale of pay will be more advantageous to him now, than the fixed pay of Rs 45. It has been suggested that either he may be granted further time to acquire the higher qualification or he may be reverted to his premerger pay and that if & when he acquires the higher grade qualification in typewriting, his pay may be refixed in Madras scale of pay. The DPI is requested to offer his remarks on the above suggestion.

With reference to the Government Memorandum cited, I have the honour to submit herewith a copy of the representation dated 12-7-1953 from Sri A.V. Ramachandran, Typist, Office of the Special Officer for Education, Pudukkottai together with a copy of the Special Officer's Endorsement No.Roc.No.165-C/53 dated 20-7-1953 and to state that in the circumstances stated therein , the provisions of Government Memorandum No.87/50-3 Public (Political-A) dated 20-3-1950 need not be strictly enforced in this case as he has been working as a Typist ever since ~~his appointment in November~~ April 1940 i.e. for about 13 years and he would have gained much experience which can compensate the possession of Higher Grade qualification in Typewriting.

2. The contents of the petition are true and the Madras State as legal sucessor's of the Pudukkottai State have relaxed the qualification rules in respect of many servants both temporary and permanent of the erstwhile Pudukkottai State to safeguard their interest and fulfil the assurances given to the merged states with sympathetic gesture with reference to various Government Orders, the most important among which are

G.O.1648 Public (Political-A) dated 23-6-1952
G.O.2110 dated 25-8-1952
G.O.2332 Public (Political-A) dated 1-10-1952.

3 Sri A.V. Ramachandra Ayyar is the only typist who has been left in the lurch by not being exempted from passing the Higher Grade Examination in Typewriting and thereby threatening him either to revert to Pudukkottai State scale or to work on a fixed pay of Rs.45/- While it is a fact that many unqualified clerks without any permanent footing are absorbed into Madras State Services and allowed to reach the maximum of Rs.90/- without any restriction, it is really very hard on a permanent typist of the Pudukkottai State who is fully qualified for a clerk's post and in addition has passed typewriting lower grade examination and who has been continuously working as a permanent Typist from 24-4-1940 has not been shown the sympathetic consideration assured in G.O.No.1648 Public (Political-A) dated 23-6-1952 and he be granted exemption from passing the Higher Grade Examination in Typewriting and thereby permitting him to draw his usual increments without any restriction upto Rs.90/- just as a Lower Division Clerk, without, of course the special pay of Rs.10/- per mensem.

4 His work has all along been satisfactory and he was discharging his duties efficiently, in spite of many odds and doing the work of 2 typists usually allowed in a District Educational Officer's office. He is now above 40 years of age.

5 It is therefore strongly recommended that his request may kindly be very sympathetically viewed as a special case and recommendations made to Government to exempt him from passing the Higher Grade Examination in typewriting by His Excellency the Governor under the rules published with the Public (Services) Department Notification No.16 dated 26-1-1950 at page 272 Part I of the Fort St. George Gazette dated 7-2-1950 so that he may draw his increments from 1-1-1951 and rise upto Rs.90/- without any restriction which will only be in quite consonance with the assurances given by the benign Government to permanent employees of the merged State.

Noted

I submit the following reply with regard to the suggestion given to the Special Officer by the Director of Public Instruction, Madras:-

2 On the date of merger my status and scale of pay as Typist in the Office of the Director of Public Instruction, Pudukkottai was similar to that of a clerk. As Typist under Pudukkottai condition, I was in charge of the entire Faircopy Section. I was also the Despatching Clerk. So Pudukkottai Typist in Pudukkottai Director's office was both a Typist and Clerk put together with qualifications for both. The same arrangement continues even to-day unlike in any District Educational Officer's office and the volume of work is very heavy and I am shouldering the whole brunt of the office work with much detrimant to my health in spite of repeated requests for additional staff. The period between the years 1948 upto this time was one of transition when the whole Education Department was in a fluid stage carrying on the work of the former Director's office and the work of a District Educational Officer's office.

3 Even while under State conditions, the Pudukkottai Darbar recognised my services and granted me an allowance for extra work from 1940 which was stopped in the name of Absorption The Director of Public Instruction, Pudukkottai was not only the Head of the Education Department but was also the State Manual Officer. In addition to my work I was attending to all his correspondence with the Government of India and the Pudukko Darbar still further recognised my merits and increased my allowance. I narrate all this to show that I was more a Personal Clerk to the Director of Public Instruction, Pudukkotta who resembled the Presidency Officer of the Madras State. I also learn that the Government of Madras have appointed him in some special work and I make mention of all this to show that my service was one of pride and was equal to service in Direct Office at Madras.

4 So the suggestion in paragraph 2 of Director's Proceedings 384 C6/53 dated 19-6-53 that I may be reverted to my premerger pay pains me very much and I begin to think that our benign Darbar would not have left uncared for at this hour for all my sincere, loyal and faithful service to the State. I can only say that the terms of the merger have not been

been properly settled with me - a permanent member of the former State. I can also say that the sanctity of the Pudukkottai Darbar has not been observed by the successor Government of Madras with regard to my absorption in Madras State Service and the assurances of the Central Government not carried out in my case, while they have been lavish in many cases not only with regard to qualified and unqualified permanent, but also unqualified temporary.

Generally speaking, I can see from Pudukkottai how the Madras Government have absorbed the former State servants in different departments. Even officiating Upper Division clerks in the Revenue Department on the date of the merger, with no corresponding qualifications for services in Madras State have been absorbed as Upper Division clerks. This is a merger boon to them. In normal circumstances, they would have easily been reverted but on account of merger they continue to hold their posts. My case is a permanent one which does not aspire for any promotion. Still it suffers under hardship and with a threat of reversion.

I can quote a number of instances in different departments and particularly in our Department also. In the days of Darbar they had an equal eye for all wherever one served and the treatment was uniform for all the members of one category. They held the posts of clerks and typists in equal status in pay and clerks or typists with Typewriting Lower as the additional qualification had a better chance for confirmation.

I thought that the Director of Public Instruction Madras will support my claims in making a suitable recommendation to the Government. In fact I was awaiting favourable orders granting me my increments on 1-1-51, 1-1-52 and 1-1-53 on my petition dated 19-2-53 to the Secretary to Government, Education Department, Madras and I have not received any orders from the Government so far. But to my dismay, I find myself hardhit at the sight of the Director's proceedings 384 C6/53 dated 19-6-53. not justif

Even in our Department I see merger boon to allmost all members in the Teaching and Non Teaching Staff who do not conform to the qualifications for the corresponding categories of posts in Madras State.

The following may be enumerated:-

1) Elementary School teachers of the former State whose period of training is only one year unlike for teachers in Madras State whose period of training is 2 years are granted scales of pay applicable to Madras State teachers.

2) Secondary Grade teachers who had training under Pudukkottai conditions were granted scales of pay applicable to Secondary Grade teachers of the Province.

3) The qualification rules for most of the L.T.assistants in Sri Brihadambal High School, Pudukkottai have been relaxed. They have not acquired the Departmental Tests. Still they are exempted after the age of 40 and granted scales of pay without restriction. (Please see G.O. Ms.2238 Edn., dated 24-9-52). not justif

4) A Librarian in Sri Brihadambal High School, Pudukkottai. He was working as Librarian for a short time before merger ~~and~~ and a long time after merger in the scale of Rs.25-1-35. Though he did not work as a clerk, he has been absorbed as a clerk from 1-1-49 and he got his arrears in lumpsum even when he has not worked as a clerk even for a day.

not justif 5) In G.O. 2110 dated 25-9-52 the unqualified clerks of the merged States are granted scales of pay without restriction. By this the Government have been more liberal to the unqualified clerks of the merged States who are too many in number and they are not only unqualified but also temporary with no permanent footing.

In this connection, my humble submission is the following:-

What consideration that weighed to extend such concessions to the category of clerks who are many in number extending to more than 300 may also be extended to the category of Typists who are only a score in whose purview, my only case will ~~count~~ come in, others having retired.

Whereas there were only 20 Typists in the former State, I am sure mine is the only solitary case. Even then I have got the required general educational qualification (Intermediate - Part II, Typewriting Lower - S.S.L.C.1927 and Inter.1929). Mine is also the only case to whom the Darbar gave a special treatment by giving me extra allowance for the extra work done by me eversince 1940.

So if any sympathetic consideration is shown to me it will be only in consonance with the sympathetic consideration assured in G.O.1648 Public(Political-A) dated 23-6-52. not justif

Ⓐ p1 Paragraph 2 (ii) in G.O.855 dated 26-3-49.

At the time of merger, I was not aware of the Service conditions of the Madras State. According to para 2 (ii) cited, if my qualifications were deemed inferior (Intermediate Part II, Typewriting Lower), the Government should have offered me the alternate post (namely clerk) but instead absorbed me as Typist and insisted my passing the Higher Grade. I also thought, I could, but my age, my circumstances, my calamities at home and my failing health all stood in the way. I also asked for 2 years time hoping that my increments would be sanctioned in the meanwhile. All the while, I was cheerfully carrying on with my arduous nature of work and to-day the contents in Director's Procs.Rc.384 C6/53 dated 19-6-53 is my reward. not justif

Certainly this may not be the reward for all my work for a period of 5 years after the merger. I have discharged a tremendous volume of work - in fact a District work in point of Education. In an Educational District there are two typists and what work they have to discharge with regard to the General Nature Circulars that emanate from the Director's office, I did it single-handed. So from 1940 I have been turning out greater volume of work which enabled me to stand in good stead during and after the merger. The heavy nature of work that I turned out over a decade, with much detriment to my health, goes to prove my pitch of efficiency. I served under two officers holding the post of the Director of Public Instruction, Pudukkottai from 1940. They held me in high esteem. They recommended me to the Darbar for grant of extra allowance. After merger, the Special Officers who came here, also held me in esteem.

Ⓡ

In the original orders of absorption (G.O.2417 Edn., dated 29-8-50) the Government have said that the increment of No.3

to be stopped in case of failure to acquire the same. By this, no reversion was contemplated in my case. Further Memo 87/50-3 dated 20-3-50 speaks only about Departmental qualification and Typewriting Higher Grade cannot be taken as Departmental qualification.

Of the 8 posts in the office establishment of the former Director's office (7 clerks and 1 typist) -- all having the same scale of pay), I occupied the 4th rank in point of seniority in pay. Nos.1 to 5 were permanent members and posts 6,7 and 8 were occupied by acting hands who had no permanent footing. Of the 8 incumbents, No.3 was unqualified and the qualification rules have been relaxed in his favour. Post No.8 was occupied by a temporary unqualified clerk. At first he was made an Attender in G.O.2884 Edn., dated 23-12-52 (2nd [illegible]) but subsequently on his appeal to the Government, they have absorbed him as a clerk and though unqualified he is granted the scale of pay without any restriction as per G.O.Ms.No.1520 Education dated 26-6-53.

Thus all my juniors (both permanent and temporary) have gone over my head with regard to pay.

I may be permitted to bring to the kind notice of authorities the comparative rules for appointment by the Pudukkottai Darbar and the Government of Madras in respect of clerks and typists. In the days of Darbar, the rules were such that while a Non-Brahmin S.S.L.C. is eligible for clerks and other posts only Graduates in Brahmin community were eligible for the posts of clerks with a proviso that Brahmins entertained before 1933 were exempted from the above rule. Since the date of my entertainment in service was as early as in 12th November 1930, I was qualified both as a clerk and a typist. But the Government of Madras may perhaps be not aware of this and have shown more sympathy towards the unqualified (even to members with no permanent footing) while they have hit hard on a permanent servant like myself who holds the same position before, during and after the merger with sufficient general educational qualification for both.

The Government of Madras have drawn a line between the clerks of the merged States and the clerks of the other parts of the province , in consonance with the G.O.contemplating sympathy. The same consideration may be shown to the category of typists of the merged States who have the required general education qualification. Of course mine is the only case with sufficient general educational qualification. The unqualified clerks of the merged States are permitted to rise upto Rs.90/- without any restriction, whereas this treatment has not been met out to the same category of clerks of the Madras State. This is quoted only to show how sympathetic and benign are the Madras Government who are successors of the Pudukkottai Darbar in fulfilling the assurances of the India Government to the Clerks of the merged States.

Hence I request that the Departmental authorities may be pleased to recommend my case to the kind notice of the Government for their benign consideration and revision of orders and to remove the condition stipulated in the G.O. absorbing me namely "Sri A.V.Ramachandra Ayyar should pass the Higher Grade Examination in Typewriting within 2 years from the date of his actual appointment in the Madras State Service" which will enable me to draw my increments without any restriction upto Rs.90/-.

In fine, I respectfully submit that I deserve every support of the Department for my efficient service,before, during and after the merger.

A.V. Ramachandran
Typist.

15 AUG 1953
PUDUKKOTTAI

Sub:- S.B.High school, Pudukottai- L.D.C. Sri G.Vydianatha Ayer- Request for inclusion of special pay in the re-fixation.

Ref:- Proceedings of the Director of Public Instruction, Madras in R.C. 498 C.8. of 53 dated 6-6-53.

In the order of the Director of Public Instruction quoted above it is said " that the special allowance was granted by the Ex-Darbar Pudukottai when the work was performed and it was admissible only as long as the incumbent performs the additional duties and that the Special allowance cannot in any way be considered as forming part of the pay attached to the post held by him".

2 So I appeal to the Government for favour of re-consideration and for the issue of favourable orders.

My case is different from the above. The College was brought under the control of the Director of Public Instruction, Pudukottai from 1-7-1940 and from that date the Special Allowance was given to me. The College became an independent department in January, 1945. The Principal College became an independent officer. He was no longer a subordinate to the Director of Public Instruction, Pudukottai. The College correspondence ceased to be done by the clerk of the Director office.

Then the question of continuance of this special allowance was taken up. On the recommendation of the then Director of Public Instruction, Pudukottai the Pudukottai Darbar have issued orders permitting the continuance of the special allowance, even though the work pertaining to College was not performed by me. The Pudukottai Darbar permitted the drawal of this allowance during the period of Privilege leave and the allowance was given to both to the clerk who went on leave and for the one who acted for him. This means that the special allowance was attached to the post. Thirdly the allowance was continued whenever there was revision of scale (i.e) when the maximum to the place was 50, it was Rs. 50 plus 7; and when the maximum was raised to Rs. 55, it was Rs. 55 plus Rs.7. So it is clear that the intention of the Pudukottai Darbar was to continue the allowance once given and enjoyed by the clerk.

5 As successors of the Pudukottai Darbar, I request the Madras Government to view my case sympathetically as per G.O. 2332 dated 1-10-52 (Director's R.O.C. 680 C.6. of 51 dated 12-10-52 and to continue the spirit of the Darbar in my case and include the special ~~sass~~ pay of Rs. 7 P.M. in the re-fixation. Unless it is done my position would be less advantageous.

6 So I pray for a modification of the orders and extend the spirit of the order contained in G.O. 2332 of 52 dated 1-10-52 in my case.

I beg, respectfully.

It is observed that Sri G. Vaithyanatha Iyer, formerly clerk, Office of the Special Officer, Pudukottai was sanctioned by the ex-Pudukottai Darbar an extra allowance of Rs.7/- p.m. for the additional work pertaining to the RAjah's College, Pudukottai when the College was brought under the Control of the * then Director of Public Instruction, Pudukottai. The extra allowance referred to above is in the nature of class II Special pay i.e. Special pay for additional duties. This is admissible only so long as the incumbent actually performs the additional duties. Therefore the Special allowance drawn by him for extra work cannot in any way be considered as forming part of the pay attached to the post held by him. Hence the request of Sri G. Vaithyanatha Iyer to refix his pay in the Madras Government scale of Rs.45-3-60-2-90 taking also into account the special pay of Rs.7/- p.m. is inadmissible and cannot be complied with.

2) The Divisional Inspector of Schools is requested to inform Sri G. Vaithyanatha Iyer accordingly.

In their order D.Dis 11095 of 40 dated 2[illegible]-10-40 the Darbar were pleased to sanction an allowance of Rs.7/- per mensem to G.Vaidyanatha Ayyar, Clerk and Rs.3/- to A.V.Ramachandra Ayyar Typist for additional work. G.Vaidyanatha Ayyar was originally in charge of papers relating to the Lower Secondary Schools both State and Aided, the S.B.High School, Ramachandrapuram, the C.S.M. High School and the Rani's Girls' High School and these constituted a full quota of work for a clerk, Correspondence from and with the Colleges and the schools department attached to it, the Saraswati High School*, Ponnamaravathi was additional work, which as my predecessor has reported (not need paragraph 2 in Rc. A-3-1847/40 dated 23-9-40) did not call for the immediate appointment of another clerk, but had to be attended to by the clerk who dealt with appers from Secondary and High Schools and the typist.

*Konapattu and the Velampuri Waduganathan High School,

2. The separation of the College from the control of the Director ordered in paragraph 4 of Darbar's Proceedings not need Rc.A-6-12647/45 dated 5-11-45 consequent on the retirement of M.R.Ry. M.Harithirtham Ayyar Avl. does not materially affect the work of this clerk and the typist as the following statement will show:-

(a) The correspondence from the College High School mainly relates to matters connected with S.S.L.C. Scheme exemption from the operation of age rules, condonation of shortage in attendance and break of studies, issue of S.S.L.C. certificates alterations in the C.Group subjects presented by students and the conduct of the S.S.L.C. Public Examination in the Town at Ramachandrapuram and at Konapattu. Since the Director of Public Instruction, Madras (in his proceedings not need Roc.No. 3192 E/40 dated 10-1-41) and following him, the Madras und Government (P2-2503 of 40 dated 21-1-41, letter from the Resident,) and the Darbar (in their Press Communique Rc.A-7- und 10270 of 40 dated 12-2-41) have declared that "for purposes of the working of the S.S.L.C. Scheme, the Director of Public Instruction, Pudukottai will be the controlling Officer" all correspondence from all the High Schools in the State relating to the S.S.L.C. scheme will continue to be addressed to this office.

(b) In paragraph 4 of Darbar's proceedings Rc.A-6-12647 not need of 45 dated 5-11-45 the Darbar have stated specifically that the separation of the College Department (i.e) the Branch College and the College) from the General Education Department will not mean that the appointments, transfers and promotions of officers in one department will be made without considering the claims of those in the other". This obviously will necessitate reports to the Darbar both from this office and the Principal's office.

(c) The Director of Public Instruction continues to be in charge of the common examinations - terminal and annual for the Form classes of all the secondary and High Schools.

(d) The only correspondence from the Principal, with which I shall not have to do, relates to the University classes. Even before 15-1-46, the Principal was directly corresponding with the Registrar of the University on all matters touching upon

---2

74

upon the Intermediate Examination, the College Establishment returns and other periodical statements to the University. He was addressing the Darbar direct on all matters of a routine nature. The papers that passed through the Director were proposals and recommendations to the Darbar relating to finance and the appointments, promotions etc. of the lecturers; and such papers were very few.

(e) Since 1940 when the Darbar sanctioned the grant of the allowance under report, the Saraswati High School, Konapattu has grown into a complete High School and a High School had been started at Ponnamaravathi, which will be presenting pupils for the Final S.S.L.C. Examination in March 1947.

3. I have therefore the honour to solicit Darbar's kind orders to continue the payment of this small allowance of Rs.7/- to the Clerk and Rs.3/- to the Typist. These two clerks have been attending to this additional work carefully and efficiently.

p 1CF

Sri A.V. Ramachandran was a permanent typist in the office of the DPI of the erstwhile Pudukkottai State. He has passed Part II of the Intermediate Examination in Arts and Science of the Madras University and Govt Tech. Exam in Typewriting in the Lower grade. At the time of the merger of the Pudukkottai State, he was drawing pay at Rs 43 pm in the scale of pay of Rs 35-1-40-1½-55. In G.O. Ms no. 2417 Edu, dated 29.8.1950 the Govt ordered his absorption (as Typist) in the office of the Spl. Officer for Edu, Pudukkottai and fixed his pay at Rs 51/- in the scale of Rs 45-3-60-2-90. applicable to Typists in the Madras State. He was also directed to pass the Higher grade Examination in Typewriting within two years from the date of his actual appt in the Madras State Service. He was granted another increment of Rs 3/- and his pay on 1.1.50 was fixed at Rs 54/-. As he has not passed the Higher grade Examination in Typewriting he is stagnating at Rs 54/- In his petition, dated 19.2.53, Sri Ramachandran has stated that the maximum of the scale of pay of the typist of the former Pudukkottai state was 55, that he was drawing an addl allowance of Rs 6/- pm for extra work and that but for the merger, he would reach the maximum of pay of Rs 55 in due course. He has requested the Govt to exempt him from passing the Higher grade Exam in Typewriting and to permit him to draw pay in the scale of Rs 45-90 without any restriction in view of the orders contained in G.O. Ms 1648 Public (Fol) d 23/12/48 & Ms. 2832 Pub (Pol) d 1/10/52. The DPI has stated that the work of Sri Ramachandran is reported to be quite satisfactory ~~and~~ that his requests may be sympathetically considered and that he need not be allowed any arrears of pay.

A | In the above circumstances, it is for orders whether the rule regarding qualification may be relaxed in favour of Sri Ramachandr and he may be permitted to draw pay in the Scale of Rs 45-90 without any restriction [and without any claim for the payment of arrears]. In this connection it may be pointed out that no restriction was imposed by the former Pudukkottai State, in the matter of drawal of annual increments by Typists in the Scale of pay Rs 35-1-40-1½-55 which was the same for lower division clerks. | A

Edn. 8056 A/53-21

The petitioner possesses the minimum general educational qualification and has passed the Typewriting examination by the Lower Grade. According to G.O.No.78, Finance, dated 6-2-1947 he can draw only a fixed pay of Rs.45/- in the Madras scales of pay. However, as a special case, he has been allowed on absorption the same pay he would be entitled to if he were fully qualified typist subject to the condition that he passes the typewriting examination by the Higher Grade within two years. Without passing that examination by the Higher Grade, he has now applied for exemption from possessing that qualification so that he may be able to draw the future increments in the time scale. No special circumstances ave been mentioned to justify any sympathetic consideraion of the case. Generally, exemptions are granted in pecial circumstances where undue hardship would be used by a strict application of the rules. In this se, as the petitioner has not acquired the qualification thin the prescribed time, the provisions of Memo. .87/50-3 Pub.(Poll-A), dated 27-3-50 may have to be applied

to him. According to the said Memo. he may ~~be~~ either be sanction further extension of time to pass the typewriting examination the Higher Grade, or allowed to draw the fixed pay of Rs.45/- o until he acquires the higher qualification or reverted to his premerger scale of pay 35-1-40-1½-55. As he was drawing Rs.43/ in January '48 his premerger scale of pay will be more advantageous to him now than the fixed pay of Rs.45/-. Therefore, the Edn. Dept. may either grant him further time to acquire the higher qualification or revert him to his premerger pay. If an when he acquires the higher grade qualification in typewriting his pay may be refixed in Madras scale of pay.
