OFFICE OF THE CHIEF ELECTRICAL ENGINEER

C. No. 8 OCT 1949

Thro' The Chief Electrical Inspector to Government,
Post Box No. 417, Chepauk, Madras.

Sir,

Sub: Exemption from payment of full term fees for the Children
of the Municipal Electrical Engineer due to transfer in
the middle of the term- Sri N. A. Srinivasan, Municipal
Electrical Engineer

I am serving as Municipal Electrical Engineer and I have a daughter
by name Sow. S. Malathi studying in I Form. When I was posted to Virudhachari
District in May 1949 I admitted her in the Kshatriya Girls'
school in January 1949. After I was transferred to Bellary due to
exigencies of service and my daughter's education was interrupted. I appli-
ed to the Head Mistress for transfer certificate but I was asked to remit
Rs. 13-12-0 being the fees for the remaining 5 months in that term. I have
paid the same under objection.

Though there is a provision in the education rules that Government
servants are exempted from the payment of full term fees when they are
transferred during the middle of term, the Head Mistress refused to treat
me as Government servant for this matter. I belong to the Madras Local
Authorities Electrical Engineers' service in the Local Administration
Department and we are transferred like other Government servants from place
to place for public cause and exigencies of service and the education of
our children do suffer by such transfer. It will be very hard for us if we
are asked to pay full term fees for our children when we are obliged to
change them from one school to another.

I represented the matter to the District Educational Officer,
Ramnad on 6-8-1949 but I did not receive any reply thereto.

I request that the Government may be graciously pleased to consider
our cases and issue orders so as to treat us as Government servants in
such cases and exempt us from the payment of full term fees.

I beg to remain,
Sir,
Yours obediently.

2. Copies of replies Rc. No. 7753 / I-L.A. 49-2 dated 10/2/50 and 24/3/50 of the Chief Electrical Inspector to Government Madras who was consulted regarding the status and service conditions of the Municipal Electrical Engineers are enclosed herewith. From the remarks of the Chief Electrical Inspector it appears that the Municipal Electrical Engineers are neither servants of the Local bodies nor of Government. Their position seems, therefore to be identical with that of the servants of the Hindu Religious Endowment Board for whom Government have extended the benefits of G.O. 845 Education G.O. 845 Education Dated 8/5/30 in G.O. Number 2269 Education dated 14/7/49. ~~dated in~~ therefore suggested that the benefits of G.O. Number 845 Education dated 8/5/30 may be extended similarly to Municipal Electrical Engineers also.

Sir,

Sub:- Engineer - Electrical - Bellary Municipality Sri N.A. Srinivasan-Exemption from payment of term fees for his daughter.

Ref:- Your letter Roc. No.3701-E.4/49 dated 2/3/1950

Further to my letter No.7753 ILA/49-2 dated 10/2/1950 I have to state that the position of the Electrical Engineer of local bodies is similar to that of District Board Engineers and Municipal Health Officers. Like the latter two classes of officers, the Electrical Engineers also serve in local bodies and are liable for transfer to other local bodies owning electric supply undertakings in the Province. The service to which the Electrical Engineers belong-namely the Madras Local Authorities Electrical Engineers Service is controlled by the Government.

In view of the position stated in my letter dated 10/2/50 and this letter, I consider that the concession regarding exemption from payment of term fees admissible to the District Board Engineers and Municipal Health Officers for their children or wards should be extended to the members of the Madras Local Authorities Electrical Engineers Service also.

It is presumed that the draft rule published in G.O. no.3533, L & M. dated 22 3/9/1930 would have been confirmed already.
