HISTORY OF THE SCHOOL

The history of the school as at present constituted resolves itself into the histories of four different institutions, namely St. Mary's Church Charity School, the Madras Male and Female Orphan Asylums, the Waltair Orphan Asylum and the Gordon Orphan Rafuge.

St. Mary's Church Charity School, which,it is believed, is the first educational institution to be founded by the Church of England in India, now the Church of India, Burma and Ceylon, was started in 1715 by the Reverend W. Stevenson, Chaplain of Fort St. George, for the board and education of British Anglo-Indian children. It was built on the island west of the Fort, and the Governor Thomas Pitt, grandfather of the Earl of Chatham, gave 5,000 Pagodas towards its cost from the sale of the Jersey House The school started with thirty children but the number subsequently increased to fifty. Through the care of the headmaster, Mr. Hubbard, it survived the two years from 1746 to 1748 when the Fort was in possession of the French. The Governing Body was St. Mary's Vestry: the Governor attended its meetings so that we find in the Minute Books the names of eminent men such as Clive, Warren Hastings, Lawrence and Wellesley. The school remained on its original site till 1871 when it was amalgamated with the Male and Female Orphan Asylums, which on the transference of the Military Male Asylum to Lovedale, moved to the site of that school at the old Redoubt, Egmore. The connection of the Civil Orphan Asylums with St. Mary's parish has been maintained ever since. The terms of the amalgamation state that the chaplain of St. Mary's should be the spiritual head of the combined institution, which he still is, if the Principal is not ordained: that he should be a member of the Board of Directors: that he should pay Rs. 6,754 annually out of the accumulated capital fund of St. Mary's Church, and that the boys of the school should form the choir, the cost of transport being met by the Commander-in-Chief. The Civil Orphan Asylums also, as part of the terms of the gift. took over from the Military Asylum fifteen boys who could not go to Ootacamund.

The Male and Female Orphan Asylums were founded in 1807 and 1810 respectively through the influence of the Reverend Dr. Kerr of Black Town Chapel. The school was originally in North Black Town, and was supported by a number

of subscribers who elected Directors from their numbers: they constituted the first Board of Directors of this school. The school was founded for children of European descent who were not eligible for admission to the Military Asylums. In 1815 and 1823 substantial buildings were erected, and the foundation stones were laid with Masonic observances. These stones are now placed in the girl's dining hall, and they bear the names of the first twenty Directors. Thus was started the connection of the school with the Freemasons. The Madras Masonic Institution still gives a substantial annual grant, and in 1940 the corner stone of the Junior House was laid with Masonic rites. The Male and Female Asylums had considerable capital including a large bequest from Mr. Gericke, a famous missionary, and from time to time received donations from the Woolley Fund, a fund given to Government for the education and maintenance of children of distressed Europeans. In return for these grants the school undertook the support of an additional thirty-six children, a number which was reduced in 1876 to thirty. Government also ruled in 1851 that two Directors should be appointed by them, and ever since the two Government Directors on the Board have been responsible to Government for the proper administration of the Woolley Fund money held by the school. By 1867 the number of children had increased to seventy-five boys and sixty-five girls and the Directors complained that the buildings in Black Town were totally inadequate. It was probably in response to this representation that Government conceived the idea of transferring the Military Male Asylum to Lovedale, there to be amalgamated with the Lawrence Asylum, Ootacamund, and handing over its site at the Old Redoubt, Egmore, to the Directors. The Old Redoubt which was on the present site of Egmore Station, was built in 1711 as an outpost of Fort St. George but had been used as a school since 1782. The move to Egmore took place in 1872. The buildings at Black Town and a portion of the site of Egmore were sold and after meeting the costs of certain alterations to buildings, the balance was invested. The school was at the same time amalgamated with St. Mary's Charity School, and thereafter the combined institutions adopted the present name, the Civil Orphan Asylums. In 1894 the Government closed the Waltair Orphan Asylum, and transferred its fifteen children to this school taking the endowment of Rs. 23,442, and paying the school Rs. 15 a month for each child.

The next important event in the history of the school was its move to the present site at Kilpauk in 1904. The Military

(19)

Female Orphan Asylum had started in a house in Chintadripet presented by the Nawab of the Carnatic. In 1872 they purchased the Kilpauk site for Rs. 19,750. A house on the site had been known as Conway House, and it is interesting that people in the neighbourhood still know the school as "Conway School". In 1903 the South Indian Railway decided to rebuild and extend Egmore Station, and wanted to acquire the land on which the School stood. The Directors were proposing to purchase Church Park when the Government intervened, as they were considering the transfer of the Military Female Orphan Asylum to Lovedale. That transfer took place in the following year and the site, 380 grounds or approximately 21 acres, was handed over to the Directors of the Civil Orphan Asylums on condition that they admitted thirty girls who could not be sent to Lovedale, and that they maintained thirty extra girls in perpetuity. The Directors were able to do this by investing the sale proceeds of the Egmore site amounting to Rs. 2,03,328.

The last addition was in 1928, that of the children belonging to Mrs. Gordon's Orphan Refuge. This institution was founded by Mrs. W. A. Morehead in 1860, and was intended for European and Anglo-Indian children who were not eligible for admission either to the Civil or Military Asylums. Mrs. Morehead raised sufficient funds to purchase a building in San Thome, and in 1872 Mrs. Gordon of St. Thomas' Mount endowed the institution with Rs. 13,700 on condition that it was named after her. After Mrs. Morehead's death the Refuge was in charge of Mrs. Alice Firth until she died in 1928. The thirty girls in school were then transferred to the Civil Orphan Asylums, together with the funded capital, which after the sale of the buildings amounted to Rs. 52,400. The President and one other member of the Refuge Committee became members of the Board of Directors, and two Gordon Orphan representatives now on the Board have the right to nominate twenty children in the school.

The present school chapel was taken over from the Military Female Asylum: it was built in 1883 and dedicated to the Blessed Virgin Mary. Various additions and improvements, in most cases with the assistance of Government, have been made to the site since it was occupied in 1904. In 1915 the Principal's bungalow and the class room block were constructed at a cost of Rs. 46,910. They were blessed by the Bishop of Madras on March 4th, and opened by His Excellency Lord Pentland on the

following day. In 1935 the nave of the chapel was extended and a new vestry added at a cost of Rs. 7,900. This extension was dedicated on February 4th 1937. Two additional class rooms were added in 1938, and in 1940 the Junior House constructed at a cost of Rs. 64,723. The Corner Stone was laid with full Masonic rites in the presence of His Excellency the Governor and the Lady Marjorie Erskine on October 8th. The Domestic Science room was reconstructed during the same year. In 1944 the Government alienated to the Directors six acres of vacant land on the north side of the compound. This will provide the extra playing ground space which would be necessitated by the construction of another house which is now being erected.

REPORT ON THF FINANCE COMMITTEE
CIVIL ORPHAN ASYLUMS.

The year in review has been disappointing in its financial aspect. It began with a deficit of Rs. 5480 and ended with a deficit of Rs. 1232. This deficit would have been overcome if our subscriptions and donations had kept to last year's figure of Rs. 18,000. Unfortunately the subscriptions and donations dropped to about Rs. 10,000 only.

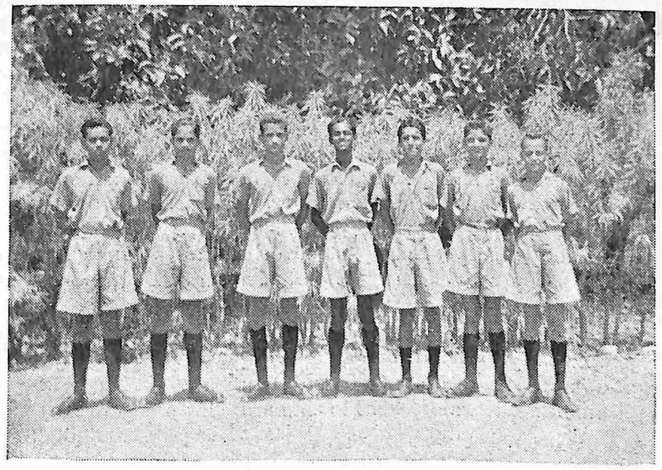

It is encouraging to note that our Teaching grant from Government was increased by Rs. 800, and our Boarding grant also was increased by Rs. 2500.

The heaviest item of expenditure is as usual - that of boarding. There has been an increase of Rs. 4700 to that of last year. This is due to the increase in the cost of food stuffs and the larger number of children maintained compared to the previous year.

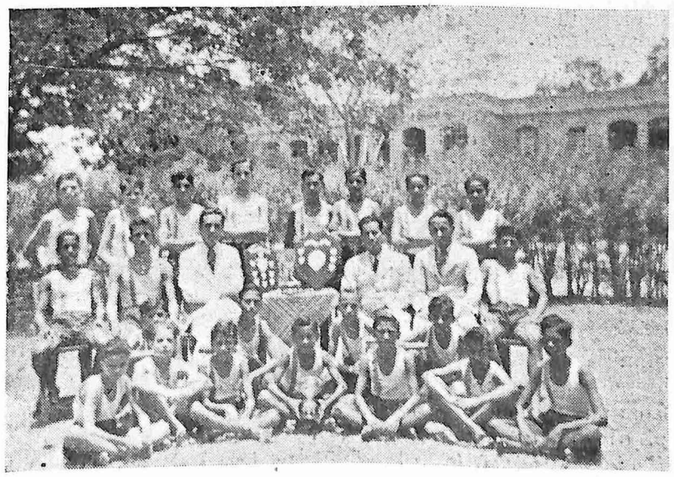

We are very grateful to Government for increasing the number of Destitute Grants from 178 to 181.

After a special appeal to the M. & S. M. Railway we received a final grant of Rs. 2400. This helped us to continue keeping the twelve railway nominees.

The Indian Church Aid Association sent us a contribution of Rs. 1062 and the European Schools Improvement Association gave us a sum of Rs. 1100. These amounts were of considerable help to the Management to maintain children who were not in receipt of any aid from other sources.

BOY PREFECTS

BOYS ATHLETES

The Old Students' Association was of great help to the School and have helped the Management in raising money for the School.

In considering the general picture of our financial position it is our opinion that our income must increase and it is only possible to do so by an increase in our subscriptions.

Our needs are known to the public of South India and to friends of the School in England and America. All subscribers and well-wishers of the School in England are requested to send their contributions to Mr. F. H. Wilson, Rothesay, 7 Radlett Park Road, Radlett, Herts, England. We are deeply grateful to Mr. F. H. Wilson for his help in collecting donations and we look forward to his continued help in the future.

Our representatives in the railway centres in South India have been working very devotedly to collect subscriptions for the School. There has been a certain amount of difficulty in raising money at the railway centres due to people being transferred more frequently than before. We express our deep gratitude to those ladies and gentlemen who have undertaken this difficult task of collecting subscriptions in their respective centres. To all our present subscribers our one appeal to them is to endeavour to increase the list of our subscribers.

The All-in-cost monthly for each child and the cost of food only is as under :—

	All-in-cost.			Cost of food.		
	Rs.	As.	Ps.	Rs.	As.	Ps.
1937-38	30	7	10	8	7	6
1946-47	41	12	1	23	6	5
1947-48	39	11	7	21	12	9
1948-49	42	3	1	19	13	6
1949-50	38	9	10	20	15	0

There is a decrease in the all-in-cost due to general economy and increase in number of children.

Building, Replacement & Extension Fund:

The Fund opened with a debit balance of Rs. 15,026 and closed with a debit balance of Rs. 2388. The Government paid the balance of their grant which amounted to Rs. 12,977.

The Ground Floor of the New House which has been completed costs Rs. 1,13,955-14-5.

We have decided to complete the Intermediate House by Octobor 1950. This venture would cost the Management alone nearly Rs. 40,000/-. We hope, with renewed efforts, to raise Rs. 20,000/- locally and appeal to our readers in England and other places to help us with generous donations as they have done in the past. When this building is completed it would be possible for us to raise our numbers to 325. It would become the largest boarding school of its kind in the Madras State.

St. Mary's Chapel Notes

We are glad to report that the Lady Chapel has now been completed, and will be dedicated on the 7th July 1950, by the Rt. Revd. H. Pakenham-Walsh. Mrs. E. C. Harper donated Rs. 12,000 towards the cost, which amounted to nearly Rs. 15,000. We are indeed deeply grateful to her for this most generous donation. This additional extension will be used for our week day celebrations, at which we generally have about twenty communicants.

The Chapel is the centre of our life in the C. O. A. and I am glad to note that the children make use of the House of God to have a quiet time each morning and evening. It is most encouraging to note that the members of the C. S. I. living near the School are beginning to attend the Sunday services at the School Chapel. We record the Baptism of the daughter of Mr. and Mrs. Ellore.

Each Sunday there is a Sung Eucharist at 7-30 p.m., and the offering of incense at this service has been introduced. Kindergarten service at 10 a.m. and Evensong and address at 5-30 p.m. The Senior girls take it in turn to conduct the K. G. Service. The School prefects both girls and boys read the lessons at Evensong. There is a celebration each Wednesday and on Saint's Days and Holy days. On Saturday nights there is a Preparation Service for intending communicants.

On December 6th the Most Reverend the Bishop in Madras administered the Sacrament of Confirmation to 44 children and the newly confirmed made their first Communion at the Eucharist which followed the service of confirmation.

(12)

On the last Sunday of Term in December we held the Traditional Nine Carol Service and the first seven lessons were read by children from standards I to VII and the other two by Mr. W. J. Satur and myself.

Earlier in the year we were very glad to have with us the Revd. Cecil Johnston of the Children's Special Service Mission. Mr. Johnston ran a mission in the school for a week. The course of addresses and the choruses taught to the children, were very inspiring. I believe many children came to know their Saviour in a very real way. The seed sown at that time has been bearing fruit since then.

In January 1950, the General Synod of the Church of South India, was held in the School. Services were held daily in the Chapel. On Sunday, January 8th the New Liturgy for the C. S. I. was used. More than 170 delegates from the 14 dioceses attended the Synod.

The following helped us at Divine Services during the course of the year:—The Reverends. J. M. Wyld, D. Chellappa, S. J. D'Morias, S. Lambert, R. S. Michael, C. Johnston and Messrs H. O. Fowler and W. Ritchie.

The Chapel is in need of the following furnishings and we would be very greateful if our readers would help us to obtain them. Donations in kind or money would be very gratefully accepted. One Green Altar Frontal, A Processional Cross, two Wooden Standard Candle Sticks, a Blue Coir Mat for the Aisle, and Markers for the Lectern Bible.

I must exprees my sincere thanks to Miss Sturt the Organist and Mr. C. E. Fritchley our Violinist who helped us with the music at our services, and to Mrs. K. Maynard who with her group of girls, worked so devotedly to keep the Chapel so meticulously clean. I should also express my deep gratitude to Mr. B. Fowler who acted as Treasurer and Secretary of the School Chapel.

We ask all our readers to remember our Chapel and all those who worship and minister in it, in their daily prayers.

R. BENTINCK,
Chaplain.

Principal's Report.

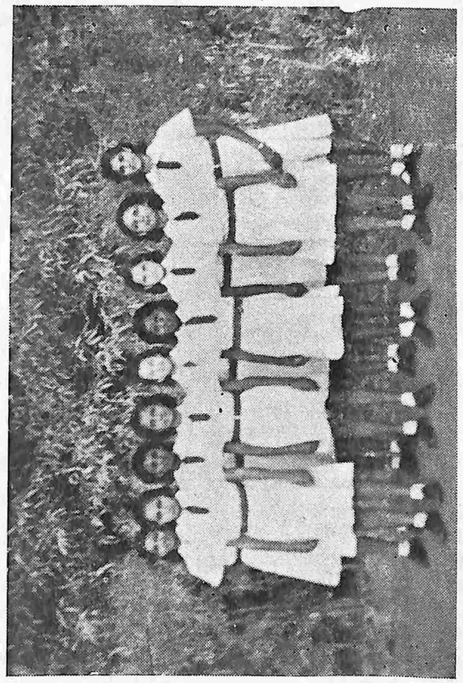

It is with a sense of joy, gratitude and buoyant hope that I write this 77th Annual Report on the working of the School during the year 1949-50

The year in review has been the beginning of a New Era in the political life of India and the School in its 234th year of existence will have a vital part to play in the Republic of the Indian Union. In the Civil Orphan Asylums we are endeavouring to fit ourselves within the new pattern of Indian Education, so that we may equip our children to be worthy citizens of our country. It is most essential that every Anglo-Indian child should possess a High School Certificate in either an academic or technical course. Without this minimum education the Anglo-Indian would be submerged and lost in India. Every Anglo-Indian parent must realise this and have it as their earnest objective.

The plans for a technical bias to Anglo-Indian education are nearing completion and should be implemented in the very near future. Here in the C. O. A. an improvement has been made in the Carpentry course. Wlth the whole hearted co-operation of Doveton-Corrie Board of Governors and Mr. T. E. Axford, the Principal, a full time teacher has been employed, and the boys from Standards III to VII have two periods of Instruction in Carpentry per week. Doveton-Corrie send their boys of Stds. V and VI to be trained as well. Our finished articles were exhibited and sold at the Y. W. C. A. fete held in September 1949. Her Excellency the Maharani of Bhavanagar visited our Stall and was impressed with the articles turned out. Before leaving the stall she purchased an ironing board. I take this opportunity of requesting our local readers to patronize our Carpentry Shop and we would also be willing to undertake orders. This would be a source of encouragement both to the boys and their Instructor Mr. R. D'Jordan.

On the 1st of April 1949 the school strength was 271 and by the end of December the numbers went down to 258. After the new admissions had been made in January 1950 the school strength reached 274. This is our economic strength.

There have always been changes on the Staff every year and the year in review is no exception. Mrs. Sheriff left in

GIRL PREFECTS

December to take up her new appointment as Headmistress of St. Matthias School Madras. We wish her all the best and God's blessing in her new sphere of work. Miss Irwin also left in December 1949. We welcome into our midst Miss K. Flynn formerly Headmistress of Mountain Home School, Coonoor, and Mr. H. S. Joachim. Both these teachers come with a wealth of teaching experience and I am certain are an asset to the School.

In November we presented the whole of standard VII numbering 26, for the Middle School Examination for Anglo-Indian Schools, of which sixteen were successful. One was placed in the first class, six in the second and nine in the third. Of these sixteen, fourteen children have been sent to continue their High School Course at either Doveton-Corrie or Christ Church School, Madras. One other is studying forhis High School at Stanes School, Coimbatore. Six of our children appeared for the High School Examination from Doveton-Corrie and two failed. One was placed in the first class, one in the second and two in the third. The School had its Annual Inspection on the 17th of October and Mrs. Suares, the Inspectress reported very favourably on the work of the Institution.

The School competed in the Inter-School Athletic Sports for Anglo-Indian Schools. Being only a Middle School we are handicapped for senior boys and girls. The Junior boys won for the first time the Junior Championship but the girls unfortunately were runners up for the Girls Junior Championship. The School entered for all the Inter-School tournaments for Anglo-Indian Schools. Our B. division boys came out with flying colours. Having no A Division, we entered our B. division lads both for the A and B division tournaments. In the A division we were beaten in the semi-finals by St. Patrick's who finally won the tournament. We were fortunate to meet St. Patrick's in the finals of the B division and averaged our previous defeat and thus won the trophy after a lapse of many years. As there was no C division tournament we were unable to defend the trophy we won last year. In the open football tournament we were beaten by St. Bede's in the finals. The girls were runners up in all their tournaments.

For the first time our Senior girls entered for the two Provincial Hockey Tournaments for Women. Considering that our girls had no previous tournament experience, they did well to reach the semi-finals.

turn can help towards the general benefit of the community? Schools of this type can only hope to exist by the help it obtains from the community for which it works. I sincerely hope that members of the community would help us by becoming regular subscribers to the school.

The Old Students' Association has once again been very active during the year, and has been of great help to the school. A dance was held in aid of the school in September and the profits amounting to Rs. 270 were donated to the Managements Funds. The Association met twice at the school, on the last day of the term and on Old Student's Day October 28th. The attendance on both days was encouraging. As Principal, I owe a deep debt of gratitude to Mr. G. M. Taylor, President of the Association and to Mr. J. C. Rouse the Secretary, for their keen interest in the School. In many ways these two gentlemen have helped towards the welfare of the school.

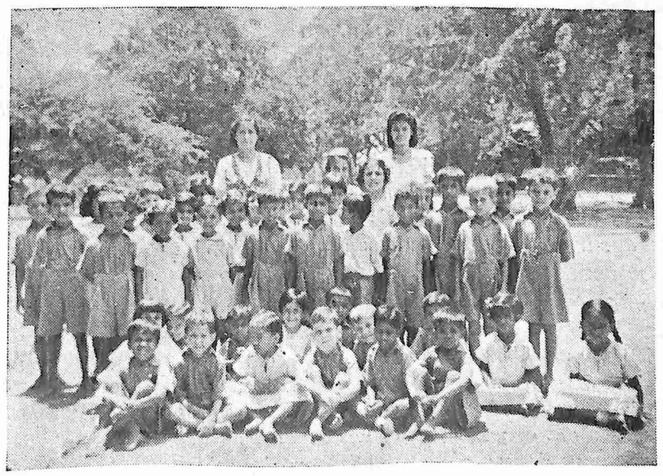

The School has now obtained a 35 mm. Projector at the cost of Rs. 465, mainly through the generosity of friends of the Institution. It will be a great aid to class teaching as we procure films for the various subjects. In addition to this we have talkie films shown twice a month by the American and British Information Services. I am deeply grateful to these two organisations for their assistance in audio-visual education.

The School had the privilege of being visited in October by the members of the Inter - Provincial Board for Anglo-Indian Education. The members were greatly impressed with the work being done. Mr. Frank Anthony the President of the Board, and also the President-in-Chief of the All-India Anglo Indian Association, commented upon the great service the school was rendering to the community. His remarks will be found elsewhere in this issue.

Ere I conclude, I must express my deep gratitude to Mr. C. E. Holland our Hon. Treasurer, for all his help in collecting donations for the School. Finally I place on record the great help and advice tendered by the Board of Directors to me for the general welfare of the School.

Mr. Frank Anthony's Report.

I visited the School on the 27th October 1949, along with members of the Inter-Provincial Board for Anglo-Indian Education.

I was impressed by the buildings, the spacious grounds and the general atmosphere of cleanliness.

Members of the Board had been very impressed by the School Band, which had performed at a function the previous day at a joint Schools' programme given in honour of the visit of the Board to Madras.

The School is fulfilling a real need in providing education for deserving children. In fact, in spite of all the difficulties arising from financial stringency and the high cost of living, additional space is being provided to meet the increasing demands for admission.

In order to give admission to as many deserving children as possible, the cost of feeding is being kept at a minimum.

Increasing efforts have been made not only to maintain but to add to the usefullness of this Institution, by appeals to private charity. The results seem to have been comparatively gratifying.

I feel, strongly, that the school and the invaluable work it is doing deserves every support and the most generous help

Chairman.
