Sir,

Budget Estimate- 1950-51 Elementary Education Fund-Chingleput District Board- grant for deficit- further payment-requested.

Ref:- G.O.Ms.No. 503 Edn. dated 17-2-50 and 1470 Edn. dated 10-5-50.

With reference to para 4 of G.O.Ms.No. 1470 Edn. dated 10-5-50, I have the honour to report that the actual closing balance of the Elementary Education Fund Account on 31-3-50 was Rs. 14,433-0-7 which includes a sum of Rs. 773-3-0 under Endowment Account.

The Divisional Engineer (H) Saidapet in his letter R.O.C.No. 6658-49-A3 dated 28-6-50 sent up list of incomplete works of 1950-51 relating to Elementary Education and the cost of these works amounted to Rs. 70,255 as detailed below:-

(i) Incomplete works-Ordinary.	Rs. 3,164
Capital.	62,585
(ii) Unstarted works.	2,975
(iii) List of dues to be paid to contractors.	663
(iv) List of outstanding liabilities-Ordinary.	568
Capital.	300

	70,255

In G.O.No. 8004 Edn. dated 26-9-49, the Government have sanctioned the payment of half grant for the construction of school buildings in 6 centres in this District. The cost of these works amounted to Rs. 58,250. The maximum grant permissible for the works is Rs. 28,300 and the balance of Rs. 29,950 will be met from the General Fund Account of the Board. Deducting this amount of Rs. 58,250, the net amount required for payment of incomplete works comes to Rs. 12,005.

Besides, there were arrear bills of Elementary Schools establishment amounting to Rs. 6,726-12-0 pending payment on 31-3-50.

So, the entire balance of Rs. 13,659-13-7 (Rs. 14,433-0-0 minus Rs. 773-3-0) available on 31-3-50 will be required for meeting these items of expenditure.

The Government while passing orders on the Elementary Education Fund Budget Estimate for 1950-51 in their No. 503 dated 17-2-50 have observed that there may be a deficit of Rs. 4.73 lakhs at the end of 1950-51 and that separate orders will be issued as to how this deficit should be met.

In my letter R.O.C.No. 22045/49-C1 dated 24-4-50, the Government were appraised of the fact as to how there came to be such a large deficit under Elementary Education Account and they were also requested to sanction a grant of Re. one lakh urgently for payment of salaries to teachers and they were pleased to sanction the same in their order No. Ms. 1470 Edn. dated 10-5-50. They have also said that no further subsidy will be paid until the actual closing balance of the Elementary Education Account on 31-3-50 is known. The actual closing balance is now known and it is furnished in para 1 above.

The entire contribution of Rs. 1,47,410 due from the General Fund Account for 1950-51 as fixed in para 5 of G.O.No. Ms. 503 Edn. dated 17-2-50 has been received. The Government grant payable under Section 37 of the M.F.E. Act was also sanctioned by Government in their order No. 1206 Edn. dated 17-4-50 calculating the levy of the Education Tax at 4½ pies rate only. If the proposed Amended Elementary Education Act 1950 is passed into law, this District Board would get an additional grant of Rs. 47,922-11-0 by calculating the levy of the tax at 9 pies rate the maximum permissible in the Act. The subsidies for the maintenance of schools opened prior to and after 1-4-21 have also been sanctioned by Government vide their orders Nos. 1558 and 1559 Edn. dated 19-5-50. The subsidy for the Compulsory Education Scheme for 1950-51 has also been sanctioned vide G.O.No. 1714 Edn. dated 7-6-50. All the amounts due up to the end of this month viz., August 1950 have been drawn. But there is only a balance of Rs. 2,936-2-1 under Elementary Education Funds this day.

For payment of Elementary Schools establishment, a sum of Rs. one lakh is required every month. Besides, the Divisional Engineer (H) Saidapet is pressing for the payment of credit of Rs. 50,000 for expenditure in connection with Elementary Education works.

I request that the Government may be pleased to sanction the balance of subsidy viz., Rs. 3.73 lakhs urgently for meeting the deficit caused by the grant of Dearness Allowance to teachers for the current year 1950-51.

Unless the grant is sanctioned, the payment of teachers' salaries for August 1950 could not be made.

Urgent orders of Government are therefore solicited.

President, District Board.

Sub:- Subsidy - Elementary Education Fund - District Board, Chingleput - Towards the expenditure on d.a. - Payment.

Ref:- From the President, District Bd., Chingleput, No, 22045-49-C1, dated 22-8-'50.

According to the Orders on the Budget Estimate

for 1950-51 on the Elementary Education Fund of the Dt.

Bd., Chingleput, it was anticipated that there would be a deficit of Rs.4.73 lakhs at the end of 1950-51 assuming

that the fund would have ~~been closed~~ ^{opened} with a nil balance.

It has since been reported that there was an actual balance

of Rs.14,433/-. From the P.D.B.'s letter it is observed

that this amount will be required for ^{discharging} certain liabilities

~~relating~~ ^{relating to} realised in 1949-50. The deficit anticipated

in 1950-51 will not get reduced. (The deficit has been

arrived at after taking into account the additional income

from the enhancement of Education tax from 27 to 36 pies

in the rupee of ~~the~~ land revenue.) ^{The} This deficit is due

to an expenditure of Rs.4.22 lakhs on d.a. to teachers.

It appears that a subsidy to cover the entire expenditure

on d.a. may be paid to the Bd. For the present the

advance subsidy may be limited to two-thirds of the

expenditure on d.a. (i.e. Rs.2.82 lakhs). As a subsidy

of Rs.1 lakh has already been paid in 1950-51, the

balance of Rs.1.82 lakhs may be paid now. Further

payments, if any, may be made on receipt of the R.E. for

1950-51.

2/. It may be noted in this connection that this

District Bd. has refused to raise the rate of Education

tax from 27 pies to 36 pies in the rupee of the land

revenue without devising at the same time the means for

securing the additional income of over a lakh of rupees

which would have been realised had the increase ^{in tax} been

sanctioned. On the other hand the Bd. has asked for an

additional subsidy ^{from Govt.} towards the ~~loss~~ ^{extra} of income from Education

tax. ^{prepared by the Bd.} It is for consideration whether the Government should
