Sir,

Reference:- G.O.No. 2455, Education dated 31-8-1950 and
 R.O.No. A.13.No.-4922/50 dated 2-9-1950.

I beg to submit the following for favour of sympathetic consideration and orders:-

The President, District Board, Tanjore was pleased to recommend on my behalf extension of service for six months from 15-7-1950.

This recommendation was submitted to Government in the last week of June 1950. The orders approving extension of my service were received on 1-9-1950 and communicated to me on 4-9-1950.

I beg to bring to the notice of the Government that retirement from service in the middle of the long term of 1950-51 places me and my children in a sorry predicament and involves heavy financial loss.

(1) Had the request of mine for extension been turned down a few days after the date of super-annuation, I would have been in a position to secure an appointment elsewhere. Now, at this time of the year, no chance is open to me till June 1951, and thereby I have been deprived of the means of maintaining a large family and educating my eleven children in these hard

P.T.O.

days.

(2) One of my daughters is a pupil of Form VI in the Board High School, Ayyampet. If she is to be admitted in Tanjore where I have to take the family, I will have to pay seven instalments of school fees at the rate of Rs 6-4-0 in the Board High School, Ayyampet and another seven instalments at the rate of Rs 7-0-0 to the school where the girl will have to be admitted. In this way, I am put to considerable loss.

Moreover, the break in the continuity of instruction consequent on the girl leaving one school and entering another- the change from an old familiar environment- from teachers whom she knows and understands to a strange, unfamiliar environment with teachers whom she has got to get acquainted with and to understand- the variation in the portions of lessons covered in the two schools- all these hamper the girl's progress in studies seriously and imperil the chances of her success in the S.S.L.C. Public Examination of 1951.

(3) The President, District Board Tanjore under whom I have served for the last twenty years and who knows my character, conduct and work is willing to retain me in service and has been pleased to recommend extension of my service for six months.

(4) When the President, District Board Tanjore made the recommendation for extension, he was well aware that my retention in service for a few months would not- as a matter of fact, does not prejudice, the chance of the prospective candidates on the panel of Headmasters. Of the three candidates on the existing panel, two have already been provided for and the third may be appointed in a place where a High School has been established.

By the time the new panel of candidates is selected the period of my extension will have expired.

Therefore, there is, I submit, no difficulty in granting me extension of service for which the president, District Board has been pleased to write to Government on my behalf.

P.T.O.

And, I pray that, in view of the financial loss and deprivation of all chances of eking out my livelihood at this time of the year and the difficulty of completing the education of my children and the chances of people on the panel remaining unaffected, the Government may be pleased to reconsider the orders passed in G.O.No.2455, Education Dated 31-8-1950 and grant me extension of service for the full period of six months recommended by the President, District Board, Tanjore.

Reemployment -

The P.D.B. Tanjore has
proposed the reemployment of Sri C.
Gundayam Pillai, Headmaster, Board High
School, Aygampet for a period of six
months from the date of retirement (15/7/50)
The D.P.I. observes that his case does not
deserve special consideration for
reemployment as Headmaster but may be
considered for reemployment as L.T.
assistant for the school year 1950-51 if
the Dt. Board considers it necessary.

h3g

The reemployment of
retired headmasters is not usually
allowed when candidates who have
been duly selected and whose names
have been included in the panel of
headmasters are available - Vide G.O. no
2889 Edn d 14.9.1949. In this case, it
is not known whether such persons
are available. The only reason
adduced is that Sri Pillai is
suitable for reemployment as Headmaster.
It is for orders whether particular
as at A above may be called
for or whether the reemployment
of the headmaster retired

Sri Irudayam Pillai's Reemployment as Headmaster of a High School is well recommended by the D.P.I. Please see the petition from Sri.C. Irudayam Pillai on pp.1-3 of. requesting reconsideration of the orders issued in G.O.Ms. No. 2455 Edn D/31/8/50.
