Roc.1041-B1/50 dated 5th April 1950.

Sir,
Sub: Establishment - Education - Secondary - Sri M.Ramaswamy
Iyengar - Secondary grade trained teacher - Fixation of
pay in the revised scale - reduction of pay - appeal
against the order of reduction.

Ref: Petition dated 20.2.50 from Sri M.C.Ramaswamy Iyengar.

The District Inspector of Local Fund Accounts, Saidapet
in para 63 of of Audit Objection Statement of the general funds
of this Municipality for 1948-49/I has pointed out that the revised
scale of pay fixed to one Sri M.C.Ramaswami Iyengar a Secondary
grade teacher of the Municipal High School, Walajapet was not in
order as there was a break in his service from 4-9-1935 to 24-9-1935
and that he should be allowed only two advance increments instead
of four - Vide copy enclosed.

After examining the records of this office the pay of the
teacher was revised from Rs.57/- to Rs.53/- from 1-4-1948 the date
of giving effect of the revised scales of pay allowing only two
advance increments vide copy of this office Rc.1778-B1/49 dated 25-1-1950.

The teacher has preferred an appeal against the order of
reduction of pay. Under rules for granting of advance increments
published in G.O.Ms.1422 L.A., dated 19-8-1947 he is eligible only
for 2 advance increments from 12-9-1933 - the date of his appointment
in the Municipal High School, Walajapet.

The teacher under reference has since retired from service
with effect from 27-1-1950 but permitted to continue in service till
the close of the current school year 1949-50 in G.O.No Ms.597 Edn Dated 25.2.50

In as much as break in service from 4-9-1935 to 24-9-1935
was not condoned and as his request to condone the break was ~~turned~~ disallowed
by the Director of Public Instruction in L.Dis.5250/40 dated
12.11.1940 (vide copy enclosed) his appeal deserves no consideration.
Further an appeal against the orders of the executive authority of
Municipal Councils lies to the Director of Public Instruction vide
rule 8 (1) (i) of the rules relating to Appointment and Punishment
of Officers and servants of Municipal councils and hence the present
appeal is not proper and deserves to be disallowed.

Sub:- Condonation - 20 days break of service - Salary
affected - from 1.4.1948 - Refund - Ordered.

Sir,

I beg to submit that I am a Secondary Grade Teacher
working in the Municipal High School, Walajapet (North Arcot Dt.)
from July, 1927. My retiring date is 27.1.1950, but permitted to
continue in service till the close of the school year, 1949-50.

There was a break in my service from 4.9.1935 to 23.9.'35
which had occurred on account of retrenchment in the staff of the High
School, and the subsequent appointment in the Municipal Central School,
Walajapet, both under the same management.

An attempt was made by an application to the Director of
Public Instruction, Madras, to get the period condoned, but proved
futile -- order enclosed herewith.

My salary had been fixed at Rs.57/- on 1.4.'48 in the
revised scale of pay of Rs.45 - 2 - 85, allowing four advance increment
taking into consideration the whole period of my service.

The District Inspector of Local Fund Accounts, Saidapet
raised an objection that the period of service was not continuous as
there was a break of 20 days which period was not shown how it was
treated. The audit objection report is enclosed herewith.

I beg to enclose herewith the proceedings of the Commi-
ssioner, Municipal Council, Walajapet, revising my salary from Rs.57/-
to Rs.53/- from 1.4.48 to the present day. The excess of Rs.4/- was
ordered to be recovered from 1.4.48 to 31.12.1949 -- Rs.80/-. My
service in the High School from 1.7.27 to 3.9.35 was definitely ignored
for eligibility of the two advance increments on account of the technical
objection.

Therefore, I most humbly beg to submit this appeal to
Government, for condonation of the period of 20 days to enable me to
draw my legitimate sanctioned four increments on 1.4.1948. As Govt.
alone could condone in cases of individual hardship, I submit this appeal
for consideration.

Yours obediently,

Encls:3.

Fund accounts of the Walajapet Municipality
for the year 1948-49/I

Para 63: Sri M.C. Ramaswamy Ayyangar, Secondary Grade Assistant
Municipal High School, Walajapet.

His pay was fixed at Rs. 57/- on 1-4-48 after
allowing 4 advance increments in the time scale of 45-2-85.
He was drawing Rs. 46/- with effect from 12.9.1946.

He was appointed on 1-7-1927 on Rs. 35/- p.m. There
is no information in the service register that he was appointed
on a fixed pay or in a time scale. His services were dispensed
with, with effect from 4.9.1935. He was appointed as Head-
master, Central School (Elementary School) from 24.9.1935 to
11.9.38. Then he was restored as Assistant in M.H. School. There
is no entry in the service register as to how the period of
the service register as to how the period of break from 4.9.35
to 24.9.35 was treated. If the service was not continuous,
service for purpose of advance increments can be reckoned only
from 12.9.38, the date of appointment in the secondary school
excluding the period of service in the elementary school. In-
formation on the above point may be furnished to verify the
correct fixation of pay.

Roc.No.1778-B1/49

Dated 25th January '50.

Sub: Audit - Walajapet Municipality - Para 63 Audit objection statement on general funds for 1948-49 - Sri M.C.Ramaswami Iyengar assistant teacher - irregular fixation of pay recovery ordered.

Read the following:-

- (1) Para 63 of Audit objection statement on general funds for 1948-49/I
- (2) This office Ro.1778/49 dated 19.10.49
- (3) Letter dated 26.10.49 from Sri M.C.Ramaswami Iyengar
- (4) G.O.No.Ms.1422 L.A., dated 19.8.1947.

ORDER:

The pay of Sri M.C.Ramaswami Iyengar assistant teacher Municipal High School, Walajapet has been fixed at Rs.57/- on 1.4.1948 in the revised scale of pay of Rs.45-2-85 allowing 4 advance increments taking into consideration his whole service without any break.

But the District Inspector of Local Fund Accounts, Saidapet in para 63 of Audit objection statement for 1948-49/I on general funds has pointed out that for purposes of advance increments his continuous service from 12.9.1938-alone should be taken into consideration.

The teacher in whose service there was a break from 4.9.35 to 23.9.35 was directed in this office Ro.1778-B1/49 dated 19.10.1949 to submit a copy of the order if any showing as to how the break was treated. The teacher has not produced any order concerning the period of break but simply asserts that he has put in a continuous service of 8 years from 1.7.1927 to 3.9.1935 and is therefore eligible for 2 advance increments. He further asserts that on his appeal to Director of Public Instruction, Madras, he was restored to his original appointment in the High School on 12.9.1938 and that from 12.9.1938 to 1.4.1948 he has put in a continuous service of about 10 years and is therefore eligible for further two advance increments.

The records of this office show that before he was restored to his original post as assistant teacher in the Municipal High School, Walajapet on 12.9.1938, he was appointed as Headmaster, Central Elementary school on 24.9.1935 as there was a vacancy then and thus he was in out of service actually from 4.9.1935 to 23.9.1935. Further representation by the teacher, this period of break was not condoned by the Director of Public Instruction as there was no vacant post to which the teacher could have been appointed from 4.9.1935 to 23.9.1935.

Under rules for grant of advance increments published in G.O.No.Ms.1422 L.A., dated 19.8.1947 the period which do not count for grant of increments should not be calculated for granting advance increments. Further he had no lien in any post. His service was not continuous. Service for purpose of advance increments can be reckoned only from 12.9.1938 - date of appointment in the High School excluding the period of service in the Elementary School.

He is eligible only for two advance increments. His pay is therefore revised from Rs.51/- to Rs.53/- from 1.4.1948 as noted below and he will draw Rs.55/- from 1.1.1949.

Submitted with the following remarks.

The appellant had served for 23 years and has retired.
The petition for condonation of the break in service from 4-9-1935
to 24-9-1935 was already considered and rejected in 1940 as the
Commissioner then reported that there was no vacant post to which
the teacher could be appointed.

In view of the hardship involved in this case and in
view of the small break of service which was due to retrenchment
the request of the teacher who has put in long service is
recommended for favourable consideration notwithstanding his
retirement.

Sri M.C.Ramaswamy Iyengar was entertained in the
service of the Walajapet Ml.High School in July 1927
and was retrenched from 4-9-35. When^aver vacancy
arose in the Ele. School, he was appointed as Headmaster
on 24-9-35. On 12-9-38 he was transferred to the Ml.High
School, Walajapet, as Asst. Secy. grade master. The
teacher ^{should} will have normally retired from service on 27-1-50
and he has been granted extension of service till the end
of school year 1949-50.

The pay of Sri M.C.Ramaswamy Iyengar, Secondary
Gr.teacher, Ml.High School, Walajapet, was fixed first at
Rs 57^{p.m} in the revised scale of 45-2-85 from 1-4-48,
allowing 4 advance increments, taking into consideration
the whole period of service. The above fixation was
objected to by the Dt.Inspector of L.F.Accounts, on the
ground that there was a break in his service from 4-9-35
to 24-9-35, and the pay of the teacher was, therefore,
revised from Rs 57^{p.m} to Rs 53^{p.m} from 1-4-48, ^{e xcluding} taking into
^{his} account the service from 1-7-27 to 3-9-35 only, and the
teacher was ordered to refund the excess pay drawn by
him, which amounted to Rs 80/-

The request^r of the petitioner is that the break
of service for a short period from 4-9-35 to 24-9-35
may be condoned, so as to enable him to count his entire
period of service for advance increments in the revised
scales. The request has now been recommended by the
D.P.I. in his letter on p.13 C.F. Education have agreed
to the proposal. Finance need not object to the proposal
and the draft order on pp.1-2 above may be accepted.
