Sir,

Sub: Secondary Schools under Local Bodies - Retention of temporary sections and staff during recess.

Ref: Memo 11376B/50-2 Edn., dated 3-7-1950. p 3 ante.

The temporary teachers who are appointed for additional sections are usually appointed early in the year and will therefore generally be eligible for full vacation pay and proportionate vacation salary will not in ~~price~~ apply to this class of teachers but chiefly to teachers appointed in interim vacancies as substitutes, whose number will be small and the difference between whose proportionate vacation salaries and full vacation salaries will not be appreciable. Hence it was stated that no extra-cost will arise and even if there is any it is negligible.

Yours faithfully,

EDN (8)

The temporary sections & staff are sanctioned from year to year having regard to the number of pupils on rolls. after admissions are over. It may not be possible to foresee the necessity for the continuance of the temporary sections in the next school year. The remarks of the D.P.I. may be obtained on this resolution.

The temporary staff appointed for the temporary sections are usually appointed in the beginning of the school year and are retained till the end. Consequently they ~~will be~~ paid ~~vacation~~ salary for the vacation if full.
Those appointed for short time vacancies are only paid proportionate vacation salary whose number will
