Government Training Colleges.

REF: Government Memorandum No.6096-A.2-Education(Confidential) dated 17--5--1950.

With reference to the Government Memorandum cited I wish to state that as the conference of Training Colleges is the first of its kind, I recommend the deputation of all the three Principals of Government Training Colleges to attend the conference. In this connection I may state that the conference is to be held during the first week of September 1950 and by that time two more Government Teachers' Training Colleges - one at Palghat and the other at Mangalore - will be functioning.

2. So far as the Training College, Rajahmundry, is concerned, Sri K. Satyanarayana, will be the Principal of that college and is likely to hold the post and will be engaged in teacher-training. As regards the other Training Colleges, it cannot be stated now as to who the officers are, who are likely to hold the posts of Principals of these colleges in September 1950. I, therefore, submit that three suitable officers from the Teachers' Training Colleges (Principal, Vice-Principal or Lecturers as the case may be) may be deputed to attend the conference. The position regarding the personnel of the Training colleges will become fairly settled early in August 1950 and I will then be in a position to state as to which of the officers can be deputed to the conference with advantage to themselves and also to the Department.

Conference of Trg. Colleges - Deputation of officers in Govt. Trg. Colleges in this State.

The Unty. of Baroda and the Bombay Institute of Education ^{will be} ~~is to~~ hold at Baroda, in Sept. next, a conference of all training colleges in India. For details, pl. see pp. 1-2 C.F. Every training college can send one representative who has to bear all his travelling expenses. The Organizing Secy. of the Conference has requested this Govt. to depute to the Conference the Principals of the Teachers' College, Saidapet; Govt. Trg. College, Rajahmundry; and the L.W.T. College for Women, Madras. The D.P.I. recommends the deputation of three suitable officers from all the Teachers' Training Colleges under this Govt., whether Principals, Vice-Principals or Lecturers, as the conference will be the first of its kind, and states that he will suggest the names of the officers early in August. "Review and development of educational research" is one of the major items on the agenda of the conference. The deputation of a few of this Govt.'s officers will certainly be advantageous. ~~as~~ Sooner or later, research in the real sense of the word, has to be organized in the training colleges. ^{There is already such a proposal under consideration of the Govt.} This dept. may therefore recommend the acceptance of the Dir.'s ^{pro-} ~~recom-~~ ^{nosal} ~~mentation~~ and the grant to the three officers t.a., ^{at the rates} ordinarily admissible to them under the rules, for their journeys to Baroda and back. For orders.

~~Finance may see for remarks before given.~~

The Conference is tentatively fixed for 3 days in Sep '50. ^{also} Allowing for journeys up and down, the officers will be absent from their institutions for a total period of 6 to 7 days. Although it is stated in that "all local hospitality will be offered free of charge",

 The question of d.a. arises if the officers are deputed in the interests of the institutions and the 'teacher-training' edn in this State. The question may therefore be decided whether they will be paid d.a. also at the ratio to which they are eligible. The D.P.I. does not refer to the payment of d.a.

Please see Education note on pp 1-2 above. In view of the need for economy at present, and that the proceedings of the Conference of Training Colleges will soon appear in print ~~and~~ which can be availed of by the officers of the Education Dept. here, it seems sufficient to depute one or two officers at the most. It is observed from para 3 on p 1 of the Indian Institution of Education, Bombay will provide boarding and lodging to the ~~visit~~ delegates, and that the only item of expenditure in deputing men is in account of payment of Railway fare to and from. On this point it seems sufficient to sanction ~~only the usual~~ ~~to the officers deputed without any~~ daily allowance for the period of halt at Bombay. Education may give orders accordingly.

The Edn Dept. may kindly consult the SP 9 in regard to the

 point at 'X' on p 2 anti and also whether it will be sufficient to depute 2 officers in view of the pressing need for economy under present conditions.

The organizers of the conference have stated that the representatives to the conference will have to bear all his travelling expenses but all local hospitality will be offered free of charge. It can therefore be reasonably presumed that the representatives will be provided with free boarding and lodging etc. The grant of d.a. in that case will be a source of profit to the officers deputed to the conference and opposed to the provisions of FR 44. Finance may therefore suggest that the officers should be allowed to draw daily allowance, only in case they are not provided with free boarding and lodging.

A conference of all Trg. Colleges in India is to be held at Baroda shortly under the auspices of the Unty. of Baroda and the Bombay Institute of Edn. The DPI first recommended the deputation to the Conference of 3 officers from the Govt. Trg. Colleges in this State and the grant to them of T.A. from Govt. funds. But, at Finance's suggestion, he was asked whether the sending of 2 officers would not do. He has since agreed.

The organizers of the conference have said that the delegates will be offered "all local hospitality" free of charge. Nonetheless, the Dir. recommends that the two officers may be paid daily allowance from Govt. funds. Fin. dept., on the other hand, recommend that the officers be allowed only the actual expre. they incur on hiring conveyances, etc. subject to the maxm. of daily allowance. Fin.'s recommendation may, it seems, be accepted.

A draft order is subd. May be circd. to H.M.(E.&L.) for approval.
