EDUCATION DEPARTMENT.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department,
M A D R A S.

Sir,

ROC.377 D2/49 dated 12-8-1950.

Sub:-Grant-Building-The Y.M.C.A. College of Physical
Education, Saidapet.

Ref:- (i) G.O. Ms.1254 Education dated 19-6-50.
(ii) G.O. Ms.1707 Education dated 7-6-50.

With reference to the orders quoted above, the
Principal, Y.M.C.A. College of Physical Education,
Saidapet has been paid an advance grant of Rs.8,750/-
for providing hostel accommodation for the additional
no. of 25 candidates to be admitted in the College
from this year.

The advance is made up of Rs.7,500/- and Rs.1,250/-
for the provision of hostel accommodation and furniture
respectively. The sum of Rs.7,500/- is intended as full
grant towards the cost of constructing three thatched
cottages for accommodating 25 students. The Principal,
is now not in favour of constructing thatched cottages
but ~~is~~ prefers the construction of two pucca cottages
with half grant from Government. A copy of his letter
dated 20-7-50 in this regard is submitted herewith.

The construction of pucca cottages is no doubt
preferable to that of thatched cottages. I therefore
recommend that Government may approve the proposal
of the Principal to construct two pucca cottages subject
to the condition that the grant for the purpose will
be one-half of the actual expenditure on the work,
not exceeding Rs.7,500/-.

On receipt of the orders of Government, I shall
obtain ~~and~~ the detailed estimates and plans, and arrange
for the necessary technical approval thereof.

Yours faithfully,

For Director of Public Instruction.

Pjn 14/8,

Copy of letter from the Principal, Y.M.C.A. College
of Physical Education, Saidapet to the Director of
Public Instruction, with dated 20th July 1950.

Sub:-Construction of three thatched cottages to accommodate 25 more students.

Ref:-Our letter dated 11th November and your Proceeding Rc.2538 L4/49 dated 28-4-50.

A sum of Rs.7,500/- is sanctioned to build three thatched cottages to house 25 more students this year. Thatched cottages, in our experience, are not quite suitable for hostels, and they need renovation of the roof every year involving additional expenditure and there is also the danger of fire. The College is willing to invest sufficient money into the building of two pucca cottages which will house the additional 25 students if the sum of Rs.7,500/- already sanctioned would be considered as half grant. It is estimated that a pucca cottage would cost around Rs.10,000/-

We have admitted over 200 men students this year and this would be 50 more than we had last year. Additional hostel accommodation is an urgent necessity.

In my interview with you on the 18th July 1950, I explained to you the advantages of building Pucca cottages. Kindly pass early orders so that we can go ahead with the construction of these cottages.
