I beg to bring to your kind notice my appeal dated 16/x/49. The matter is urgent as it affects the career of a girl. So I request for an early reply which will enable her to continue her studies.

MADRAS.

Dear Sir,

Sub:-Date of Birth of Miss K.A.Sarojini.

I beg to place the following appeal before your goodself for your kind consideration and favourable disposal.

Miss K.A.Sarojini is a student provisionally admitted into the Stella Moris College, Mylapore in the 1.U.C. on the assurance of getting the Date of Birth corrected as she is underaged by records. In fact her date of birth as entered in the S.S.L.C. is wrongly given. It should have been preceded by one year as is evident from the papers that are enclosed herewith.

I, as her guardian, approached the D.P.I. Though he was perfectly satisfied with the records presented to him to alter the date in the records he pleaded helplessness on the ground that the candidate has passed out of his control (S.S.L.C.) and suggested to meet the University Registrar. The latter also turned down our request saying that she was not yet a student of the University. It is in such a predicament that we seek redress at your hands.

There is a Memorandum No.E of the University which stipulates the conditions for such correction. According to that a statement as to the correctness from a Magistrate-Presidency District Magistrate's court was produced. But the Registrar did not accept it. The provisional admission of the girl into the College after 4 months seems to be in danger of cancellation.
(Please turn over)

unless it is decided by a legal procedure. This unnecessary litigation between the parties and the Govt. and all the consequent waste may be avoided ~~by~~ a little discretion for the cause of a girl's education by the Government.

The Hon'ble Minister may be pleased to interfere in this case with proper instruction to the concerned authorities to make the necessary correction and thus enable the girl to continue her Education without break. The matter assumes importance because the girl is highly intelligent and is full of complexes and lest it should affect her adversely an early intervention in her favour is earnestly prayed for.

The issue under reference does not involve any deviation in policy. The local guardians ~~in Malabar~~ who were in charge of the girl's early education were responsible for the error. The mistake was discovered only now. On the strength of satisfactory Evidence - papers enclosed herewith - the correction may kindly be accepted.

Yours faithfully,
R. G. Swamy Iyer

The date of birth as entered in the S.S.L.C. viz.12-5-1935 agrees with that entered in the application for admission into the St. Raphael's Girls High School, Mylapore, Madras and that since this is not a case of 'absurd' entry to warrant alteration the petitioner's request is inadmissible and may be rejected.

My Dear Bapuji,

Ref.U.C.No D17858-PMP (1) 49
dated 24th Novr 49

I must be excused if I take a bit of your
precious time .

I have so far received no response from the
local Government inspite of my reminders and other
representations. This is the lot of an innocent and
helpless soul like me (A Brahman Girl) in Madras. What
have I done to deprive me of my education? It is really
a painful thing that the Government should sit tight
over the issue and that too for such a long time as
this (Six Months) to decide a simple issue.

I am writing out this letter with tears trickling
in my eyes not knowing what to do next specially when I
see the deliberate delaying tactics adopted by the
department concerned to decide the issue under reference
when I have complied all the requirements needed for
deciding the issue and for making necessary correction.
Any further delay will certainly endanger my one year
Education as the University may raise fresh objections
for the extraordinary delay caused on such correction by
the Government." Here time is essence of the situation."

I had fully explained my pathetic case in my last
letter to your goodself dated 18-11-49. Dear Bapuji- every
soul in our Mother-land will celebrate The Indian Republic
day proudly with joy and happiness on the 26th day of Jan
1950 and even the prison doors are expected to be opened
for many a soul in the prison as they are expected to be
given AMNESTY and will not be in the fitness of the Govt.
to pardon me of an ommission so committed by a guardian

Page 2

To
The Prime Minister of India

Will this affect the Government materially? What a pity it would be to deprive me of my education for a simple mistake done by some one:

Dear Bapuji, Will you not help me to have my education? I beg of you to help me to overcome out of this mess and for which act I shall ever remain grateful.

with love,

Yours affectionately,

Mylapore-

An Appeal for Kind & Urgent attention.

To
The Hon'ble Sri.P.S.Kumaraswamy Raja
The Premier-Madras.

Dear Sir,

13720

I beg to enclose herewith a true copy of the representation made yesterday to your goodself which I trust you will find in order.

Accordingly I request you to be good enough to call forward the representations made to the Prime Minister of India together with other papers and representations made on this issue. You will find that the representation to The Prime Minister was the last resort on desperation when I found the deliberate and Unhelpful attitude of the local authorities concerned in a matter so simple and reasonable like this.

It is really cruel on the part of the authorities to keep the issue under suspense for such a long time as this and at the same time come with a negative, incomplete and unreasonable reply denying the common citizen a course of further remedy of representation on such events with higher authorities for such relief, as you will find from this, time is one of the factors. You will excuse me and appreciate my plain speaking of my feelings on personal experience, that here a common aggrieved party has will have no relief in the ordinary course, except that he has some influence over the Ministry or the Officials concerned in the head of the departments concerned. This is dreadful and Cruel.

After all mine is a simple and fair request for compliance and that too in a matter of my own education. A mistake is said to have been committed by my guardian then at the time of placing me in St Raphels English High School Mylapore madras which continued uninterrupted unfortunately. But you will find from the records of the school that there is nothing to prove this mistake by any written documents presented by the guardian to the school. This was also made known to the Director of Public Instructions on their own enquiry although it is

42

Continued Page 2 . The Hon'ble The Premier of Madras.

43

27

said that an entry was made in the register then at the time of entry into the school by the authorities of school concerned (Third Form) where she was first entertained by the school which date of birth unfortunately continued uninterrupted.

She was also entered on these days under the same guardianship, with the Madras Childrens' League" where you will find from the enclosed Govt A.I.R Institute entry certificate that ~~she~~ her date of Birth was given rightly as 12-5-1934 . From this you will find that the error is committed at the school by the guardian unknowingly, and the mistake is genuine and it was later proved to the core and to the entire satisfaction of all although they do not move to correct the mistake already committed to enable me to come out of this muddle and continue my education without break. This is something very curious.

When this matter was brought to the notice of School authorities The St Raphaels High school, they recommended my case and requested the Inspectress of school for necessary alteration but unfortunately turned down by her that she cannot interfere on this since she has passed from the S S Lc etc. and that we should approach the registrar or the director of Public Instruction for the same. The Director of Public Instruction was approached he directed me to go the Registrar ^{Mr. Versib.} who has Power to alter the same. The registrar of University was then approached he wanted a Magistrates certificate in the court stating that he is satisfied of the age given etc and when this was produced he wanted that the S S Lc Book must be corrected by the Director of Public Instructions when only he can direct the Stella Maries college for the permanent enrollment. The certificate of the Magistrate in Court etc was also sent to the Education Ministry and I am enclosing them for your perusal and return when done with.

Now that I have given you a comprehensive idea of the situation I am placed at the moment and if you do not come to my rescue immediately, the result would be that I shall have to loose one year of my precious education course the mental agony of which I am unable to explain you here.

Certainly this help from the Government to a Helpless Girl like me is not definitely going to affect the Govt materially or otherwise.

Will you not help me, Sir, to over come from this muddle and help me continue my education without break. I will ever remain grateful for this kind of act, from your side. May God guide you alright to help me on this struggle in time.

Awaiting to receive your kind & favourable reply

p 3-5
The D.P.I. in his letter on p 27 of has stated, that, the request by Sri R. G. Swamy Dyer of Mysore, for the alteration of date of birth in the S.S.L.C. of Miss. K. A. Sarojini of Stella Maria College, San Thome, is inadmissible.

The petitioner may be informed that his Request cannot be complied with. The draft memo below is for approval. Hll CE & L may see with ref to minute on p 24 of.

20.1.50
25.1.50
The request of the petitioner is that the date of birth of Miss Sarojini may be altered from 12-5-1935 (the date entered in the School records and in her S.S.L. certificate) into 12-5-1934. In support of his request, he has produced a certificate issued by a Special Honorary Presidency Magistrate testifying to her date of birth as entered in her ⁽¹²⁻⁵⁻¹⁹³⁴⁾ ~~horoscope~~ and after examining "other evidence." A certificate given by a private registered medical practitioner has also ^{been} produced. According to go No 39 Education, dated 12-1-44, an alteration of date of birth can be effected in the S.S.L. certificate when an obviously absurd entry has to be set right or a civil court directs correction in any individual case. This case has to be rejected as suggested by the D.P.I.
