Ref: G.O.Ms.No. 1600 Education dated 26--5--50. (V)/H 3-48

Government in their order referred to above, were pleased to permit the management of the A.R.C. Girls High school, Muthialpet, G.T. Madras to purchase, as a special case, second hand articles of furniture, in good condition from the Madras ^{Christian} College School, Madras. While requesting Government to approve the proposal, I have stated in para 5 of my letter R.C.No. 486 FL1/49 dated 8--5--50 ~~while~~ requesting permission for the purchase of second hand articles by the management of the St. Gabriel's High school, that the application of the Correspondent, A.R.C. Girls High school, is awaited and requested for Government orders, permitting this management also to purchase the second hand equipment. But Government in their order referred to above, presuming that this management intends to purchase the equipment in ~~exception~~ of the scheme already approved by me for payment of grant during the current year, for which provision has already been made, ordered that the grant payable to the school towards the purchase of the second-hand furniture ~~will~~ ^{should} not exceed Rs. 1060/-.

Item 31 on ps of (P)

H 3-4 of (V)

2. In this connection, I have the honour to state that the management's request for permission to purchase the equipment from the Madras ~~Christian~~ College School, Madras is a separate scheme to be included in the approved list for 1951-52 for payment of grant. The correspondent has since submitted an application towards the purchase of the second-hand articles of furniture (24 Dual desks and 3 glass Almirahs only) at an estimated cost of Rs. 1150/- and requests that their purchase may be approved. I therefore request that Government may be pleased to amend the G.O. suitably so as to admit the application of the management for equipment grant this year at an estimated cost of Rs. 1150/- entitling the management to a grant of Rs. 575/- in 1951--52 when funds are provided.

Yours faithfully,

R. V. R. U.

management of the A.R.C. Girls High School, Madras, to purchase used articles of furniture in good condition from the Madras Christian College School. The D.P.D. was asked to utilise the provision of Rs 1060/- made in the current year's budget ^{towards} ~~payment of equipment grant to the school~~, for payment of grant towards the purchase of the second hand articles of furniture. The D.P.D. has now pointed out that the provision of Rs 1060/- made in the current year's budget is intended for a scheme for purchase of ^{certified new articles of} equipment for the school already approved by him last year. He has stated that the application for the purchase of used articles of furniture for the A.R.C. Girls High School, Madras at a cost of Rs 1150/- has been received by him only now. In the circumstances he has recommended that the previous orders may be modified so as to allow him to disburse the existing provision towards the execution of the scheme already approved by him and that the application for purchase of second hand furniture may be included in the approved list for 1951-52. The Director's recommendation may be accepted. If this is done, the Director will include the scheme in the Part II scheme for payment of equipment grants to aided secondary schools in 1951-52.
