No.F.31920/50 dated 21st August 1950.

Sub: Stationery Manuals--Revision and reprinting of.

Ref: G.O. Ms. No.2388 Education dated 22-7-1949.
G.O. Ms. No.635 Education dated 28-2-1950.
G.O. Ms. No.1644 Education dated 31-5-1950.

In G.O. Ms. No. 1644 Education dated 31-5-1950, Government were pleased to sanction the continuance of the special staff for revision of Stationery Manual sanctioned in G.O. Ms. No. 2388 Education dated 22-7-1949 till 31-8-1950.

The draft of the revised Stationery Manual, Volume I is being submitted to Government separately. In Volume II, Parts I and II, corrections ordered from time to time so far, have been carried out and a new part III has also been added regarding clothing, as contemplated in the revised Volume I. The corrected appendices in Volume II, Part III have been prepared and sent to all officers. The replies from some are still due. The appendices in volume II, Part II following the revision of Volume II, Part I have been prepared but have not been sent to the concerned Heads of departments and other officers in some cases. For want of a separate typist in the special staff, the fair copying of these revised appendices, which involves lot of work, is being delayed and the appendices have still to be despatched to a few officers. The replies received from all these officers, have to be carefully compiled, typed and sent up to Government for approval. There is, thus some balance of work which could not be completed within this last sanctioned period and I am therefore obliged to request Government for the continuance of the special staff for another two months till 31-10-1950.

I request early orders may kindly be passed sanctioning the extension of two months. I shall retain the staff beyond 31-8-1950 in anticipation of Government's approval. If, however, the replies from officers are received promptly and the work is completed, before the above period, the special staff will be disbanded forthwith.
