Letter No. 53.

To
The Secretary To Government,
Education Department,
Fort St. George, Madras.

Sir,

In G.O. Ms. No. 686, Education dated 3-3-50 the Government were pleased to extend in the case of five binders also the concessions allowed to the compositors, Lino and Mono operators, etc., for counting half the service rendered by them in the piece work system for purpose of granting advance increments under the revised scales of Pay Rules 1947, but not the arrears of pay or increments due to those five binders under the concessions allowed to them.

When the compositors, Lino and Mono operators and carpenters, numbering about 500 were allowed to draw the arrears of pay due to them under the concession, it is not fair and just to deny them to the five binders in question. After all it will be a very very small amount when compared with the amount paid to compositors, etc.,.

The Union therefore requests that Government may be pleased to grant the arrears of pay or increments due to the five binders from the date on which the revised scales of pay came into force.

Yours faithfully,

S. S. Govindaswami
SECRETARY.

It is stated that the Compositors, Lino and Mono Operators were allowed arrears of pay on the basis of the concession of counting half of their service before introduction of the salary system. The loss of the five binders, though dealt with subsequently to the loss of the other subordinates referred to, may be in fairness to these low paid servants be treated on the same footing. The extra cost involved is stated to be Rs 296 / - We may support the grant of arrears to these five men

Concession to count half the service rendered by them in the piece work system for purpose of granting advance increments under the Revised Scales of Pay Rules, 1947. - G.O. 686 Sanction dated 3.3.50. The recommendation of sanction is based on the fact that the Compositors Lino and Mono operators were allowed arrears of pay on the basis of the concession of counting half of their service before introduction of the salary system for advance increments in the Revised Scales.

It may be stated that in the case of Compositors, Lino and Mono operators, the matter was placed before S.F.C. and Cabinet and orders were finally passed in G.O. 2468 Adm dated 2.8.49 granting them arrears of pay. Attention is in this connection directed to the notes of the Dept on pp 3-4 and 5 of (2) where the Dept agreed to the extension of the concession to the five binders as reported by the S.F.C. on p 7 of (2) subject to the condition that no arrears were to be paid. The question of giving arrears of pay to the five binders in question was already discussed and it was decided that no arrears need be paid. No new facts have now been adduced in support of the proposal and Finance may ~~be~~ advise against the proposal.
