G.O. No. 2527, 8th September 1950

Adult education—Opening of schools by local bodies—Payment of grant from State funds—Orders passed.

READ—the following paper :—

G.O. No. 2521, Education, dated 8th September 1950.

Order—No. 2527, Education, dated 8th September 1950.

It has been represented to Government that schools opened for adults by local bodies should also be admitted to aid in the same manner as adult schools opened by private agencies. In view of the facts that the resources available with the local bodies are limited and that it is essential to take all possible steps to remove adult illiteracy, the Government consider that schools established for adults by local bodies may also be admitted to aid in accordance with the rules issued with G.O. No. 2204, Education, dated 4th September 1948. The Director of Public Instruction should ensure that the number of schools for adults both under local bodies and under private agencies admitted to aid in a year does not exceed the maximum stipulated by Government for that year.

(By order of His Excellency the Governor)

S. A. JYENGAR,
Secretary to Government.

To the Director of Public Instruction.

,, the Executive Authorities of all Municipal Councils (through the Chaismen).

SUBMITTED to Government.

While it is necessary that the expenditure should be met from the Elementary Education Fund and if necessary by augmentation of it by transfer from the general funds, it appears to be true in the case of the local bodies that they may not be in a position to transfer adequate funds to meet the extra cost without a deficit in their budgets. Such subsidies as may be necessary to wipe off the deficit on this account even after transfer from general funds are recommended.

Sir,

Sub: Education -Adult Literacy schools -Opening -Cost of maintenance of the schools -Special subsidy-.Sanction Requested.

With the object of liquidating illiteracy of adults and to implement the Adult Education Scheme sponsored by the Government, this District Board deputed 16 teachers from the Elementary Schools to undergo training under the Adult Education Scheme at the Government Training School at Tirur from 11th February to 29th March 1949. The Adult Education Scheme was inaugurated at Arani on the 22nd - September 1949 by the Hon'ble Minister for Education and on the same day, 5 Adult Literacy Schools in different centres were ordered to be started. On 27-10-1949, one more Adult Literacy School was opened thereby increasing the No. of schools to 6. For all these schools, teachers trained under the Adult Education Scheme have been engaged. Proposals have also been formulated for the opening of Adult Literacy Schools in 5 more centres with trained hands and in 35 centres with unqualified hands.

p157 When the Director of Public Instruction, Madras was addressed in this Office letter Roc.No.10301/49 dated 14-11-49 -copy enclosed- regarding the sanction of subsidy in respect of the Adult Literacy Schools, he has replied in his letter Roc.No.877-B-1/49 dated p174 3-12-49 (copy enclosed) that no grant will be paid by the Government to the District Board for the purpose and that in case there is no sufficient amount in the Elementary Education Fund to meet the expenditure for running the Adult Literacy Schools, the amount required can be got transferred from the General Funds with the sanction of Government. The Elementary Education Fund Budget is in deficit by Rs.5.08 lakhs in the current year and by Rs.8.03 lakhs in the year 1950-51. No funds could also be spared from the General Funds Budget.

In the Revised Budget of the Elementary Education Funds for 1949-50, credit has been taken for Rs.1610/- under Government Grant for Adult Literacy Schools and in the Budget for 1950-51 for Rs.10270/-

In the circumstances, I request that the Government may be pleased to sanction a subsidy of Rs.1610/- required for expenditure in the current year for running the Adult Literacy Schools and also to allow the credit taken for a subsidy of Rs.10270/- in the Budget for the year 1950-51-

Sub: Adult Education-Opening of Adult Literacy schools in 1949-50 in Chingleput District.
Ref: Your letter Rc.No.10301/49-C1 dated 14-11-49.

Since Government in their Memo No.6885-B2/49-1 Edn., dated 5-2-49 have informed the Chittoor District Board that its request for full grant will not be complied with and that the District Board should increase the Elementary Education fund by transfer from General Funds or by transfer of toll compensation amount after obtaining Government sanction, you may also apply to Government through the Director ~~of~~ for such sanction of Government in case there is no sufficient amount in the Elementary Education Fund to meet the expenditure for running the adult literacy schools.

Regarding the opening of adult literacy schools in all the remaining 40 centres I request you to ensure first of all that all teachers trained in Adult Education methods are enabled to open adult literacy schools. The best among the untrained men may also be permitted on the advice of the District Educational Officer, to open adult literacy schools on~~e~~ sound basis but it would be profitable for them to teach the lower age group (i.e.)

Sir,

Sub:-Education - Adult Literacy schools - Run by this Municipal Council - Payment of grant - Requested.

This municipal council is running 3 adult literacy schools for the benefit of the illiterates and the three teachers in charge of these schools, who have undergone adult literacy training at Vedaranyam, are now paid each Rs.8/- plus Rs.4/- P.M., as per rule 9(1) of the rules issued in G.O.No.2204 Edn., dated 4-9-48. When the above three schools were started it was hoped that Government would pay a grant for meeting their running expenses.

The District Educational Officer has however informed the council that no grant will be paid for the school run by local bodies and that the expenditure has to be met from the Elementary education funds of the municipality. The Elementary education Fund account of this council is working at a deficit and so the matter was placed before the council for its decision. In its resolution No.104 dated 31-1-50 the council has resolved to request the Government to pay to this council and other local bodies the cost of running the schools. A copy of the above resolution is submitted herewith.

Adult literacy schools - Payment of grants to local bodies.

(71)

(7)

According to the scheme of adult education approved in G.O.No.846-Edn., dated 9-4-48, local bodies and private agencies may open and maintain adult schools. Grants will be given by Govt. to adult literacy schools conducted by private managements while the local bodies are expected to meet the expenditure on adult schools maintained by them from their own funds. Please see rule 12 of the rules in the Appendix to G.O.No.2204-Edn., dated 4-4-48. The grants payable for an adult literacy school ~~has~~ has been limited to Rs.8 a month towards salary of teachers and Rs.4 a month for contingencies. The Director has since estimated the cost of an adult school at Rs.250/- p.a as below:-

(6)

m.p.3

(Separate file)

Grant for teachers	- Rs. 144
Bonus to teachers	- Rs. 56
Newspapers, etc.	- Rs. 50
	250

It will be observed from the papers in the c.f. that the Municipal Council, Tanjore, passed a resolution in March last requesting Govt. to pay a grant towards the cost of adult literacy schools run by the municipal council. Several municipal councils have passed similar resolutions re-iterating the request of the Tanjore Municipal Council.

1-38 cf

CF

The point for consideration is whether local bodies also should be paid a grant towards the cost of maintenance of adult literacy schools. It is well-known that the financial position of most local bodies is not satisfactory. They may not therefore show any enthusiasm in opening adult literacy schools unless they are given a grant. Half the cost of adult education is now borne by the Govt. of India. It seems that if adult education is to make sufficient progress, Govt. have to enlist the help of local bodies also and that this will be forthcoming only if they are given financial assistance. In the circumstances the request for grant towards adul literacy schools run by local bodies may be considered favourably. It may not now be possible to give an estimate of the expenditure involved, as time goes on, more and more schools will be opened by local bodies.

The file may be sent to L.A. and Finance for remarks before circulation.

The proposal in this file is to make local bodies eligible for grant from the Govt. towards adult literacy schools maintained by them. At present, the expenditure on such schools run by them are met entirely by local bodies themselves. L.A. agree with Edn. that a grant is necessary to local bodies for adult schools if adequate progress in the ~~capaign~~ campaign of adult literacy is to be secured. There is a separate file under consideration in the Edn. Dept. regarding the utilisation of the Govt. of India grant of Rs. 6.86 lakhs for adult education scheme in this State. Edn. may be requested to consider the question of grants to local bodies for adult education, along with the general scheme referred to above.

The question raised in this file is whether local bodies who have been allowed to conduct adult schools should be given ~~the~~ a subsidy from Provincial Funds towards the cost of maintanance of the schools. The present orders are that the expenditure connected with adult schools maintained by local bodies should be met from their own funds. Many local bodies have passed resolutions urging on Govt. the need for the payment of a subsidy from Provincial funds towards the cost of adult schools under their control. With a view to spread edn. among adults as quickly as possible it seems imperative to utilise the services of local bodies also in addition to private agencies. In the circumstances it seems necessary to sanction a grant to adult schools under local bodies also. This proposal may ~~be also~~ be treated as one of the items of the scheme of adult education prepared by the Director and dealt with the linked file. The file may be submitted ~~for orders~~ to H.M. Sir,

Ref:--1) G.O.No.2527 Education dated 8--9--50 (C)
2) G.O.No. 515 Education dated 17--2--50 (A)
3) G.O.Ms.No.1607 " dated 27--5--50 (A)

(A) In G.O.No.515 Education dated 17-2-50 it is laid down that teachers in Adult Literacy Schools maintained by Local Bodies may be granted a bonus of Re.1/- per adult turned literate, every year and that the expenditure should be debited to the Elementary Education Fund.

(B) Local Bodies were also informed in G.O.Ms.No.1607 Education dated 27-5-50 that they may incur expenditure from the Elementary Education Fund on the supply of equipment to Adult Literacy Schools under their management.

(C) Now that schools opened for adults by local bodies should be admitted to aid in the same manner as schools under private management vide G.O.No.2527 Education dated 8-9-50, I request you to be kind enough to state if the payment of bonus to teachers in schools managed by local bodies and also the expenditure for equipment of such schools should be met from the state funds.

(C) I may, in this connection, state that in the new scheme of expansion of Adult Education sanctioned in G.O.No.2521 Education dated 8-9-50, provision has been made for the payment of bonus to teachers and for the supply of equipment to all the schools namely 1150 plus 1860 = 3010. The expenditure on equipment and bonus in regard to adult literacy schools managed by local bodies will not therefore need extra allotments from State funds.

According to ~~existing~~ earlier orders, ~~teachers in Adult Literacy Schools opened by~~ local bodies have to meet the expr. on bonus and equipment from the E.E. fund. In view of the order in G.O. 2527 Edn. d 8.9.50 that adult schools opened by local bodies should be admitted to aid in the same manner as schools under private managements the D.P.I. has raised the question whether the expr. on these items can be met from State funds. Edn have noted that the grant of bonus & equipment to aided literacy schools was sanctioned in G.O. 3876 Edn. d 19.12.49. ~~They therefore propose to inform the D.P.I. that the expr. can be met from State funds in the case of local body schools.~~

It is not very clear from the papers put up by Edn that aided schools are eligible for full grants from Govt. towards the expr. incurred by them

I submit that in G.O. No. 2527 Edn. dated 8-9-1950 Government have not specified the date from which Adult Literacy Schools managed by Local Bodies may be admitted to aid. In view of the fact that grants are paid for the calendar year to elementary schools and Adult Literacy Schools under private management, it would appear reasonable to admit to aid the adult schools conducted by Local Bodies with effect from 1-1-1950.

I request you to be good enough to specify the date from which grants may be paid to schools controlled by the Local Bodies.
