LOCAL ADMINISTRATION DEPARTMENT.

To

Mr. V. Venkatesh Chalam, B.Sc., (A) L.T.,  
Municipal Commissioner,  
Gudiyattam.

The Secretary to Government,  
Education Department,  
Madras.

Through the Director of Public In-  
struction, Madras.

and the Chairman, Municipal Coun-  
cil, Gudiyattam.

Rec. 01-No.261/48 dated 11-8-50.

Sir,  
SUBSIDY - Building subsidy - Municipal High School- Gudiyattam  
1. This office application for subsidy 01-261/48 dated 19-5-50.  
2. to the Director of Public Instruction.  
2. G.O. Ms. No. 1750 Edn., dated 9-6-50.

The work done above basement level was checkmeasured and the value was certified to by the Executive Engineer, Public Works De-  
partment, Vellore to be not less than Rs.65,500/- This value does  
not include the sum of Rs.24,046/- being the value of the work exe-  
cuted already upto basement level for which half grant of Rs.12,023/- was  
already paid. The subsidy of Rs.20,727 now sanctioned for payment  
in the Government Order second read above seems to have been worked  
out as follows:-

Value of the work certified to by the Executive Engineer. Rs.65,500 ✓

Deduct value of the work for which grant was already paid. 24,046 ✓

Net value on which subsidy has now been assessed. 41,454 ✓

Half grant now sanctioned. 20,727 ✓

The assessment of subsidy shown as above has not been correctly made out as the value of the work now executed is exclusive of the value of the work done upto basement level. Reference is solicited to the words "above the basement level" in the certificate furnished by the Executive Engineer, viz., "certified that the value of work done to-date above the basement level is not less than Rs.65,500/- (Rupees sixty five thousand and five hundred only)." Hence the en-  
tire value of Rs.65,500/- certified to by the Executive Engineer has to be taken for assessing the subsidy. As the subsidy of Rs.20,977/- fixed in G.O. Ms. No. 3522 Edn., dated 16-11-49 is within one half of the expenditure actually incurred on the construction of the building and within the maximum subsidy permissible, the balance of subsidy of Rs.2250/- payable to this Municipality may be sanctioned for payment.

I solicit early orders.

Submitted.

In the circumstances now explained the balance of  
subsidy of Rs.2,250/- as per G.O.No.3522 Education dated 16-11-49  
is recommended to be sanctioned since the value of work done  
viz. Rs.65,500/- is purely in respect of the work done above  
basement level.

The original certificate referred to was submitted  
with this Office letter Rc.No.2364 G2/48 dated 1-6-50  
disposed of in G.O.Ms.No.1750 Education dated 9-6-50.
