Public (E & S) Dept.

To the Secy. to Govt.

G.P.A.

Sub:- Stationery - Colours and Drawing Materials
for the use of Draftsmen in Public (E & S)
Dept - Sanction - Requested.

The Annual Indent for stationery articles
required for the use of Draftsmen in this Dept is
put up at ②. At present there are seven draftsmen
one senior and six juniors, in this Dept. Four
new draftsmen have been recently appointed in
addition to the three draftsmen who were working
previously. As the stock of colours and drawing
materials supplied ^{last year} for the use of these draftsmen
is nearing exhaustion and the other new draftsmen
are not supplied with colours and drawing materials
much inconvenience is being felt in the Drawing
Section. Education and Public Health Dept may
therefore be requested to accord sanction for the
purchase of stationery articles shown at ②

In G.O. Ms. No. 15 Edn 19.1.49, sanction was
accorded to the supply of stationery by the Supdt
of Stoy for use of the draughtsman in
Public (E & S) Dept. But in this case they
require the sanction for the local pu

of stationery referred to. They may be requested to state why local purchase of stationery in this case is required instead of supply ~~of~~ by the Supdt of stationery as it was done in the last year time.

Please see the U.O. note of (Education & Public Health) Department above. The sanction for local purchase was requested as the Superintendent of Stationery was unable to supply the articles. This Department has no objection to the supply of the articles by the Superintendent of Stationery provided it is done without much delay. With these remarks the file may be sent u.o. to Education and Public Health Department.
