Roc.No.80K3/50 dated 26th August 1950.

Sir,

Schools--Government Secondary Schools in Pudukottai area--Transfer to the management of the District Board, Tiruchirapalli--Levy of tuition fees.

Ref:--1) G.O.Ms.No.1528 Education dated 17-5-50.

2) G.O.Ms.No.2211 Education dated 5-8-50.

In their order Ms.No.2211 Education dated 5-8-50 Government have passed orders regarding the future management of the Government Secondary Schools in the Pudukottai area. According to these orders the Brihadambal High School and Ranees Girls High School, Pudukottai are to be retained under Government management and the rest are to be handed over to the District Board, Tiruchirapalli. The President, District Board, Tiruchirapalli points out that the rates of school fees collected in the District Board High School, and in the Secondary Schools in Pudukottai area, now proposed to be transferred to the District Board are different and enquires whether the present rates of fees are to be continued in the Pudukottai Schools during the current school year. The same questions will arise also in the case of the Brihadambal High School and the Ranees Girls High School, Pudukottai which are to be retained under Government management.

2. In this connection I invite the attention of Government to paragraph 2 of G.O.Ms.No.1528 Education dated 17-5-50 wherein Government have ordered that the question of rates of fees in the Pudukottai State Secondary Schools may be taken up when the future management of the school is settled. As it is not desirable to effect any change in the rates of tuition fees etc., at this part of the year, I recommend that the existing rates of fees may be continued during the current school year, in all the Government Secondary Schools in the Pudukottai area both in those to be handed over to the District Board and in those to be retained under Government management. The same principle was followed in the case of the Rajah's College, Pudukottai regarding the levy of tuition fees - vide the G.O. quoted above. The change in the rates of fees to be collected, may be given effect to only from the next school year.

3. In the case of the Brihadambal High School, and Ranees Girls High School, Pudukottai, fees at standard rates as per Madras Educational Rules may be collected with effect from the next school year i.e. 1951-52.

4. I request the favour of very early orders in the matter.

YOURS FAITHFULLY,
