No.864/50-7-An, dated 28-8-1950.

Sir,

Sub: Museum - Government - Paper entitled
"Sumerian Survivals in Toda Ritual" -
Printing as a Museum Bulletin.

pp 2-4 (m) Ref: G.O. Ms.No.2059, Edn., dated 18-7-1950.

Government in G.O. cited above have sanctioned the printing of the paper entitled "Sumerian Survivals in Toda Ritual" by His Royal Highness Prince Peter of Greece as a Museum Bulletin. As already stated in my letter No.864/50-3-An, dated 28th June 1950, excellent colour transparencies sent by the Prince to illustrate the paper have been sent to Superintendent, Government Press for making the blocks. The Superintendent, Government Press informs me in his letter No.106631/50/ computing/dated 21st August 1950 that the approximate cost of printing these blocks in four colours including the cost of manufacturing the blocks and cost of paper will be Rs.2,200/-. The amount provided in the Budget for ~~1950-51~~ 1950-51 under the minor head, "Litho plates" is only Rs.200/-, out of which a sum of Rs.38-11-0 has already been spent up. And as no savings under any of the sub-heads of appropriation are also anticipated this year, I request Government to permit me to incur an expenditure of Rs.2,200/-. I shall be addressing Government for the provision of additional funds in due course when I apply for additional appropriation. Pending provision of funds, the Accountant General, Madras may be directed to admit the expenditure in audit.

In my letter No.864/50-3 dated 28th June 1950, I requested Government to accord sanction for printing 400 copies of the above paper. On consulting the Superintendent, Government Press, it is learnt that as this publication will be having

coloured plate, it will be very attractive and sell well in U.S.A. and in Europe. I, therefore, request that Government may be pleased to accord sanction for printing 1,000 copies instead of 400 as ordered in the above G.O.

Yours faithfully,

A. Aijappan
Superintendent.

Copy for information to the Superintendent, Government Press, Mint Buildings, Madras. The block-makers may be requested not to proceed with the work till Government sanction is obtained.

Ref: G.O.Ms.No.2553 Edn. dated 12-9-'50.

I have the honour to invite a reference to G.O cited and to state that the Bills relating to the supply of blocks for the bulletin referred above could not be paid before the end of the financial year 1950-51. As the funds provided for the purpose have lapsed, I request sanction of Government for incurring an expenditure of Rs. 1800/- being the actual charges preferred by the block makers, within this financial year 1951-52 for which necessary provision will be made in the Revised Estimate for 1951-52 to be submitted to Government shortly.

The original provision of Rs. 2200/- referred to in the G.O was only based on the approximate estimate furnished to me by the Superintendent, Government Press, Madras.

I request early orders to enable me to arrange for payment of the bill.

Yours faithfully,
