Through The Joint Director of Industries & Commerce.

Sir,
 A few days back I addressed the Commissioner of Govt Technical Examination for exemption of educational qualification and granting me permission to appear for the Steam Engine Drivers Competency examination. And in reply to my application I have been asked to address the government in the matter.

Now, I beg to state, Sir, that I have been working as a boiler attender in the power house of Central Polytechnic, Madras for over twenty-five years. I should like to appear for the Steam Engine Drivers Competency examination and get the certificate. But I should like to mention that I don't have the minimum educational qualification of III-form. However, I should like to bring to your kind consideration and notice that some men, who too had not the III-form qualification, got the exemption as they had long service for their credit, through the Corporation Engineer, Madras. So, I request your honour to grant me similar exemption enabling me to appear for the ensuing examination. I shall ever remain grateful to you, Sir, for the help you will be doing me.

Thanking you for the help in anticipation,

I beg to remain,
 Sir,

your most obedient
 servant,

Sir,

I have been working in the Power House attached to the Central Polytechnic, Madras since 1927 and gained considerable experience in maintaining the boiler and the engine. I intend to appear for the Steam Engine Driver's Competency Examination conducted by the Commissioner of Govt. Technical Examination, and as I do not possess the required educational qualification I am not allowed to sit for the examination.

In this connection I beg to state that some of the employees of the Corporation who also did not possess the required ~~the~~ educational qualification, appeared for the examination after getting exemption from the commissioner. I have applied to the commissioner through the Principal for a similar exemption and received a reference from them, copy enclosed, asking me to obtain Govt. Sanction. Hence, I request that necessary exemption may kindly be given to enable me to appear for the above examination.

Yours faithfully,

G. Dharmalingam

 Ref: Government Memorandum 11985/F/50-1 Education dated 20-6-50.

I enclose herewith the original petition dated 23-6-50 from Sri.
 Dharmalingam, Fireman, Power House, Central Polytechnic, Madras, praying for
 exemption from the General Educational qualifications prescribed for the
 Steam Engine Drivers Competency Examination.

Although the petitioner does not possess the ~~minimum~~ required General
 Educational qualifications, viz. a pass in III form, he is a literate and has
 served as a firman and boiler attender for over 25 years in the POWER HOUSE
 attached to the Central Polytechnic, Madras. In view of his long and
 satisfactory service in the Department, I recommend that the exemption
 prayed for by him may be granted on the analogy of concessions which appear
 to have been shown to some in 1949 in Memo. R.C. No. 143-D/49 dated 8-3-49
 of the Commissioner of Government Examinations.
