From
Sri T.S. Ramachandran, Bar-at-law, I.C.S.,
Superintendent of Stationery,
Madras at Guindy, Madras 15

To
The Secretary to Government,
Education Department,
Fort St., George, Madras.

No.B2-31604/50 dated 21-8-50.

Sir,

Stationery--straw boards--local purchase--sanctioned--requested.

A supply order for * the following varieties of straw boards was placed with M/s Straw Products Ltd., Bhopal in June 1950 against the rate contract entered into with the Mills by the Government of India. The order was for boards of size 25" x 30" prescribed in the Stationery Manual. The Mills reported that 25½" x 30½" is the standard size manufactured by them and requested acceptance of this size. The Superintendent, Government Press, Madras who was consulted in the matter, stated that acceptance of boards of larger size would involve wastage. Thereupon, the Mills were advised at the beginning of this month to supply straw boards of size 25" x 30" only. However, they were requested by telegram to supply 150 cwts. of 2 lb straw boards in their standard size of 25½" x 30½" to meet the immediate demand of the Superintendent, Government Press who applied for them despite the wastage involved. The Mills replied by telegram stating that booking to Madras was restricted and that the Railway may be addressed to allot wagons for despatching the boards. The G.I.P. Railway authority at Jhansi has been addressed in the matter. In the circumstances stated above, the supply is not likely to be received early.

The Superintendent, Government Press, Madras has been continuously pressing for the supply of straw boards of other weights also and his immediate requirements are as follows.

A	Straw boards 1 lb	5000 Nos. (45 cwts)
	1½ "	2000 (27 ")
	2 "	5000 (90 cwts)
	2½ "	4000 (90 cwts)

When apprised of the above position, the Superintendent, Government Press desires that straw boards may be purchased locally to meet the immediate needs in the press. I have called for quotations from local firms and propose to purchase such quantities to meet urgent demands as soon as replies are received. I, therefore request that Government may be pleased to sanction the local purchase of the above quantities of straw boards and ratify my action in proceeding with the purchase.

R. S. M. S.
